

# Troop 57 Mtn Bike Ride #4

March 5, 2016

Please join us for our fourth mountain bike ride, a 5 mile loop through forest terrain in what is considered one of the Bay Area's best mountain biking spots (Skeggs Point, near skyline).

We will meet at the Scout House at 8:30 AM, then head up to skyline for a 45 minute drive to the start. There will be some climbing but lots of downhill single track trail riding. We expect to ride about 2.5 hours. We will then head back to Palo Alto where PIZZA WILL BE WAITING FOR LUNCH and Mr. Thomas will give a hands-on tutorial on bike maintenance and especially on the skills required for the merit badge. Scouts can join this ride even if they have not attended any of the previous ones.

Adults please note on the sign up how many bikes and scouts you are able to drive. We aim to finish the ride and maintenance class by 1:30.

Bring: Helmet, water bottle, spare tube and layers
