Steps to follow for this Forward Assault Hack Online:

1 – Click on the “Access Online Generator” button available below to access our Forward Assault hack online page!

2 – If you are using an Android , iOS , Windows device enter your Forward Assault username and select your platform! If you have a computer or a notebook connect the device to the PC , Notebook , Mac via USB cable/bluetooth and choose the device then add the name of the device in the username field. Very important after you connect the device open the game and leave the game open to read the data from the game account. After this steps just click the button Connect.

3 – Select the number of Gold and Credits you want to have added to your account and click on “Generate”.

4 – Wait only a few seconds for your request to be processed!

5 – After your request will be processed you will have to finish a verification formality. Don't worry , it's really easy! We do this because we need to prevent abusive usage of our cheats. It will be very hard to keep the hacks working if they will be overloaded by fake accounts owners.

6 – As soon as you will finish the verification you will need to reboot the game and the Gold and Credits will appear in your account!

7 – Take advantage of our Forward Assault Hack Online and become one of the best players of this game!

Very important!!! Don't miss any of the steps listed above! If you encounter any errors while using our Forward Assault Hack Online please contact our support team. You can do this from our contact page and we will do our best to offer the best solution to any issues you might have.

Feel free to share this website with your friends so they can take advantage of the best tricks for free.
