- 1) How was work this past week? On a scale of one to ten how much do you love your job? (1 = I detest my job 10= I love it) Why?

**Discuss: (40)**

Read Col 3:17, 22-24

1. What does it mean to do all things (everything\*) in the name of the Lord Jesus? (v17)
2. How could you in your work reflect Christ and also then give credit to Him?
3. In light of verse 22, how can someone in an undesirable job serve Christ’s purposes?
4. What does it look like to serve Christ rather than being self-serving in our work? What would make us willing to serve Christ above ourselves? ( v17, 23-24)
5. What was your major take away from this sermon and passage? What do you think God wants you to do with it?
