В чёрном костюме #KarlLagerfeld из коллекции 2020 года всё работает на комфорт. Плотная ткань на основе мягкого хлопка позволяет телу дышать и не сковывает движения. Чтобы текстиль не потерял форму со временем, нити укрепили полиэстером. В прохладную погоду шею от ветра защитит высокий трикотажный воротник кардигана на молнии. Посадку прямых брюк можно отрегулировать шнурком, продетым в эластичный пояс.
