Lots of emotional abuse. Verbal insults, threats, blackmail, involving the kids in their conflict, stalking and cyber-bullying his new girlfriend, refusing to respect boundaries around communication. It's pretty thoroughly documented.

Oh dear. Word tonite is that the girlfriend shoved one of Ioan's children down a flight of stairs in their apartment.

You're gonna look like a real schmuck once the truth comes out. A good bunch of us know what's really happening

Bianca Wallace abuses children. I am now convinced of this. Contact me if you know more.

I am being sent a police record in the next few days. Apparently there is a recording also.

Since you 'know' he pays for everything. (Which is very much not what I've heard.)

Here we have it. The "incident" involved Bianca Wallace repeatedly slamming Ella Evans' head and arm in the doorway Ella was trying to flee through. The police are involved. So Bianca is essentially a child basher.

COUNTY OF LOS ANGELES-SHERIFF'S DEPARTMENT-SUPPLEMENTARY REPORT

DATE: January 10, 2023
ACTION: ACTIVE / ADDITIONAL
-Investigation
CLASSIFICATION: Restraining Order Violation 273.6(a)PC / M / 399
VICTIM(s): -Gruffudd, Ioan MW/10-06-1973, [REDACTED]
SUSPECT(s): Evans, Alice Jane FW/08-02-1968, [REDACTED] West Hollywood CA 90046

I (Detective Morales) am a detective assigned to West Hollywood Sheriff's Station. I am assigned to investigate crimes which occur within our jurisdiction.

On 12-08-2022, I was assigned to investigate this restraining order violation report authored by Deputy Montoya #613779. Victim Gruffudd stated the suspect is his wife who he has been separated from for three years. Victim Gruffudd and his current girlfriend, (Victim Bianca Wallace) have a protective order in which the suspect is the restrained person. On 12-02-2022, the suspect violated the restraining order by contacting the victim via email. I confirmed the suspect was served with the restraining order on 08-03-2022. (Court Case Number 21STFL02019). The restraining order clearly stated the suspect must not have any type of contact, directly or indirectly, by any means, including by telephone, mail, email, or other electronic means (including social media accounts).

I reviewed the emails which were sent by the suspect. On the first email, sent on Friday, December 2, 2022 10:38 AM, the suspect is emailing Janice Ruiz (jruiz@risk-strategies.com), who is a representative from, the suspects insurance company, Dewitt Stern of California Insurance Services. The email is regarding the impending cancellation of the suspects auto insurance. The victims email address, labeled as "Cogs" [REDACTED] appears on the "CC;" section of the email heading. The email says the following:

Janice,

I thought he paid this? I was told by my lawyer that he had paid it. Can you check? I am unable to pay it as I don't have access to \$500. All my bills are being paid for by friends and other Moms and my kids' school.

Please can you verify - this is very scary.

Alice Evans

Janice Ruiz responded to the email on 12-02-2022 at 1040 am, "We checked this morning and payment has not been made".

At 1043 am, the suspect responded,

Poor Ella is a sweet 13yo who shouldn't be involved in this. Who until 3 years ago had a happy family; thought her father was a good man.

To blame the victim here is disgraceful

You have no idea who this is, just as the people you target have no idea you are.

Problem is that now.. you're defending a real life child abuser. Kids talk. And they will at the trial. They'll tell you exactly who abused them. And who didn't.

How do you know the overnight was Alice's idea? They themselves accuse her of PREVENTING him from seeing the kids.

Psych evaluations? WHY? Because they hate their Dad?

When this is done I hope you get a defamation suit.

Just based on the sheer amount of texts, 'evidence', tweets he drags up every time he makes a declaration.

It's very clear he hates his wife more than he loves his kids!

Alvinghoff's wife was "traumatized" by his ex-wife's affair.
That was after he traveled the world for years while she brought up the kids, then had an affair and came home one day and told her for the 20 year relationship was over.

You can't live your life in pain. Even if it means dumping your entire family and faking them to court.

It's not the child's problem. The adults who are raising her should make every effort to shield her from the pain of their divorce. She's too young to understand the complexities of a failed marriage. She should be free to live her life doing what happy 13 year olds do.

Not even slightly. For him it's all about smearing his ex-wife in order to please the gf. it's also a legal tactic to avoid paying Spousal or Child Support.

If you love your kids wouldn't you want to contribute even a small amount to their financial upkeep?

The theory is that you try not to 'expose' the other partner in public court documents, as your words will come back to bite you. Most lawyers don't encourage it. (in fact you rarely see it with other celebrities)

But why AE specifically has not done it I don't know.

no that would be silly, not everything is karma, sometimes things happen to people who haven't done anything wrong.

but if you have kids yourself, for example, then wishing that another woman's children be taken away from her feels very bold.

Children should not be burdened with adult decisions, such as where to live or who to love. They should be listened to, but not made to feel responsible for the outcome. This is precisely why the courts should decide.

Ell @Ell62528288 · 9h

Then leave him alone, let your children have therapy so they can have a father in their life. You have done enough damage, it is time go let him go and move on.

Tameekimoo @tameekimoo · 9h

I have nothing to do with this. (again)

But Alice? What exactly is she doing? Except paying for everything for the girls, giving up everything for the girls and being the girls' only parent?

Ell @Ell62528288 · 9h

Ioan is fighting in court to be able to be a father to his children, Alice does not have to do it alone, she is choosing to do it alone. A normal person would see that and want the best for their kids, which is to have a mother and father who are able to co-parent peacefully.

Tameekimoo

@tameekimoo

We don't know the details, let's not jump to conclusions.

But when we ask to see them.....

I agree. Telling a child their other parent has left *them* is appalling. Thankfully FC judges are wise to this kind of abuse. It is one of the markers for parental alienation/ coercive control of a child. This case seems to have many of the markers.
