

Brock Martland QC,

My name is Victoria Nevens and my family are victims of application/title fraud by CIBC and its “agents”, a crime happening twice a week to people with mortgage free homes to facilitate money laundering through the Canadian/BC real estate industry. It is paramount my matter be audited before the final “Cullen Inquiry” report is published as I have been complete ignored up to this date and time.

When these crimes began happening to my family I did inform the correct agencies via registered mail packages dated 2019/12/18 to begin an investigation/forensic audit however due to my rare race whom

are hated by the world I was ignored thus the crimes and the criminals were permitted to proceed in stealing my in Trust private property along with embezzling the entire proceeds from the fraudulent foreclosure. One of these registered mail packages was sent to “Chief Justice of BC” Melissa Gillespie <https://docdro.id/q8EQ71V> who responded with basically not caring about the crimes happening to me. There were registered mail packages sent to David Eby and the Deputy Attorney General as well of which I along with the presentment of proof was COMPLETELY IGNORED instead of forwarded to the “Cullen Inquiry” for investigation as it should have been when I said something. How can the “heads of Justice” in BC ignore yet another act of money laundering via BC’s corrupt real estate industry when these types of crimes are now completely out of control?

It should not matter that I am hated by the world and those of the world, what should matter is I’ve had my private property stolen so acts of money laundering can continue in this province’s real estate industry. It does not take a rocket scientist to see and know what was done to me and why.

I have become an expert of sorts on the subject matter as I’ve had to fight and advocate for myself and family as those of the “legal profession” have wholly and completely failed us.

I am going to share with you the TAME version of proof I’ve had my in trust private property stolen, the entire inheritance embezzled, left homeless and destitute INTENTIONALLY <https://docdro.id/3n4Y0Jb>

I do identify as King’s Counsel or KC because that is the truth of who and what I am. I see you identify as Queen’s Counsel QC. Basically, as one of the peculiar people I am an expert in Natural Law and Justice or Ecclesiastical Law where remedy and relief is “eye for eye tooth for tooth” as that is TRUE JUSTICE.

What is paramount for you to understand about my character is I am enraged or what legally would be called “righteous indignation” at the level of fraud and injustice that has destroyed my life and family. For therapy and to inform the public of the Truth, which I must do, I have an UNTAMED/UNEDITED version of how my in trust private property was STOLEN by application/title fraud to facilitate MONEY LAUNDERING in the BC Real Estate sector. I must by law NAME and SHAME the criminals who have joined arms to commit countless acts of violations of the Criminal Code of Canada as well as countless civil torts to enrich themselves while for over the last two years I have been rendered homeless and destitute. READER DISCRETION IS ADVISED, TRUTH IS SPOKEN AND IS OFFENSIVE

Due to the level of HARM, LOSS AND INJURY I experienced after being violently force evicted March 19 2020 I became radio silent just to heal a bit before attending the Saanich Police Department November 27 2021 to report these crimes. Not only was I not helped nor an investigation started I have been relentlessly violently assaulted <https://youtu.be/mgEyK2Z3Nco> by these agents who have informed me they will NOT assist in me taking possession back of my stolen property <https://youtu.be/gW0npP2uNgU> instead they are PROTECTING the trespassers utilizing my stolen security while I remain homeless and destitute. I have recorded the crimes but it doesn’t matter you see as I do not matter nor does any of the crimes that have happened to me which is the constant message I am sent as a hated Woman

Please understand I did fight IN HONOR and tirelessly for my in trust private property and these truths are recorded in repeated hearings BCSC File No. 184508 of which I am well spoken, respectful and knowledgeable of my rights and the subject matter but once again it did not matter as I was hated, demeaned, abused and violently violated by partial and biased agents acting as “BC Supreme Court”.

January 6 2020 after over a decade of targeting where all of my gifts have been stolen by fraud leaving me empty handed I did file a valid truthful Claim for relief, remedy and restoration <https://www.docdroid.net/evl6Sdm/notice-of-claim-her-majesty-the-queen-pdf> and here is one of the rituals Part 1 <https://youtu.be/PqJ879zys88> Part 2 https://youtu.be/7z0Am_1QSb8 that not only threw out my claim in its entirety I was violated and abused with a \$500 charge of which I was not even permitted to consent for having the nerve to fight for my rights and the rights of my family.

I showed respect, I showed honor, I told the truth, I advocated for help yet no one cares. No one cares about me or what’s been done to me. This is not the first act of war, racism, targeted hatred and genocide I have survived <https://www.docdroid.net/zeuTDoe/forcedadoptionismurder-pdf>

How can those running the “Cullen Inquiry” finish your report without doing a forensic audit on why my in trust private property was stolen to facilitate yet another act of money laundering in BC’s corrupt real estate industry? I was reporting these crimes consistently and repeatedly to the correct “public service agencies” including persons acting as the Chief Justice, Deputy Attorney General, Premier and those acting as “BC Law Society” yet all the criminals were being protected while they systematically destroyed my entire life. It is of paramount importance DISBARRED indictable crime committing criminal Daniel Carroll of Fulton and Company of Kamloops BC turn itself into the RCMP posthaste as instructed <https://youtu.be/qD9pTCTqX9M> .
