All online bidders must first register @ [www.bidspotter.com](http://www.bidspotter.com) and be approved to bid.
3. All items are offered “As-Is” and “Where-Is” with all faults. The auction company makes no guarantee or warranty express or implied as to the quality, condition, performance, description, hours, or nomenclature of any item being sold, so buyer beware. All sales are final with no recourse through the auction company subsequent to the sale. It is for these reasons all bidders are encouraged to take the opportunity for inspection prior to bidding.
4. At the knockdown of the bid, all onsite bidders must immediately tender a twenty five percent (25%) cash deposit, or \$100, whichever is greater.
5. No credit cards, personal or third-party checks will be accepted on site. Only cash, cashier's checks, venmo, wire transfer & pre-approved business checks will be accepted and all checks must be made payable to “Caspert Management Co., Inc.”  
On-Line bidders may pay with the credit card registered through Bidspotter. If you use a credit card instead of the above noted payments, a three (3%) surcharge will be added.

6. All Open Invoices must be paid in full no later than Friday, September 18, 2020 by 12:00 noon. Please, no exceptions.

7. To prevent error in delivery, nothing may be removed during the auction. Please call the auction company to reserve a specific date & time.

8. All successful bidders and/or their agents must sign a Waiver & Release prior to any removal which must be done in a commercially reasonable workmanlike manner.

9. All items must be removed by the successful bidder at their own cost and expense as described above. (There is no material handling equipment, tools or labor available at the auction site - all successful bidders must supply their own.) After the above referenced time frame, the auction company will no longer be responsible. Please be forewarned that in the case of a default, the auction company reserves the right to resell any and all unclaimed items and the defaulting bidder will not only forfeit his deposit but bear the responsibility of any shortfall in case of resale, and also all costs and expenses associated with the default as well as all auctioneer's fees and commissions.

10. An eighteen percent (18%) buyer's premium is in effect for all successful bidders at this auction.

11. Federal, State (6.625%) and local taxes, if applicable, will be the responsibility of the purchaser and collected by the auction company at time of payment. Any purchaser who claims a tax exemption status must provide acceptable proof.

12. The auctioneer is the final judge in case of a dispute. Any announcement made by the auctioneer at the time of the auction will take precedence over any previously printed materials, including the ability to reject any and all unreasonable bids, entertain a bulk bid, mini bulk bid, and or alter bidding increments at any time.

13. All bidders must be at least 21 years of age. The auctioneer reserves the right to deny admission to the auction to any person the auctioneer deems to be abusive, disorderly, intoxicated or non-compliant with the terms and conditions for the auction, or a potential threat to be such. PLEASE BE REMINDED THAT CREDIT CARDS OR PERSONAL CHECKS WILL NOT BE AN ACCEPTABLE FORM OF PAYMENT FOR ANY ITEM PURCHASED AT THIS AUCTION.

\*Please Note: The Auction Company does not pack, ship, store crate or rig items. Buyers may either pick up their items at the designated auction site personally or can arrange for a third-party logistics firm to manage the removal process for them. If someone other than the registered buyer at the sale is designated to pick up those purchased assets, the buyer must contract with an independent logistics firm or other representative who will dismantle, crate, pack, load and/or ship your purchased items; coordinate the removal of those purchased items to meet the time deadlines indicated of this auction and authorize the auction company to release items to a third-party contractor for shipping, crating or packing purposes. Since the auction company does not ship the items, we do not obtain/prepare any export licenses/documents. Further, the auction company is not affiliated with any machinery rigging, transport or export company. We provide the names and contact information of available companies solely as a courtesy to our buyers. The auction company does not endorse or guarantee the services of any machinery rigging, transport or export company, and cannot be held responsible for any damage, omission or other problems incurred as a result of the actions of those companies.
