ROAD READY EMERGENCY KIT™

"Designed By Emergency Medical Personnel"

Road Ready Emergency Kit™

Being prepared is the key in handling most emergencies. With the EMI Road Ready Emergency kit you will be able to handle most basic First Aid emergencies and potential hazards. The contents provided in this kit are identical to those used by EMS, Fire and Police personnel. The kit features our nylon Cordura black or orange fanny pack with yellow reflective trim. It has three outside pockets and two large zippered inside compartments. It has an adjustable nylon webbing to fit 20"-54" waists with a quick-release buckle. The pack measures 10"L x 6"H x 5"W. If you are concerned for your or your loved ones safety this kit is essential for not only traveling but also for home, work etc. Weighs approx 3 pounds with contents.
