Harbour Status Matt Black Framed Easy Clean 8mm Walk In Shower Panel & Flipper Panel

Conveniently update the appear and really feel of your bathroom with our custom shower screens, which can be made to fit any size and shape. Due to the price and complexity of manufacturing curved glass made to measure curved shower doors are not frequently readily available from mainstream shower brands. On the other hand, a specialist bespoke frameless shower specialist must be able to manufacture a custom made curved shower enclosure though this will be highly-priced. how to measure a shower door are committed to creating products that meet the highest demand in design, overall performance and quality. That is why all our bespoke shower enclosures come with the MERLYN Assure. At MERLYN, created to measure does not just mean produced to match.

NOT NECESSARILY– Some producers do give extension profiles that are designed to boost the general width of your shower enclosure by 20-30mm. It is not, on the other hand, probable to cut down the width of a common shower enclosure and a produced to measure solution will be essential. As you will see, a handful of straightforward measurements taken meticulously is all we have to have to generate a bespoke shower enclosure to suit most awkward spaces.

Bathrooms

Just about every piece of glass we supply is cut and toughened right here in the North of England to obtain security glass EN12150 business requirements. MERLYN presented a

resolution from survey to measurement, design to supply, with typical and bespoke fitting solutions and an exemplary just after sales service. Not only do they handle splashback and retain your bathroom in ideal situation, our shower screens also present multi-objective functions which expertly enhance your décor. Adapting every single of our solutions to meet the needs of all consumers, if you have a specific pattern or person style in thoughts, we can organise this for you.

We offer grey or brown tinted glass in 6mm and 10mm thicknesses. Helpful staff and excellent operate. They replaced my glass front a treat. 100% great. My god to shop for all sorts of glass. Very valuable employees. The individuals at Stevenage Glass could not have been additional useful when I bought glass from them.

They had been efficient, courteous and completely client centred in a way that is quite rare these days. It was the focus on total buyer satisfaction that I was extremely impressed with. Delighted with the whole "Showerpower" experience, it has been dealt with the utmost professionalism throughout.
