If a Crossfitter (Crossfit-ist?) does a burpee but doesn't post it on Instagram, can they still get their box's logo tattoo'd on their bicep? That answer and other dispatches from the frontlines of your cubicle-mates favorite fitness cult when @reidworthington (Founder, Owner, and Head Coach of @crossfitlumberyard in Anaheim, CA) joins the podcast this week. Great story, great gym, even better guy. Check it out. Link in bio!
