

## International Clinical Trials Day

20th May 2019, 9.30am to 3.00pm

To celebrate International Clinical Trials day we would like to invite you to our one of our interactive stands placed throughout Moorfields sites and at Liverpool Street Station. Packed full of educational and fun activities which explore the role of clinical research in improving outcomes for patients with eye diseases and vision loss.

### **'How Smartphones Fit in Ophthalmology's Tool Bag'**

A demonstration of how modern mobile phones can be used to carry out visual checks.

### **'Altered Perspective'**

An opportunity to discover how it feels to perform normal day to day tasks when you have an eye condition.

### **Pioneering research at NIHR Moorfields Clinical Research Facility**

Showcasing the ground-breaking research currently running in the CRF

### **About the day**

The event is open to both children and adults and is particularly relevant to those interested in science and innovation
