...for the savvy investor

**Bullish Teens** is a dynamic, interactive and easy to follow workshop series specifically designed for high school students! You can start to buy and sell stocks at the age of 18. So, it is critical that our youth get exposed to this type of financial education as soon as possible. **Bullish Teens** is an excellent way for high school students to get a solid introduction to the stock market, how it works, and the importance of saving and investing money for the future!

This 2-hour workshop consists of lecture, videos, handouts, group activities and more. We are available during regular school hours, after school, weekends and by appointment. RSVP your teen and/or high school today!

**We've taught at:** Renaissance HS, Mumford HS, Central HS, Southeastern HS, Northwestern Academy, Spectrum Juvenile Detention Center, Wayne County Community College, the NAACP Detroit Youth Council and the Sound Mind Sound Body Football Academy.

All classes are taught by Urban America's stock market guru: [Ken "Blanks" Harrell](#)
