

The Holocaust Hoax is the Indispensable Centerpiece for the Khazarian Mafia

Lorraine Day graduated from the University of California, San Francisco, School of Medicine in 1969 and became an associate professor and vice chairman of the Department of Orthopedics at the University of California, San Francisco, School of Medicine and Chief of Orthopedic Surgery at San Francisco General Hospital. She is the author of AIDS: What the Government Isn't Telling You, Getting Started on Getting Well, etc. She can be reached at 800-574-2437. Her website is www.drday.com.

J.E.A.: You write that the "Holocaust" is a categorical lie. Can we talk about that?

L.D.: Well, the idea that the concentration camps were for the express purpose of killing Jews and/or other inmates is certainly a categorical lie. I don't deny that there were millions of Jews imprisoned in these camps. But they were imprisoned because international Jewry had instructed all the Jews in Germany, that if Germany went to war with England, that every Jew in Germany would sabotage the war effort. That made them Traitors to their nation and that's why they were put in camps.

There were NO gas chambers in any concentration camp run by the Germans during World War II, not even in Auschwitz. The evidence is overwhelming. But the Jewish-owned media has learned that if you tell a lie big enough, and often enough, the people eventually will believe it. And if anyone has the audacity to really investigate the matter, looking for the truth, they are called "anti-Semitic."

J.E.A.: You said that "the 'Holocaust' – since it cannot be questioned – obtains the status of an undeclared Religion for the whole world. It must be accepted by faith! No questioning is allowed."

Many rabbis would agree with you on this point. For example, Avi Weiss declared in the *Washington Post* in 2015 that "Auschwitz is a sacred place of Jewish memory. It's no place for a Catholic church."^[1] The *New York Times* said something similar back in 1993.^[2] Neocon hawk Charles Krauthammer writes in the *Washington Post* that "has become increasingly common for American Jews to locate their identity in the Holocaust."^[3]

Can you tell us why these people don't want to examine the events of Nazi Germany in light of Stalin's great famine? Why do they idolize the "Holocaust" at the expense of any other suffering in the history of humanity? Why do they keep referring to the "Holocaust"

as "unique"?

L.D.: Almost no one understands that the Holocaust Hoax is the indispensable Centerpiece of the New World Order. Without this lie, the Khazarian Mafia would have a very difficult time enslaving the population of the world through the coming One World Government. And here is why: 1) The Khazarian Mafia and their puppets have the ability to operate from behind the scenes (of the governments, of corporations, of foundations, etc.) and not be exposed in their secretive, destructive, criminal schemes, because, **if anyone exposes them, they wail, "You are ANTI-SEMITIC!"** And the exposer is branded for life! You are not allowed to expose any illegal or immoral schemes of the Khazarian Mafia because "they have already suffered so much"!

2) By playing the victim (of the "Holocaust") and collecting billions in reparations from Germany, and billions in foreign aid from the U.S., they have been able to steal Palestine and slaughter the Palestinians, to build the Israeli state, from which they plan to take over the entire Middle East, and then the whole world.

And they also have one of the largest nuclear arsenals in the world, 3) by infiltrating all the churches and reminding the Christians of "how much the Jews have suffered, particularly during the *Holocaust*," they are now viewed as God's "chosen people" and should never be criticized for ANYTHING, even if their actions are immoral and illegal, 4) and **because of the suffering of the Jews during the "Holocaust" they are setting themselves up to replace Jesus Christ and HIS sufferings on the cross to save the world from sin.**

The "Holocaust" will become the new religion, with 'churches' (Holocaust museums) eventually built in every city, which the people approach with quietness, reverence and respect (far more than is found in any of today's churches). The Jews have already stated that they will become their own Messiah.

This will bring about not only the One World Government for enslavement of the world's population by the Khazarian Mafia, but it will become the basis for the coming One World Religion. Laws will be passed in every country, similar to the laws now on the books in Germany, Canada, Austria, Australia and several other countries, making it illegal to doubt the Jewish version of the "Holocaust."

This *crime* will be punishable by a massive fine, and/or many years in prison. Eventually, the same penalties will be imposed for any type of "anti-Semitism" – the definition of which will be in the hands of the Khazarian Mafia. The only way the "suffering of the Jews during the *Holocaust*" can be described as "unique" is that–it didn't happen! It's all a LIE!

Over 25 years ago, the Khazarian Mafia and their marionettes were successful in getting a law passed making it LEGAL for the U.S. government to KILL Christians! My husband, a former long-term U.S. Congressman, documented this:

A number of Jewish authors have remarked that the Khazarian Mafia are parasites. They don't develop a culture of their own, or inventions of their own, instead they are parasites on other "host" cultures. They take over huge businesses built by Gentiles and wonderful inventions created by Gentiles, rather than developing cultures of their own, or creating their own phenomenal inventions. But they seem to forget that as they continue to parasitize the host, **eventually they will kill the host–and then the parasite also will die.**
