MANAGER PREVIEW

WITH JOHN ROBERSTON

Good afternoon and welcome to today's Ladbrokes Championship clash between ourselves and Queen of the South.

I would like to warmly welcome Allan Johnston, Sandy Clark, as well as the directors, players and of course supporters of the Doonhamers that have travelled North today for the match.

We expect another tough match and are well aware of the threat that Queens will pose today as they came here last season and won early in January, with a winner from Stephen Dobbie late in the game.

They also showed great resolve and determination to beat Morton at home last week and will travel here today boosted by the result. We are well aware of the threat that Dobbie, Oliver, El Bakhtaoui and Murray, in particular show but they are very much a sum of all parts in their make up.

We battled to a hard earned 1-0 victory over Dunfermline, in a match that was difficult with the overhead conditions, with both defences and midfield dominating, there was very little on show for the fans too get to excited about. It looked as if the stalemate was going to be played out until our late penalty.

There will be many more games like this over the course of the season and turning one point in to three will ultimately determine where any team finishes in the division as draws when you are after the three points normally come back to haunt you.

We hope the players can pick up where they left off in our last home fixtures, with a couple of very convincing wins over Morton. Some of the attacking play was excellent and, despite the changes we made, the team was still strong and played very well. We feel we have strength in depth this season to cover injuries and suspensions.

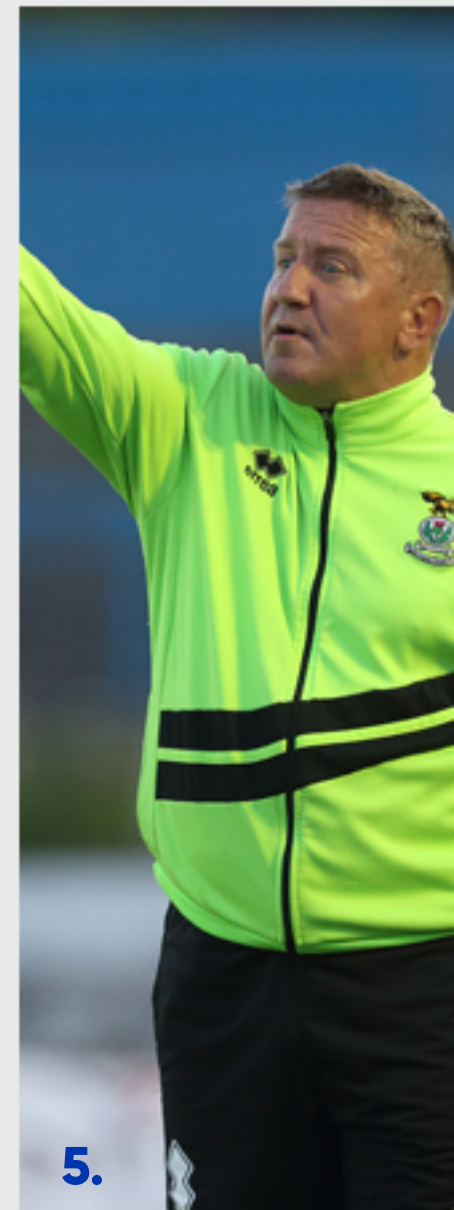

Sean Welsh made his comeback and, with young Cameron Harper and Roddy MacGregor, joined later by Matheus Machado, it was great to see the younger lads getting a well deserved opportunity to show how well they are developing.

We also made the trip to Claggan Park to see our loanees create another piece of history as Fort William recorded their first league victory for over 800+ days as they won against, our neighbours, Clach in a hard fought and close encounter and they are developing nicely in a demanding league

But, we must concentrate matters on today, try and win 3 more valuable points in the Championship and once more I ask you to get right behind the team!

Enjoy the match,

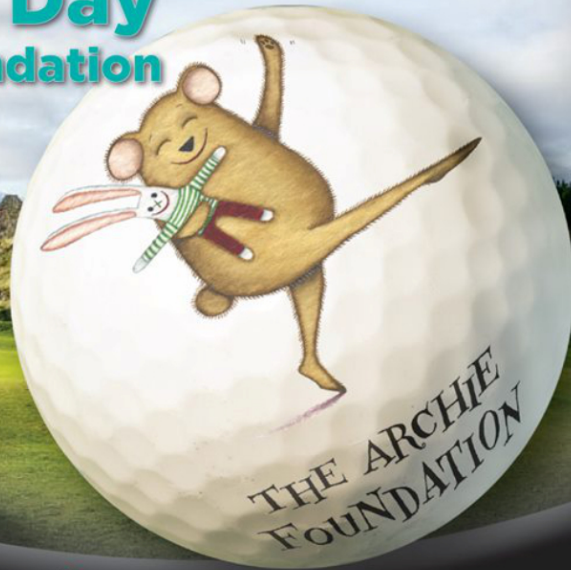

Robbo

CAPTAIN CARL

TREMARCO'S PREVIEW

Good afternoon and welcome to the Caledonian Stadium for today's match against Queen of the South.

It'll be nice to get back home today after a week away and a good three points against Dunfermline, it wasn't the best of games but sometimes those wins are more impressive than the ones where you play well, like the game against Morton.

There's no point going down to Dunfermline and getting a result and then throwing it away at home. Something we need to rectify this season is our home form and we've started really well.

I think we drew 8 or 9 home matches last season, if we turn 5 or 6 of them into wins then we'll be knocking at the door at the end of the season because our away form is always pretty steady and this season will be no different hopefully. We have two massive games coming up, but we'll put all our focus and attention into Queen of the South at the moment. Training has been great the past week and the boys are riding high on confidence.

Queens' attacking threat is there to be seen, I think the defenders will have to be on our toes. If you give Dobbie or El Bakhtaoui a half chance they'll, more often than not, turn it into a goal.

Lets get behind the team for today's match,

Carl Tremarco

FROM THE CHAIRMAN

Let me begin by saying thank you for your loyal support.

As the Championship season starts to pick up momentum, we extend a warm welcome to the representatives of Queen of the South (QOS). Everyone wants to keep the winning feeling going, we look forward to a competitive match, fairly refereed and with no injuries.

We have played QOS 31 times over the years – 28 in league matches and once each in the Scottish Cup, League Cup and Challenge Cup. They were our first Scottish Cup opponents in December 1994 and they won 2-1. QOS won the Challenge Cup tie 2-0 in 1997 but in 1998 we won 4-1 in the League Cup. Overall, ICTFC is ahead in the league having won 13, drew 8 and lost 7. We are always made very welcome in Dumfries.

The Club has announced an Extraordinary General Meeting of ICTFC shareholders to be held on 3 October 2019. A third year playing in the Scottish Championship brings many challenges and we want to share our thinking and outlook for the future. We will keep you informed of emerging issues, new developments and opportunities as we go forward. In the meantime, what is important is that we unite behind our manager and his team, and demonstrate our collective allegiance and patronage for this great Club.

As always, if you have any feedback on how we are doing or suggestions on how we can improve, please send them to me at graham.rae@ictfc.co.uk - I'd be pleased to hear from you.

Please join me in wishing our team the very best for today's match. Warm regards and thank you.

MATCH REPORT

DUNFERMLINE 0
INVERNESS CT 1

14.09.19 | EAST END PARK, DUNFERMLINE
LADBROKES CHAMPIONSHIP

A late penalty from Sean Welsh won all three points for the Caley Jags against Dunfermline at East End Park.

Danny Devine was penalised for a handball late on and Welsh stepped up and put his penalty down the middle to secure all three points.

Caley Thistle sit third in the Championship table on ten points, 2 behind Ayr and Dundee United who occupy the top two spots.

John Robertson made one change to the side that beat Morton 5-0 in the club's last league match as James Keatings was ruled out with an injury and was replaced by Miles Storey.

The first chance fell to the Pars as Greg Kiltie cut inside but saw his effort blocked on route to goal and behind for a corner. The resulting corner fell to Ashcroft in the box but his header was blocked by Tremarco.

Miles Storey was close to meeting Tom Walsh's delivery in the middle after 11 minutes but the ball was then worked by Caley Thistle and it went wide to Doran with his cross finding White at the back-post but his header was blocked.

With 14 minutes played, Tom Walsh's dangerous corner delivery was flicked on by the head of Carl Tremarco but Cameron Gill was able to collect it.

Dunfermline had a big chance before the break, Paul Paton's volley went just wide of the post after 37 minutes after he met Tremarco's headed clearance.

In the second half, Dunfermline started well as Josh Edwards' delivery had to be touched behind by Ridgers for a corner to the home side.

After 51 minutes, Kevin Nisbet drove forward for the Pars but his effort from just inside the box was wide of the post.

Sean Welsh and Nikolay Todorov replaced Jordan White and David Carson with just under half-an-hour remaining

After 64 minutes, Carl Tremarco found Miles Storey in the middle but the forward could only fire his effort wide of the post from inside the box.

Roddy MacGregor then replaced Tom Walsh for the final twenty minutes.

After 83 minutes, Aaron Doran tested Gill from range as he unleashed a strike from around 20 yards but the Dunfermline keeper parried it clear.

Caley Thistle were awarded their spot kick with 85 minutes on the clock as Danny Devine was judged to have handled the ball in the box.

Sean Welsh stepped up and smashed his effort down the the middle to secure all three points.

COMMUNITY NEWS

Milton of Leys In-service days

On Monday and Tuesday we had our holiday camps at Milton of Leys Primary School for kids to play some football in their time off. The kids worked on all different aspects of footballs whilst doing so in a fun and competitive way. We even had our challenge day for Tuesday to add to the competition. It was great to see some new faces and some familiar faces at our courses from our youth squads and weekly courses. We still have our weekly courses on until the October holidays. If you want to book just go online at www.ictfc.co.uk/weeklycourses to book.

ICT Open Day

On the Sunday 29th September from 9am on until 4/5pm we are having our annual open day at the Caledonian Stadium. It will be much like our MacDonald's Day we hosted last year where there will be lots of inflatables for the kids and other activities such as beat the goalie and the football radar to see how fast you can kick a ball. On the pitch we will be hosting a 4v4, 5v5, 7v7 and a girls only tournament which will be run by the Scottish Football Association, so it will be great to see so many kids get the chance to play on the pitch. There is also raffle prizes to be won and refreshments on offer along with our club shop being open for anyone wanting to purchase merchandise. Towards the afternoon we are hosting our first Walking Football Festival where we will have our very own walking footballers taking part against teams from Dingwall, Elgin and Skye. The event is free so if you fancy coming along to join in the fun at the Caledonian Stadium.

COLL
DONALDSON

Coll Donaldson is now in his third season in Caley Thistle colours. He is now a fully fledged started for the club and has become a key player as part of the spine of the ICTFC side.

It's home action for the Caley Jags this afternoon and Coll knows that Caley Thistle's home results are going to be critical for their success this season. It's something the whole squad is determined to improve from last season.

Donaldson has hailed the importance of starting their home season with a win against Arbroath

He said: "The easiest way to breed confidence is winning games, I think the Arbroath game was really important in terms of just coming of that defeat at Tannadice and there was a lot of scrutiny on us in terms of our home form last season."

"The win was good to get that one over the line. The Morton game on a Friday night, on television and to win that one so convincingly was good but it is still early days, it not like problem fixed because we've won two games."

Donaldson also hailed the surface at the Caledonian Stadium this season, the pitch went under major relaying works and groundsman Dale Stephen has worked tirelessly over the summer to ensure it's in fantastic condition.

Coll said: “We still have to work on it and work on it hard to win the home games. Also, you have to mention Dale and Tommy [the ground staff], the pitch is outstanding. It is definitely the best pitch you’ll play on in the Championship and by a distance I’d say.”

“It does suit us but other sides will look forward to playing on it, I have a mate who plays for Morton and he said the pitch was outstanding. So, it is enjoyable for other teams too but I think it does help us to a certain extent.”

The focus today for Caley Thistle is the visitors, Queen of the South. Coll knows it’ll be a difficult challenge as Queens won at the Caledonian Stadium last term.

Coll said: “Every home game in the league you should be looking to win, it doesn’t matter who we’re playing. Starting with Queens, the aim has got to be three points.”

“It’s the easiest thing to say but you’re always thinking about Dobbie, he’s their main threat. They do have other good players around him this year, I’ve not seen them too much personally but there always, especially under their former manager, very hard working and a tough side to break down.”

Coll continued: “They gave us a good game up here, where they beat us so we know it’s going to be a tough game. We’re confident and I think that’s quite a big thing, in the squad this year we’ve got a confidence and a swagger about us at home, where we are trying to win matches and with a bit of style as well.”

Coll admits Caley Thistle's start to the season has been pleasing but he doesn't want to get too carried away as it is early days yet.

He said: "It's pleasing, we probably weren't at our best last Saturday against Dunfermline but it is important to win games like that if you want to go where we want to go. Sometimes in those types of games it feels a wee bit better winning when you haven't played at your best."

He continued: "It's early days, I think we were right up there at the start of last season. I think at this stage of the season you aren't really looking at the table, you are just trying to win your games. I think we're putting a lot of focus on winning our home games this year, the two league results at home are maybe the most pleasing thing so far."

07.09.19 | CALEDONIAN STADIUM
TUNNOCKS CARAMEL WAFER CHALLENGE CUP

Inverness Caledonian Thistle progressed to the Last 16 of the Tunnock's Caramel Wafer Cup as they beat Morton 3-1 at the Caledonian Stadium.

Nikolay Todorov, Aaron Doran and Miles Storey all got themselves onto the scoresheet , while John Sutton came off the bench to get a late goal for the Ton.

Caley Thistle made eight changes from the side which beat Morton 5-0 the week beforehand as Cameron Harper and Roddy MacGregor were given starts.

Charlie Trafford had the first chance of the match as he cut inside but his effort deflected wide for a corner.

The opener came after 23 minutes as Nikolay Todorov unleashed a strike from just inside the box and into the top corner.

Sean Welsh saw a close range header saved by Sam Ramsbottom and a minute later Caley Thistle made it 2-0 as Aaron Doran finished from close range after meeting Welsh's long pass.

In the second-half, after 57 minutes, Miles Storey took down a pass from Sean Welsh and drove into the box and his effort from inside the box went past Ramsbottom.

Charlie Trafford then linked up well with Machado on the left hand side, and the Canadian midfielder was brought down in the box.

Nikolay Todorov stepped up to take the penalty but saw his effort saved by Sam Ramsbottom Morton got a constellation goal late on as John Sutton diverted in Muirhead's cross.

Caley Thistle now face a home game against Alloa in the fourth round.
