### IMPORTANT

These yarn amounts are based on average requirements and are therefore approximate. Jarol cannot accept responsibility for the finished garment if any yarn other than the recommended yarn is used.

### NOTES

Instructions are given for 16 in or 41 cm, larger sizes in square brackets. Where only one figure is given this applies to all sizes. We suggest that you underline all the figures for the size you require before knitting. Work each section of colour with a separate ball and twist yarns on wrong side when changing colour to avoid a hole.

### TENSION

22 sts and 30 rows to 4 in or 10

cm measured over stst on size 4 mm needles or the size of needles to give correct tension.

It is important to check your tension before commencing the garment, therefore knit a tension square.

If there are less sts or rows to 4 in or 10 cm than stated, change to thinner needles.

If there are more sts or rows to 4 in or 10 cm than stated, change to thicker needles.
