

Church Family,

After careful consideration, based on recommendations from the International Mission Board and Center for Disease Control, along with travel advisories from the U.S. State Department (Please see link below), we are suspending all short term mission trips until further notice, due to COVID-19 (coronavirus). While we remain focused on carrying out our mission to take the gospel to the ends of the earth (Acts 1:8), we want to be wise in protecting the safety and health of our members. We will continue to monitor the situation and update you as needed. Please join us in praying for our church, our country, and those around the world that may be affected by this virus. We also want to specifically pray for our missionaries around the globe.

“For God has not given us a spirit of fear, but of power and of love and of a sound mind.” 2 Timothy 1:7

May God bless you.
