The RiverBath by Kohler embraces you with the nurturing flow of river currents and soft color hues all in the comfort of your [Kohler bathroom](#). A natural aquatic experience is yours with the RiverBath. It offers the sounds of a waterfall, a tranquil brook, or the rush of rapids. It also provides mood-enhancing color light therapy. The massage treatment offers added comfort, and the tub accommodates multiple bathers.

Since the beginning of time, the rhythm of water has enchanted us – the hypnotic cascade of a waterfall, a tranquil babbling brook, the exhilarating rush of rapids. Kohler brings it home with their RiverBath whirlpools. This bathtub is the ultimate in the hydro-massage experience, with four distinct options to choose from; with just the touch of a button, Whirlpool creates a swirling massage, Rapids provide a rolling surface current to relax, Whitewater a raging rush of water to stimulate the senses and Waterfall provides a revitalizing neck and shoulder massage. The supplementary Chroma therapy feature, complements the existing whirlpool functions for a unique bathing experience, as an enchanting sequence of colors gently washes over you, to create a soothing or stimulating sensation.

Reds, oranges, and yellows boost circulation and stimulate the senses; whereas blues, greens, and pinks will relax and restore the mind and body. Kohler's RiverBath is available in a choice of round and rectangle design.
