# HOW THE GAME IS PLAYED

ArbiterSports has been leading the pack in Athletic Event Management technology for the past 30 years.

**ArbiterSports™**

PART OF YOUR WINNING TEAM SINCE **1984**

For more than three decades, ArbiterSports has been simplifying the way you manage athletic events.

“Now our department can schedule games and assign refs using a single system.”

—San Luis Obispo High School Athletic Department

Our powerful, cloud-based software suite gives you unprecedented control and visibility over the entire process so you can stay on top of every aspect. Whether you're scheduling games, training or assigning officials, paying event workers online, or communicating with athletes, families or fans, ArbiterSports makes your job easy.

Our commitment to convenience, security and top-notch customer service means we know how to solve your toughest problems. That's why ArbiterSports is the leader in athletic event management. In fact, leagues and associations all across the U.S. make more than 10 million assignments to more than 360,000 officials every year using ArbiterSports.

We invite you to discover how ArbiterSports products can help your team succeed.

Jeff Triplette  
Chief Executive Officer

## ArbiterOne™

Assigners can easily and efficiently manage and assign officials and provide online access to real-time game information to officials, leagues and teams.

- Automate schedule reminders, change notifications and other alerts
- Choose between Manual-Assign, Auto-Assign, and Self-Assign options
- Get game information, like maps, site details, game fees and travel guides
- Generate evaluation reports to track the quality of service provided

## ArbiterGame™

Schedule games, manage team rosters, arrange transportation, change venues and times, send notifications, pay game staff, and track the entire process online.

- Manage teams and create rosters
- Arrange transportation, venues and times
- Access your to-do list anytime from anywhere
- Integrates seamlessly with SchoolDude™

## ArbiterPay™

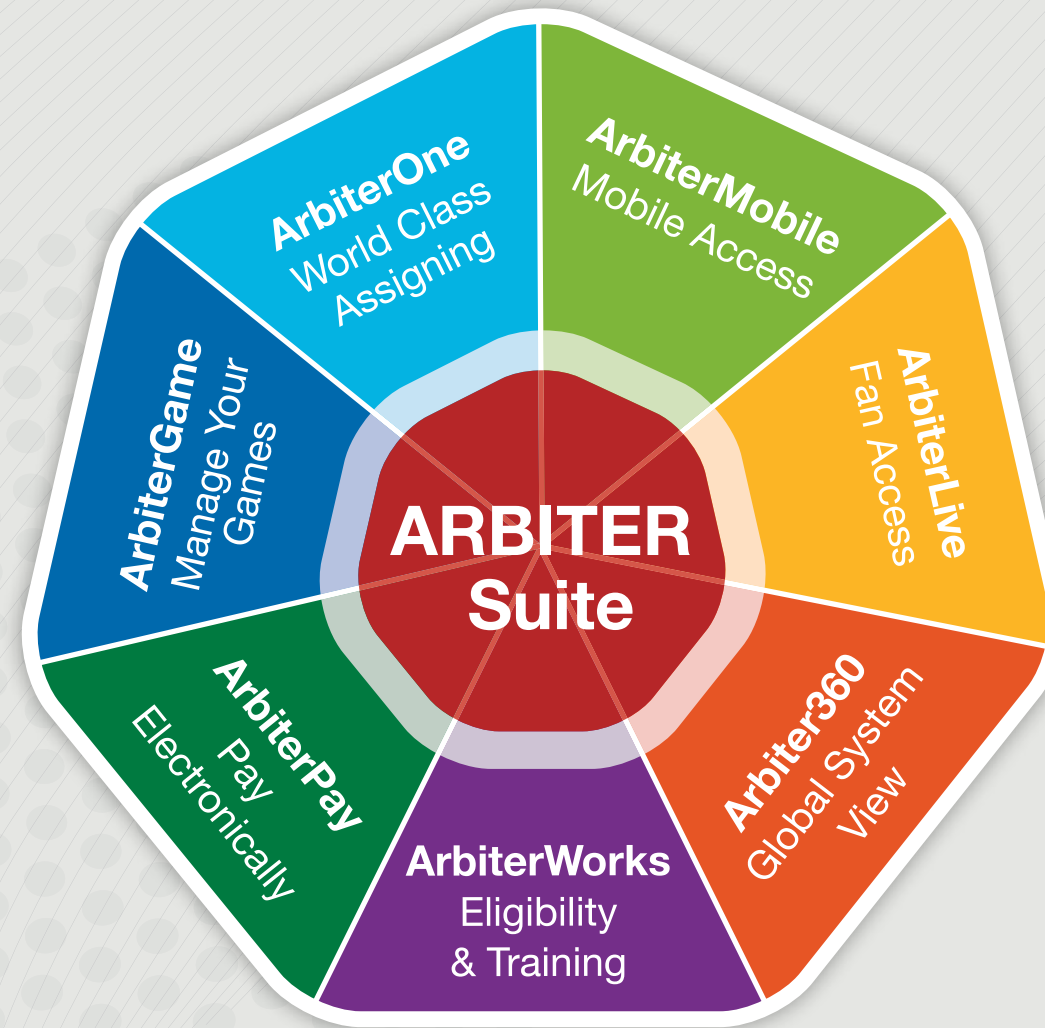

Leagues and athletic departments can electronically pay game workers, officials or anyone assigned through ArbiterOne or ArbiterGame.

- Eliminate paper checks, envelopes and postage
- Automatically generate 1099s
- Federal and state compliance built right into the system
- Funds are held in trust accounts backed by US government

## ArbiterWorks™

Create portals where officials can register with your organization, complete training modules, meet your eligibility requirements, and even do background checks using Peopletrail®.

- Ensure only eligible officials receive assignments
- Distribute news, announcements, and rule interpretations
- Create training videos and distribute them online
- Administer tests and monitor their testing status

**In 1984, ArbiterSports pioneered the use of computer technology to help manage officiating programs.**

Today, sports leagues and associations make nearly 10 million assignments to more than 360,000 officials every year using ArbiterSports technology.

## ArbiterMobile™

Mobile users can access the core benefits of ArbiterOne or ArbiterGame from their mobile devices and set up alerts to warn them of updates, changes and cancellations.

- View and accept games
- See game schedules and site addresses
- Update availability and block dates
- Access phone numbers and addresses of contacts, partners and assigners
- Receive instant notifications of game changes and new assignments

## ArbiterLive™

Give parents, students, athletes and fans an online view of what's happening with your school or team.

- Show team practice and game schedules and locations
- Show scores from athletic events
- Sell custom-designed fan apparel for your team or school using MyLocker™
- Co-brand your athletic portal with ArbiterLive

## Arbiter360™

State associations and officiating organizations get a single, comprehensive view of the entire ArbiterSports system to track progress and measure results.

- Ensure groups are complying with your policies
- See who is registered, who is using the system and how often
- Monitor payments, eligibility, training, alerts, and access rights
- View your members by district, sport, season, location or other criteria

“With one click in ArbiterPay, our schools can verify an official showed up and transfer money from their account to the official's account.”

— Jeff Cluff, Supervisor of Officials, Utah High School Activities Association

### State Organizations

- Get a single view of your entire organization
- See game schedules, official eligibility and registration, conference fees and payments, and more
- Create a portal to see which officials are registered and eligible to do their jobs
- Add training videos and administer testing and background checks
- Enable your groups to pay workers electronically and securely

### Governing Bodies

- Get a unified view of your organizations so you can enforce policies and procedures
- Offer insurance products to groups that align with your policies, raising the level of quality and control across your organization
- Keep your leagues and schools in compliance and ensure consistent quality by getting a clear view of what's happening in the trenches
- Track who's eligible to participate in athletic events and send notifications requesting compliance

### Officials

- View your game schedules and locations and get timely email updates on future events
- Get notified of scheduling changes and cancellations with automated reminders, notifications and alerts
- Receive game information like maps, site information, game fees and travel constraints
- See game schedules, receive change alerts, update availability, and accept games from your mobile device

### Assigners

- Get a unified view of all officials, their availability, contact information, even pictures
- View officials, their eligibility, track record, trends and stats from the master database
- Create a portal to keep officials current and eligible
- Assign only officials who are registered to work games
- Process payments electronically. Input data once and ArbiterPay takes care of the rest

### Athletic Directors

- Schedule games, manage team rosters, review officiating crews, arrange transportation and track the entire process online from start to finish
- Send out notifications to audiences you need to stay in contact with during any event
- Get a unified view of all officials assigned to your games and tie into a master database of qualified and capable officials
- Pay everyone electronically. Stop printing, stuffing and mailing checks after every game

### Business Officers

- Keep your leagues and schools in compliance, and ensure quality and consistency
- Get a single view of your entire organization so you can track compliance
- Pay officials and other game staff electronically including issuing of 1099s

“With ArbiterOne and ArbiterWorks, we fill assignments efficiently and share registered, eligible officials across multiple leagues.”

—Paul James, State Referee Administrator  
North Carolina Soccer Referees Association

“If you’re not using Arbiter, it’s probably time to get out of the business.”

—Rob Holloway, Mississippi High School Activities Association
