Product Description

Care for a taste of nostalgia? We've taken everything you love about a classic peanut butter cookie and kicked things up a notch.

Our Peanut Butter CBD Cookie is made with creamy peanut butter, packed with chunks of roasted peanuts, and infused with an even 1:1 ratio of premium CBD and THC distillate.

The result?

A soft and chewy medicated treat that allows you to experience feelings of euphoria from the THC with an added dimension of calmness and stability from the CBD.

Product Description
