#### **About the Louisville Memorial Auditorium**

Louisville Memorial Auditorium celebrates its 90th Anniversary in 2019 and will announce in the New Year a number of special events to be held throughout the year with which to honor it. The unique venue offers rich history, architectural beauty, and a remarkable stage experience complete with lighting and sound systems to produce a memorable event, a Louisville Landmark on the National Register of Historic Places, dedicated on Memorial Day in 1929. The auditorium was built from the outgrowth of two movements: one for a public auditorium, the other for a memorial to commemorate the deeds of the sons and daughters of Louisville, KY and Jefferson County who served in WWI. Over the years many concerts, graduations, dance recitals and competitions, stage productions and other interesting events have been held at the venue. Under new management, the non-profit will be inviting weddings and meeting events to be held at the historic landmark.
