Gardiner Resigns As Executive Director Of The Kennedy Center

In a letter to James J. Cushman, President of the Kennedy Center Board of Directors, John T. Gardiner announced his resignation as Executive Director of the Kennedy Center effective September 30, 1982. Gardiner has accepted a position as Area Director of the State Department of Social Services.

The letter to Cushman, made available to *The Patriot*, read as follows:

TO: James J. Cushman, President
Kennedy Center Board of Directors

FROM: John T. Gardiner, Executive Director

I have been offered a position as Area Director for the State's Department of Social Services; and after much thought, I have decided to accept this position and hereby submit my resignation as Executive Director of the Kennedy Center effective September 30, 1982.

The past sixteen years working for the Center, especially the last ten and a half as Executive Director, have been most rewarding for me; and I am proud of the record of

achievement that productive Board members like you and I were able to accomplish together. Those members who were helpful and supportive of me and the staff in our efforts to help the people of Charlestown will forever be in my memory and have earned my gratitude and respect. In addition, your help and assistance as President, as well as that of Jean Babcock, Moe Gillen, Joe Owens, and Matty O'Neil, is greatly appreciated.

While I look forward to the challenges of this new position, a part of me will always be with the good people of Charlestown; and I stand ready to assist you in anyway that I can.

WHY IS IT THAT A HOUSE DOESN'T SELL?

Is it because

- a) Interest rates are too high?
- b) There are no buyers around?
- c) The house is over-priced?

Rates have dropped quite a bit in recent weeks, but they are still prohibitively high for many serious buyers. Gibson Associates can show you a variety of ways that affordable financing can be arranged. High interest rates certainly don't help, but that alone doesn't keep a house from selling.

There are serious buyers around. So far this year we've sold over \$2,000,000 (completed sales, pending contracts) of Charlestown homes. We'd be happier if there were more buyers around, but that's not the reason a house doesn't sell.

Over-pricing is the culprit. With buyers shopping and comparing many houses before they make an offer, an overpriced house is the last to be considered. The first service Gibson Associates will provide you is up-to-date information on what homes similar to yours are selling for so that you can make an informed decision in pricing your home for sale.

The right price will get your home sale off to a good start. We'll be glad to handle your home sale from start to closing.

Gardiner Resigns

(continued from page 1)

Gardiner has also resigned as Executive Manager of the Charlestown Economic Development Corporation, which was responsible for the construction of the Mary Colbert Apartments.

Board President Cushman has stated that there will be no interruption of services provided by the Kennedy Center with the resignation of Gardiner. He stated that applications are now being accepted for the position of Executive Director. Deadline for submission of applications is Wednesday, September 29, 1982 at 4:00 p.m. (See advertisement on page 10).

Cushman said that there are no plans to appoint an Interim Director and he hopes that the application and selection process will "move forward rapidly." He stated that based on past practices he, as President of the Board, will appoint a Screening Committee to review applications (which he expects to number in the hundreds), interview applicants, and narrow the field to three or five for final consideration by the full Board of Directors of the Kennedy Center, probably at a special Board Meeting.

The regularly scheduled Board Meeting is slated for Monday, September 27th.

Cushman said that he was aware of the fact that Gardiner had applied for a position with the State for about a month but could not go forward with securing a replacement for Gardiner until Gardiner's position had been confirmed and a letter of resignation had been submitted to Cushman as President of the Board.

"I feel Ijusplanowinner is the best distance dog in the country," D.Q. Williams commented. "There isn't a dog in the country who can run three distances as well as my dog."

The best-of-three match race challenge has three options: contested over the

3/8ths-mile course, 7/16ths-mile course, or one race each at 5/16ths-mile, 3/8ths-mile and 7/16ths-mile.

"We feel, as D.Q. Williams, that Ijusplanowinner is the premier distance dog in the nation," Wonderland's racing secretary Ron Wohlen noted. "He is a strong candidate for All-American honors and the Flashy Sir Award, as the best distance dog in the country this year, and this is one way to prove it. We want to offer our fans something different."

If the challenge is accepted by another track,

both tracks and owners will put up \$5000 each for a \$20,000 pot. If the offer is met by an individual owner, he and Williams will put up \$5000 each, and Wonderland will host the entire series and add \$10,000. Wonderland reserves the right to accept the best offer for the one series.

Ijusplanowinner has earned more than \$112,000 in purse earnings this season, one of four records he's set in 1982 at the Revere oval. His other records are most wins in a single season (30), most consecutive 7/16ths victories (10), and most 7/16ths triumphs in one season (18).

Considine On Hockey Night Team

During the month of August, a competitive Hockey Camp was held, sponsored by Hockey Night in Boston at the Stoneham Skating Rink. Young hockey players came from as far away as Pennsylvania, Maine, New Hampshire, Rhode Island and all over Massachusetts.

The competition drew 700 young men. There were two tryouts and from those tryouts J.P. Gillen and Billy Nolan of Charlestown made the individual teams. Four other "Townie" hockey players made the Greater Boston Team. They were Dan Considine, Dan Campbell, John Fidler, and Jimmy Vessey.

Dan Considine, whose name was inadvertently

omitted from the story in last week's Patriot on these outstanding young hockey players, is a senior at Charlestown High School where he was elected Captain of both the football and hockey teams for 1982-83.

Considine played forward on the Greater Boston Team and also filled in defense when the team was short-handed.

Considine is noted for his strong skating and hard shooting.

Dan was the only Junior on the 1981-82 All Boston Football Team. He also made the City Team in hockey.

The University of Minnesota is interested in Dan and they will be meeting with him in the near future.

Swim Team Tryouts

Beginning Monday, September 20, 1982, the Townies Swim Team will be holding tryouts at the Charlestown High and Community School Swimming Pool located at the Quinn Athletic Facility on Medford Street.

Tryouts for children ages 6 to 12 years old will be from 6:00 to 6:45 p.m. and ages 13 to 18 years old

tryouts will be held from 6:45 to 7:00 p.m. Bring a bathing suit, towel and a lock for your locker.

Tryouts will end October 1st, 1982. Inquiries can be made in person beginning Monday, September 20, 1982 at the pool. The team is co-ed, boys and girls. All team members must be a member of the Community School Program.

Pop Warner Corner

The Pop Warner D Team played its first game of the year on Sunday and lost to a good Everett Gray team 19-0. The kids tried hard in a losing cause and in 90 degree weather.

The teams will play at the High School Field this Sunday, September 19th. The B Team game will begin at 9:00 a.m., the D Team game at 11:00 a.m., the C Team game at 12:30 p.m. and the A Team game around 2:00 p.m. Come on down and cheer the kids on.

The weigh-in will be at noon, Saturday, September 18th, at Medford High School in Medford. You must be at the weigh-in or you cannot play for the season.

We could use some help with the concession stand and in marking the field. If you would like to help, come down early Sunday morning, around 7:00 a.m.

The Teams and cheerleaders will be getting boosters soon. So if you have a chance, pick up a booster and help out Pop Warner Football.

All the rest of the registration money should be turned in by Sunday. So, A team, get on the ball.

If anybody found a red coat at the High School Field, please call 241-9467 as it was a gift from my sister from Idaho.

Thanks

Check your wallet. There may be a fortune in it.

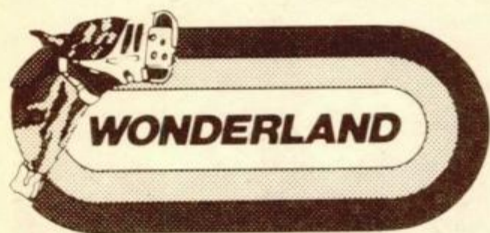

Over \$447,000 in winning Wonderland tickets have yet to be cashed this year - including many worth hundreds or even thousands of dollars each!

And that's a shame... because you can't spend a ticket at the supermarket. (Usually, however, stores will honor cash.)

Remember, winning tickets as much as a year old are still cashable, as well as any for this year. You can redeem them here any night prior to the fifth race.

So check your wallet, your jacket pockets, the stuff buried in the back of the desk drawer... and you could just find yourself a fortune.

And if you don't... well, there's always tonight.

Play the Favorite. 12 races nightly, Monday through Saturday, post time 8 p.m. Glass-enclosed grandstand, climate controlled for your all-weather comfort. For dining room reservations or reserved Clubhouse box seats, call 284-1300. (Dinner is served from 6 p.m. on, and your table - with a great view of the action - is yours for the night.) Free or reserved parking, or take the Blue Line direct to Wonderland, Revere.

Local Youth On Hockey Team

Due to the generosity of the Massport Authority, it was possible to put together a Tournament Team consisting of eleven year olds from East Boston, Chelsea, Charlestown, Saugus, and Revere.

The team played four games between August 25th and September 5th in the Sea Spray Hockey Series, an annual tournament on the South Shore.

Team members included Peter Enos and Derek Gallagher of Charlestown.

The team was coached by John Solomans, Kevin Dunn, and Rolly Flynn III.

The team and the coaching staff would like to express a special thanks to the Massport Authority and Locker Room Sporting Goods of East Boston for their assistance and support in allowing these youths the opportunity to play in such a Tournament.

C.Y.H.A. To Meet

The first monthly meeting of CYHA will be held on Wednesday night, September 29, 1982 at 7:30 p.m. at the Kent Community School (Hayes Square).

The parents and other members are invited to come and discuss the 1982-83 hockey plans. The agenda will be open to general discussion by members on ways to strengthen and improve the hockey program in Charlestown. Volunteers will be welcome to sign up to act as team managers, committee members or other supporters for activities which the Board and the members decide to try.

This is an opportunity for new people to learn about the organization. It is also an opportunity for veteran members to co-operate with the Board of Directors to build a stronger organization.

President Ron Vitale has set as one of his major goals the raising of funds in the community so that the cost of this hockey program can be kept within the reach of those families who want their sons to participate.

C.Y.H.A. News

The 1982-83 hockey season will officially open on Thursday, September 16 as our Squirt "1" Team will play in Danvers at 8:30 p.m. As of this time we do not have enough boys for two Squirt teams. Any boy of the age group 9-10 who wants to play hockey, please call either Lou Marino at 241-9010 or Jim Tucker at 242-3470. Any boy wishing to play in CYHA in any age group, please call Lou Marino at the phone number above.

This year we have six teams entered in the Danvers League and three teams entered in the Beverly League.

Our rink, glad to say, will open on November 15, and we will try to push up this date, if possible. We will keep you informed on this matter.

Don't forget, any boy owing money to CYHA will not be allowed to skate until his financial obligation is settled. Parents, if you have any doubts whatsoever about this matter, please call Bo Whitlock at 242-1225. All the coaches have the names of the boys who owe money.

No team will be allowed to skate unless it has a team manager to control finances.

Finally, we wish that all boys who live in Charlestown will play for Charlestown, but if some parents don't desire this, then we understand.

We wish the boys the best of luck no matter where they play, but we have to protect ourselves and we remind all parents, that the obligation to CYHA during the season is that each player attend one game and one practice per week.

SCHEDULE OF MEETINGS

There will be a Coaches and Board of Directors meeting on Tuesday, September 28, at the Kent School and a General Meeting on September 29, at the Kent School. Both meetings start at 7:30 p.m.

Why Don't They Care?

Dear Disgusted,
You said it! (Charlestown Patriot, September 2) I couldn't agree more about the revolting look of the litter-strewn sidewalks and

streets of historic Charlestown.

But just to condemn the slovenly habits of some people is not enough. Nor is the yearly spring cleanup, regarded with pride by those who take part in it, enough. Is there no way to KEEP our streets and sidewalks clean? How about a concerted effort on the part of homeowners, apartment managers, and storekeepers to be responsible for the cleanliness of their own premises?

There are some things the original townspeople didn't have to cope with: Modern overpackaging of food and the constant snacking on the street - which is here to stay. What's needed, I think, are more vandal-proof trash containers, emptied regularly, and an intensive publicity campaign to point up the virtue of using them.

Also disgusted, but not without hope

Thank You

I'd like to express my sincere thanks to the Clergy of St. Catherine's, my relatives and friends for their visits, flowers, cards, messages of get well and kindness during my recent stay at the hospital. It gave me a great feeling to know how many people cared.

Thank you so much.
Love,
Chickie Donovan

This Sunday, the All-Ireland Football Final will pit Kerry versus Offaly. May the best team win!!

Our brother member, Bobby Garvey, tells me he is taking some flak regarding the sale of the Society's T-Shirts. May I add that the money realized from the sales of the T-Shirts is only to provide funds for next year's Bunker Hill Day Parade Band that we plan to hire, and no way finances any other club or organization. Give Bob a call or meet him any day around the Coffee Shop.

Your membership cards (charter) will be mailed out before the upcoming dance. Thanks for your patience.

Boys And Girls Clubs Reap \$8900 In Pre-Season Games

As the New England Patriots officially kicked-off the 1982 season against the Baltimore Colts on Sunday, they had already garnered \$8,900 for The Boys and Girls Clubs of Boston.

In four pre-season exhibition games the Patriots scored 89 points against rivals. Every time the Patriots score a point it means \$100 for the Boys and Girls Clubs of Boston, a non-profit organization of more than 5,000 youngsters.

Last season, the Patriots tallied 415 points against opponents which meant \$41,500 for The Boys and Girls Clubs of Boston from Frito-Lay, maker of Lay's and Ruffles brand potato

chips and Fritos brand corn chips. This is the seventh year that Frito-Lay has teamed with the Patriots in this worthy community project, according to Phil Thomas, Frito-Lay Division Sales Manager. Over the past six seasons Frito-Lay has contributed \$268,800 to The Boys and Girls Clubs of Boston for the total points scored by the Patriots.

Wayne Calloway, president of Frito-Lay, declared, "We began this program in 1976 in response to a need that the Greater Boston Community had to face.

Charlestown Police Line

From the desk of
Deputy Superintendent Joseph V. Saia Jr.
Commanding Officer District A
Charlestown, East Boston, Downtown

The summer is finally over, whatever there was of one. We made it through without many problems. As you know, all the layed off police officers have been hired back, but those who retired, for whatever reasons, have not been replaced. The Police Commissioner expects to put on a class of 50 or 60 police officers this fall and another class to follow them.

Taking everything into consideration, things have gone well the first seven calendar months of 1982. Part one crimes are down 5.5% in Charlestown over the first seven months of 1982 as compared to those of 1981. (Part one crimes consist of auto thefts, all B&E's, robberies, larcenies, rapes, murder and manslaughter, and aggravated assaults.) This is a significant accomplishment.

Charlestown still has excellent police coverage, that being:

- Days:
- two officers Bunker Hill Project
- two sector cars
- two cycles

- 4:00 P.M. to Midnight:
- two officers Bunker Hill Project
- two or three sector cars
- two cycles
- Midnight to 8:00 A.M.
- two or three sector cars

In addition to the above, there are the detectives in Charlestown and the anti-crime teams when needed.

There have been no incidents when there was not any coverage in Charlestown. I am now going to try to put some walking men in Charlestown. I hope to put officers walking on Bunker Hill Street between Elm and Hayes Square for at least four hours a tour of duty both days and first halves. Also a man walking the Monument area four hours a tour of duty both days and first halves. The reason for this is that this past summer I had two officers on overtime, 6 p.m. to 1 a.m., in those locations, and the residents of the areas were very pleased. The overtime is gone so therefore I hope to keep officers walking the same area on a tour of duty.

One cycle will patrol Bunker Hill Street from Elm to Sullivan Square and the Cambridge Street, Brighton Street and Crescent Street area. The other cycle will patrol the Main Street area. The sector cars will patrol all of Charlestown and perform directed patrols where needed. As priorities change, patrols will change. This coverage should give more visibility to the Charlestown area. There was a rash of housebreaks this past summer in

Charlestown. Because of these breaks I put a number of detectives in Charlestown and two anti-crime teams in order to apprehend those responsible for the breaks. Finally on 7-1-82, Detectives Antonuccio, Thornton, Twohig and Joyce apprehended those responsible for the housebreaks. One Bart Albano was arrested for a housebreak on School Street. As a result of this arrest, property was recovered that was stolen from 18 other housebreaks in Charlestown. All property that was recovered has been identified by the owners. Since the arrest the breaks have stopped.

Several Cadets have been hired by the Boston Police Department from Charlestown. This is going to help us administratively. I have received two cadets days at District A. This means that I can do more things that I have not been able to do in the past. One, in which I truly enjoy, is the weekly column for the *Charlestown Patriot*, I will keep the community informed of all significant happenings in Charlestown.

Now that the summer is over I hope the monthly Police-Community Relations meetings can resume. The dates will be published in the paper. At the first or second meeting I hope to have a demonstration put on by Special Operations. The community will be shown all the special equipment the Police Department has and how it can be used when needed. Also, the officers that work in the Charlestown area will be introduced to the community.

Ann Warren To Be Featured Entertainer At Parish Supper

The Annual Parish Communion Supper of Saint Francis de Sales will take place on Sunday, September 19, 1982. The Parish Mass will take place at 5:00 p.m. followed by the Communion Supper in the Bishop Lawton Hall. A delicious chicken pie dinner by Doyle will be served and Ann Warren will be the featured entertainer for the evening.

Miss Ann Warren has been presenting her program of Comedy Pantomime for the past few years and has been so well received that her audiences have dubbed her a "one-woman show"

Her repertoire runs the gamut of emotion...from raucous old-time ballads, to foot-stompin' rhythms and to modern comedy.

She brings to the fore, laughter, light-heartedness and "originality".

Her program consists of stereo-tape recordings of the great entertainers of today in the T.V. and Recording fields. Variety is the theme!! Her impersonations range from

Liza Minnelli, Barbra Streisand, Jimmy Durante to Carol Channing, Victor Borge, Buddy Hacket, Al Jolson, and many, many, others. With changes and additions to her costume, she easily adapts herself to the personality she is depicting.

Miss Warren has appeared in the better hotels and supper clubs in the Boston area, including a recent appearance at Seacrest in Falmouth, and has enjoyed an expansion of her audience to now include most of Eastern Seaboard.

We promise you a most enjoyable evening with an equally enjoyable entertainer.

Tickets are \$9.00 and can be purchased from Roberta Delaney, Chairperson, at the Rectory, or from "Zeke" Marsden at 242-1102.

Views On Dental Health
by Jeffrey D. Cohen, D.M.D.

CANKER SORES

The canker sore (or aphthous ulcer) is one of the best known and most persistently annoying dental lesions. It is small and whitish and may occur on the gums, cheeks or tongue. It appears singly and in clusters. A blister usually forms first, without notice, then breaks to form an open sore or canker. Then the acute pain begins.

The open canker sore is especially sensitive to touch and to hot or spicy foods. Fortunately, the lifetime of the canker sore normally runs its course in about a week or ten days.

No good treatment is known for its cure at present. There's not much you can do except to make sure you avoid irritating foods. Some people are especially prone to canker sores. They seem to run in families and there may be a connection between canker attacks and emotional stress, though there is still no definite information on the cause of this puzzling disorder.

A dentist can treat canker sores to relieve the pain. However, certain kinds of cankers tend to persist or come back in spite of any treatment now known.

A public service to promote better dental health.
