GamePlan

Discover • Connect • Play

GAMEPLAN SUPERFAN COMMUNITY

ABOUT US

GamePlan is a mobile app that connects football enthusiasts of a local neighborhood with each other for a game of football.The app will send you notifications everyday - about various games happening around your area with your friends and other players from your neighborhood. You will need to accept the game that you like and instantly get connected with all of them, shortly after you will get another notification containing all the details of the game. All you need to do now is, go and play! Simple!

WHO IS A GAMEPLAN AMBASSADOR?

Someone who is truly, madly, deeply passionate about football, the one who likes to play football within his community regularly. We are looking for such young footballers who hold significant influence within their social circle and can bring people together to create awareness about GamePlan.

CRITERIA TO BE AN AMBASSADOR

1. An active football player in his community, who enjoys the sport and plays for fun and not necessarily professionally
2. Has a high influencer quotient or social clout i.e. active of Facebook, Instagram, etc
3. Can talk football lingo, good communication skills.
4. College student, between the age of 17 – 21 years from Bengaluru, Mumbai and Pune only.
