

Year	Region	Division	Project Topic	Clinic
2012	Rural	MH	Increasing the number of flu vaccinations during flu season.	Medicine Hat
2012	Urban	South	Motivating patients to quit smoking	Black Diamond
2012	Rural	MH	Improving the rate of childhood immunization in Bow Island, according to the Alberta Pediatric immunization schedule.	Bow Island
2012	Urban	NW	Increasing discussions on cervical cancer screening at Bowmont Clinic.	Bowmont Clinic
2012	Urban	South	Increasing the number of patients with complete prenatal investigations.	Circle Medical at Copperfield
2012	Urban	NW	Improving the rejection rate of referrals	Crowfoot Village Family Practice (CVFP)
2012	Urban	NW	Improving the continuity of care between residents, so patients see the same resident when they visit CTC.	CTC
2012	Urban	NW	Reducing contamination of the examination table/drawer with non-sterile equipment during speculum exams.	CTC
2012	Urban	NW	Reducing label leaving incidents at CTC.	CTC
2012	Urban	NE	Streamlining the "Meet and Greet" by including standardized prompts in the EMR.	Family Care Centre
2012	Urban	NE	Improving the rate at which clinical staff access the clinic's EpiPen, and knowledge of the EpiPen.	Lynwood Clinic
2012	Rural	MH	"How do we identify and contact patients 50 years and older who have not been to the physician in 5 years, and book them for a physical assessment and routine screening recommendations?"	Medicine Hat
2012	Rural	MH	This QI project aims to improve residents' ability to get the right investigation requisition, without input from the MOA, in 1 minute, 95% of the time, within 1 week of starting at the Bassano clinic.	Medicine Hat
2012	Urban	South	Reducing the "events per month" occurrence rate of unsigned documents in the Resident Clinic inbox.	South Calgary
2012	Urban	South	Improving the accuracy of initial blood pressure measurements taken by nursing staff in 90% of the patients that present to the South Health Campus Family Medicine clinics.	South Health Campus
2012	Urban	South	Decreasing the length of meet and greet appointments to under 20 minutes in length at the South Health Campus.	South Health Campus
2012	Rural	LETH	Improving the past medical histories of 95% of patients presenting for annual physical exams at the South Shore Medical Clinic in Brooks, AB in 12 months.	South Shore Medical Clinic in Brooks
2012	Rural	LETH	Reducing the average number of phone calls required per patient by clinic reception staff to contact patients with abnormal test results by 50%.	Stettler Medical Clinic

2012	Urban	NE	Increasing patients' satisfaction with their personalized health management plans.	Sunridge
2012	Urban	NE	Improving the efficiency of diagnostic imaging requisitions.	Sunridge
2012	Urban	NE	Improving patient flow at the Sunridge clinic by looking at, among other things, patient arrival and wait times.	Sunridge
2012	Urban	NE	Improving the inclusion of cerebrovascular disease (CVD) screening in patients' periodic health exams.	Sunridge
2012	Urban	NE	This QI project aims to standardize identifiers documented in the Alex Clinic's Wolf EMR.	The Alex Clinic
2012	Rural	MH	Improving the accuracy of medication lists by 90%.	MH
2012	Rural	LETH	This QI project aims to increase the number of colon cancer screenings offered to qualifying patients.	Lethbridge
2012	Rural	MH	This QI project aims to increase office efficiency by ensuring that physicians know which office their patients are in.	MH
2012	Rural	LETH	This QI project aims to establish total compliance by physicians for recording blood pressures in the EMR for at risk patients over the next 6 months.	Lethbridge
2012	Rural	LETH	The aim of this QI project is to judiciously select appropriate patients for hypertension screening. By February 2013, at each office visit, the MOA will be identifying and screening 100% of patients who are appropriate for blood pressure screening.	Lethbridge
2012	Rural	LETH	Within one year, 95% of patients at the clinic will have accurate medications and dosages recorded in their EMR.	Lethbridge
2013	Rural	Lethbridge	Improving HbA1C follow-up intervals in diabetic patients	Raymond Clinic
2013	Rural	Medicine Hat	Improving cervical cancer screening	South Shore Medical Clinic
2013	Rural	Medicine Hat	Organizing patient charts	Bassano Health Centre
2013	Rural	Lethbridge	Improving EMR patient profile completeness	Drumheller Medical Clinic
2013	Rural	Lethbridge	Verifying LPN warfarin adjustments in clinical practice	Legacy Medical Clinic
2013	Rural	Medicine Hat	Improving the completeness of patients' pre- physical bloodwork	Southlands Medical Clinic
2013	Rural	Lethbridge	Using medication lists to improve medication history taking in the emergency department	Claresholm Medical Clinic and Emergency Department
2013	Rural	Lethbridge	Improving screening for hepatocellular carcinoma in patients with Hepatitis B, Hep C, or cirrhosis	Lethbridgebridge Family Medicine Clinic
2013	Rural	Medicine Hat	Updating patients' medication lists	Bow Island Medical Clinic
2013	Rural	Medicine Hat	Improving the consistency of blood pressure measurements for patients diagnosed with hypertension.	South Shore Medical Clinic
2013	Rural	Lethbridge	Improving appointment booking.	Chinook Pediatric Clinic
2013	Rural	Medicine Hat	Connecting patients with a primary family physician.	Viking Medical Centre

2013	Urban	NW	Updating patients' medical and family histories	Bowmont Medical Clinic
2013	Urban	NE	Increasing the accuracy of patients' medication lists	The Associate Medical Clinic in Airdrie
2013	Urban	South	Improvement in the rate of tobacco cessation	SHTC
2013	Urban	South	Increasing prenatal EMR practices counselling.	SHTC
2013	Urban	NW	Increasing patient knowledge of the Zostavax vaccine.	The Crowfoot Village Family Practice (CVFP)
2013	Urban	NW	Improving acquisition of height and weight measurements	CTC
2013	Urban	South	Screening for COPD	Bonaventure Medical Clinic
2013	Urban	South	Tracking paper lab requisition sheets in clinic	SHTC
2013	Urban	NW	Increasing the use of the PEDS (Parent's Evaluation of Developmental Status) tool	CTC
2013	Urban	South	Improving the consistency of vital sign measurements	SHTC
2013	Urban	South	Increasing patient awareness of advanced care planning and goals of care designation	Black Diamond Clinic
2013	Urban	South	Implementing the use of follow-up slips in helping patients book follow-up appointments	SHTC
2013	Urban	South	Reducing inappropriate callback of patients for PAP smears	South Calgary Primary Care Network
2013	Urban	South	Improving cytopathology results using an educational intervention	Salveo Clinic
2013	Urban	NW	Increase fall prevention screening in patients 65 and older	CTC
2013	Urban	NE	Improving resident preparation and learning at the lactation half day	The Alex Family Clinic
2013	Urban	NE	Updating patients' medication lists	SMTC
2013	Urban	South	Implementing regular depression screening	Black Diamond Clinic
2013	Urban	South	Implementing a system to help physicians and allied health professionals remember which room patients are in.	SHTC
2013	Urban	NW	Improving patient knowledge of personal family physician availability	Medical Express
2013	Urban	NE	Updating patients' medication lists	SMTC
2013	Urban	NW	Improving patient knowledge of when their doctor's appointment is over.	CTC
2013	Urban	NE	Increasing patient satisfaction with wait times	SMTC
2013	Urban	South	Implementing measures in the assessment of anxiety and depression.	Heritage Pointe Family Medicine Practice
2013	Urban	NE	Improving diagnosis of obesity in family practice	SMTC
2013	Urban	NW	Increasing the frequency of waist circumference measurements in periodic health examinations	CTC

2013	Urban	South	Improving prenatal referral follow-up	Circle Medical Clinic
2013	Urban	South	Updating patients' contact information	SHTC
2013	Urban	NW	Improving medication renewal requests	CTC
2013	Urban	NE	Increase PHQ-9 use in clinic	Doctor's Plus Medical Centre
2013	Urban	South	Increasing the use of the hospitalists' sign-over system	Foothills Medical Clinic Hospitalist Program
2014	Urban	NE	Engaging male patients in HPV vaccination discussion	Airdrie Doctors Plus Clinic
2014	Urban	NE	Improving cervical cancer screening via telephone	Associate Medical Clinic in Airdrie
2014	Rural	LETH	Improving medication list accuracy	Bigelow Fowler Clinic South
2014	Urban	South	Encouraging patients to complete FIT Tests through the use of reminders.	Black Diamond
2014	Urban	South	Improving Advance Care Planning Documentation.	Black Diamond
2014	Urban	South	Improving guideline adherence in pap tests.	Black Diamond
2014	Rural	MH	Increasing FIT screening in a patient population.	Bow Island Primary Care Network
2014	Urban	NW	Updating patients' smoking history	Bowmont Medical Clinic
2014	Rural	MH	Screening for adolescent tobacco use.	Brooks South Shore Clinic
2014	Rural	LETH	Noting hypertension in EMR problem lists	Campbell Clinic West
2014	Urban	South	Simplifying specialist referrals by using e-mail to communicate appointment information to patients.	Circle Medical Clinic
2014	Urban	NW	Increasing the use of goals of care designations in a family care practice	Crowfoot Village Family Practice
2014	Urban	NW	Increasing metformin use in patients with Type 2 diabetes mellitus	Crowfoot Village Family Practice
2014	Urban	NW	Promoting literacy in early childhood	CTC
2014	Urban	NW	Increasing FIT screening in a patient population.	CTC
2014	Urban	NW	Improving physical exam quality for patients presenting to the primary care office with knee complaints	CTC
2014	Urban	NW	Improving fever documentation at CTC	CTC
2014	Urban	NW	Increasing the role of the primary care providers in weight management	CTC
2014	Urban	NW	Increasing the accuracy of medication lists	CTC
2014	Rural	LETH	Improving the management of common medical diagnoses	Family Medicine Continuity Clinic: Family Medical Centre
2014	Rural	MH	Improving hand hygiene in the outpatient setting	Health Matters Clinic
2014	Rural	LETH	Promoting routine pap tests - follow-up dates	Legacy Medical Clinic
2014	Urban	NW	Endorsing the routine use of the Framingham Risk Score during preventative health visits	Medical Express - downtown Calgary

2014	Urban	NW	Improving first trimester screening in prenatal care	Medical Express - downtown Calgary
2014	Urban	NW	Incorporating VBAC information handouts, checklists, and consent forms into family medicine low-risk obstetrical clinics	Northwest Maternity Clinic - Riley Park
2014	Urban	South	Implementing an Anaphylaxis Protocol: Outpatient management of the anaphylactic patient	SHTC
2014	Urban	South	Promoting cost effective evidence based prescribing	SHTC
2014	Urban	South	Improving the accuracy of patients' cervical cancer screening records at SHTC	SHTC
2014	Urban	South	Easing patient transfer from the family medicine clinic to the emergency department	SHTC
2014	Urban	South	Increasing GAD-7 anxiety assessment in clinical practice	SHTC
2014	Urban	NE	Improving utilization of complex care plan	SMTC
2014	Urban	NE	Implementation of revised cervical cancer screening recommendations from the CTFPHC	SMTC
2014	Urban	NE	Improving fall screening rate in patients over 65 years of age	SMTC
2014	Urban	NE	Increasing the frequency of nutrition discussions during periodic health assessments.	SMTC
2014	Urban	NE	Using FINDRISC to improve diabetes screening	SMTC
2014	Urban	NE	Screening for chronic kidney disease in patients with diabetes	SMTC
2014	Urban	NE	Increasing smoking assessment in primary care	SMTC
2014	Urban	NE	Updating patient profiles in the EMR	SMTC
2014	Urban	South	Promoting the use of opioid contracts to improve patient outcomes	South Calgary Medical Clinic
2014	Urban	South	Reducing unnecessary antibiotic prescriptions through patient education on antibiotic stewardship	South Calgary Medical Clinic
2014	Urban	South	Improving medical literacy and medication adherence	South Calgary Primary Care Network
2014	Urban	NE	Advance Care Directives: Health Proxy	The Alex
2014	Rural	MH	Improving transfer of hospital discharge information to primary care providers	The Southlands Medical Clinic
2014	Rural	LETH	"I have breast cancer - Now what?" Implementing a patient navigational tool on what to expect during breast cancer treatment	Breast Health Program Clinic in the Chinook Regional Hospital
2014	Urban	NW	Improving emergency practices and awareness at CTC	CTC
2014	Urban	South	Reducing billing errors at SHTC.	SHTC
2014	Urban	South	Increasing advance care planning	SHTC
2015	Urban	NE	Improving Diabetes Mellitus screening at discussions at SHTC the Airdrie Associates Medical Clinic.	Airdrie Associates Medical Clinic Clinic

2015	Urban	NE	Improving the rate of BMD scans in eligible male patients	Airdrie Doctors Plus
2015	Urban	NE	Improving Screening Rates for Patients with OA	ALEX
2015	Urban	S	Improving the clinic's comfort to responding to a code for serious patients.	BD
2015	Urban	S	Improving patients' ability to identify resident physicians versus preceptors.	BD
2015	Urban	S	Educating the Black Diamond Clinic on confidentiality and disclosure.	BD
2015	Urban	S	Improving patients' understanding of their cardiovascular risks by implementing a visual tool into the Black Diamond Clinic practice.	BD
2015	Urban	S	Improving resident knowledge of rapid sequence intubation.	BD
2015	Urban	NW	Increasing how often adolescents have their blood pressure taken at Bowmont Medical Clinic.	BWT
2015	Urban	S	Updating patients' smoking statuses in the clinic's EMR.	CIR
2015	Urban	NW	Implementing a guideline that outlines how to decide which vital signs to measure based on patient characteristics and presenting problems.	CTC
2015	Urban	NW	Improving stethoscope hygiene in the clinic	CTC
2015	Urban	NW	Increasing awareness of COPD and Asthma	CTC
2015	Urban	NW	Updating medication lists education tools at the CTC.	CTC
2015	Urban	NW	Assessing patients' understanding of Goals of Care Designation.	CTC
2015	Urban	NW	Improving residents' knowledge on skin cancer screening at CTC.	CTC
2015	Urban	NW	Increasing the use of a standard smoking status in the EMR.	CTC
2015	Urban	NW	Establishing the feasibility, affordability, and need for vaginal pessary fitting at CTC.	CTC
2015	Urban	NW	Improving physicians' management of COPD patients at CVFP.	CVFP
2015	Urban	NW	Improving CVFP's management of Type-1 diabetics.	CVFP
2015	Urban	NW	Reducing the use of PPIs at a long-term care facility.	MEDEX
2015	Urban	S	Improving a clinic's referall follow-up.	MVMC
2015	Urban	S	Improving a walk-in clinic's understanding of its patients: do they have regular family physicians? What part of the Calgary are these patients visiting from?	SCMC
2015	Urban	NE	Improving coding and billing compliance at all 3 microsystems.	SFMTc
2015	Urban	NE	Standardizing imaging practices for Low Back Pain at SFMTc.	SFMTc
2015	Urban	NE	Improving the quality of referral letters at SFMTc.	SFMTc
2015	Urban	NE	Increasing narcotic contract prevalence at SFMTc.	SFMTc

2015	Urban	NE	Increasing ACP discussions for patients 65 yrs and older with cognitive impairment	SFMTC
2015	Urban	NE	Increasing the use of patient-driven agenda setting	SFMTC
2015	Urban	NE	Improving the identification of patients with sleep disorders at SFMTC.	SFMTC
2015	Urban	S	Improving resident knowledge of the asthma action plan.	SHC
2015	Urban	S	Increasing SHC's use of the the AccuMed medication reconciliation feature of the Med Access EMR.	SHC
2015	Urban	S	Decreasing patient wait times at South Health Campus, Microsystem D	SHC
2015	Rural	Rural-Leth	Identifying cognitively impaired drivers who are unsafe-to-drive	Leth
2015	Rural	Rural-Leth	Improving Obesity Assessment at Family Medical Centre	Raymond Medical Clinic
2015	Rural	Rural-Leth	Resident Introduction and patient confidence	Legacy Medical Clinic
2015	Rural	Rural-Leth	Updating patient medical profile in the EMR	Bow Island Medical Clinic
