

May the Road Rise to Meet You D-A-D by Roger McGuinn

(C) Summertime the sun would shine we'd
 (F) lay out in the (C) field
 Sheltered in the shadow of a (G) tree
 We'd (C) write our songs to take along
 And (F) sing out on the (C)road
 And you would always sing this song to (G) me

Autumn (C)leaves would leave the trees,
 (F) To colors on the (C)ground
 Swirling patterns beautiful (G) to see
 I'd (C)lay my head down on your lap
 I (F) would not make a (C)sound
 And you would always sing this song to (G) me

Through (C)winter days all the trees would
 (F) shiver in the (C) wind
 Waiting for the warming touch of (G) spring
 You'd (C)hold me in the firelight
 We'd (F) stare into the (C) flames
 And this is what you always used to (G) sing

F G
 May the road rise to meet you
 C
 May the wind be at your back
 F G C
 May the sun shine down warm upon this land
 F G C F
 May the rain fall soft upon your face until we meet again
