Adam Paige, Dominic Calderon and Jordan Chen. Tamanawis' Miguel Tomley was named the tournament MVP averaging over 40 points per game. Lord Tweedsmuir took 3rd place with a convincing 108-81 victory over the Guildford Park Sabres. Clayton Heights were 4th. 2017 First championship win in 22 years! The Semiahmoo Totems won the RCMP Basketball Championship for the first time since 1995, defeating the Panorama Ridge Thunder 66-63. The Thunder mounted an exciting 4th quarter rally but fell short for the second consecutive year. The Totem's Brian Wallack scored 26 points and was named the tournament's MVP. Tamanawis defeated Lord Tweedsmuir to capture 3rd place.

2016 The Langley Event Centre was the host site for the 25th Annual RCMP Classic. The final was the "Miguel Tomley show" as he led the Tamanawis Wildcats to a convincing 97-69 victory over the Panorama Ridge Thunder. Tomley, named Tournament MVP, scored 47 points in the final. The Thunder finished in the top 5 for the first time in their school's history. The 25th Anniversary featured the first ever ALUMNI tournament. This 2-day 12-team event attracted many former Classic participants. The Fleetwood Park "boys of old" captured bragging rights with a final game victory over Kwantlen Park.

2015 Final Two Minutes Decides the Championship. Southridge Storm fell 73-65 to the defending champion Tamanawis Wildcats before a packed house to capture the 24th annual "Classic Championship". The runner-up finish was the best ever by the Storm. The championship game was deadlocked at 35-35 at half time. With under 2 minutes to play, grade 9 all-star Miguel Tomley hit a go-ahead 3 point shot to give Tamanawis a 63-61 lead that was never relinquished. MVP honors went to Southridge's grade 11 6'7" forward Hunter Hughes finishing the final with 32 points and 23 rebounds.

2014 The Tamanawis Wildcats completed a dominant run through the competition at the 23rd Annual Classic with an 86-46 victory in the final game against Fleetwood Park. Sukh Bains of Tamanawis was named tournament MVP.

2013 BC's #2 ranked White Rock Christian Warriors avenged a loss in last year's final by taming BC's #5 ranked Tamanawis Wildcats, (89-70) in the championship game. It was the 11th championship for the Warriors. MVP Tyus Allen, led the Warriors with 32 points and 8 assists.

Top rebounder Vartan Tanielian added 23 points. Tamanawis was led by all-stars Sukhjot Bains and Parmvir Bains. Enver Creek behind Gurkirat Kular's 21 points defeated Lord Tweedsmuir to capture 3rd place.

2012 KING OF THE COURTS! Second time was lucky for the Tamanawis Wildcats. The Cats battled through 8 different lead changes before capturing their first ever RCMP Classic Championship with a thrilling 68-66 overtime victory over the White Rock Christian Warriors. Manny Dulay, named tournament MVP, led the offense with 25 points. The game was tied at 61-61 after regulation. In overtime, Shivi Viria hit a huge 3 with 90 seconds left to put the Wildcats up by one. The Warriors were unable to respond. White Rock, was led by first team all stars, Tyus Allen (23 points) and Jake Newman (20 points). Enver Creek Cougars, led by all star, Rajan Rai, captured 3rd place with a convincing 71-57 victory over Southridge Storm (5th).

2011 The final of the 20th edition of the Surrey RCMP Classic was the closest and most exciting in tournament history. Two of BC's best teams, the ENVER CREEK Cougars and the TAMANAWIS Wildcats battled it out before a capacity crowd. The Cougars captured their second championship with a 55-51 victory. Enver Creek was led by tournament MVP Parvez Jhaj (17 points, 12 rebounds) and first team all star Vikash Pillai (14 pts) and Marc Mincieli (11 pts). Tamanawis was led by all star Gagan Sahota (16 pts).

2010 White Rock Christian Warriors captured their 10th title with a convincing 70-48 victory over Fleetwood Park. Fleetwood trailed by 8 at the half but lost the services of their all star Nick Del Bianco. Eli Mara and tournament MVP Riley Barker opened up the game in the second half to seal the victory.

2009 Although the tournament had many exciting games no one was able to match the hard work and size of the Warriors. MVP Riley Barker proved to be too much for the Fleetwood Dragons in the championship game. The Dragons battled through a series of tough opponents to get to the finals. Southridge, impressive throughout, claimed 3rd place.

2008 The White Rock Christian Warriors recaptured the championship banner with a convincing 91-53 victory over the Princess Margaret Lions. The semi finals proved to be the most exciting games with WR Christian edging out a determined Kwantlen Park Timberwolves team 68-60 while Princess Margaret upset Tamanawis 71-68. MVP Spencer McLean led White Rock Christian in the final scoring 28 points.

2007 The 2007 RCMP Classic witnessed an improbable comeback in the championship final. Trailing by 11 points and entering the 4th quarter, the Elgin Park Orcas seized control and went on to finish with a stunning come-from-behind 76-69 victory over the foul plagued White Rock Christian Warriors. This was Elgin Park's first RCMP title. Dakota Russell was named the tournament MVP. The Kwantlen Park Timber Wolves ended up in third place for their highest-ever finish.

2006 The 15th edition of the RCMP Classic will go down as one of the most competitive ever. The semi finals were both nailbiters with White Rock edging out Enver Creek by a single point while Fleetwood needed overtime to get past Elgin Park. Unfortunately for Enver Creek they lost the services for the season of their top rebounder and defensive player in the White Rock game but went on to capture third place with a convincing 72-54 victory. Fleetwood battled, in spite of serious foul trouble, but in the end they were unable to topple the Warriors. White Rock's Matt Wirch demonstrated some late heroics to finish the Dragons, 66-60. Ravi Athwal was named tournament MVP.

2005 The White Rock Christian Warriors regained the title of champions with a convincing 87-58 victory over Enver Creek Cougars. Tyrell Mara was named the Classic's MVP. White Rock Christian went on to be crowned the BC Provincial Champions in March.

2004 Tournament MVP Dalbir Dosanjh erupted for 13 points in the fourth quarter to boost the Enver Creek Cougars to a 64-55 victory over Elgin Park Orcas in the championship game. Elgin Park advanced to the finals with an impressive 54-51 victory over the White Rock Christian Warriors.

The tournament's most exciting game featured an overtime victory by Enver Creek over Princess Margaret, 111-102, with Dalbir Dosanjh setting a tournament scoring record with 56 points.

2003 The 2003 tournament featured some of the most exciting final rounds in the events history. Six of the final seven games were decided by 4 points or less with two going into overtime. The finale, watched by over 800 fans, evolved into a defensive showcase as the White Rock Christian Warriors defeated Enver Creek Cougars, 57-53. The victory gave the Warriors their fifth straight title. In the semi-finals, White Rock needed overtime in a controversial finish to slip past Fleetwood Park, 69-66 while Enver Creek qualified with a narrow 76-73 win over the Elgin Park Orcas.

2002 The White Rock Christian Warriors knocked off the upstart Fraser Valley Christian Falcons 76-55 to capture their fourth successive RCMP tournament crown. Donald Burton led the Warriors and was named the tourney MVP. Jordan Craig (47 points in the semi finals) and Sean Stewart were named to the All Star team. The Falcons had earlier stunned the Enver Creek Cougars with an upset overtime win, 92-81. David Bron and Kyle Kooger led the Falcons.

2001 The streak continues! A well distributed scoring attack headed by BC's most talented player and the tournament's repeat MVP Kyle Wilson helped lead David Craig's White Rock Christian Warriors to their 3rd straight championship over Fleetwood Park.

2000 The White Rock Christian Warriors won their second consecutive title with a convincing 103-51 victory over Semiahmoo. The tournament's MVP, Kyle Wilson led the attack and was aided by first team All Star Zack Hogan and second team All Star Sean Stewart.

1999 The White Rock Christian Warriors emerged as champions with a convincing 84-73 win over the North Surrey Spartans. White Rock went on to become the BC Champions. The Warriors were led by the exciting play of MVP Chad Clifford and all stars Kyle Wilson and Rod Pennington.

Surrey pals reunite to power university team

In a possible Surrey first, five Tamanawis school grads – four players and a coach – are with UFV squad

By Tom Zillich

In a Surrey-to-Abbotsford pipeline of basketball talent, five former Tamanawis Secondary standouts are fueling the program at the University of Fraser Valley.

With a 8-4 record, the men's Cascades team motored to fourth place in Canada West division standings heading into the recent winter break, thanks in large part to the efforts of Tammy-schooled players Parmvir (Parm) Bains, Sukhman Sandhu and brothers Navjot and Sukhjot Bains (no relation to Parm Bains).

What's more, the squad's assistant coach is none other than Manny Dulay, another Tamanawis grad who excelled for the Cascades during his five-year career there, ending in 2017.

"It's interesting, what's happening at UFV, and I'm one of the biggest fans of it," Dulay said of the Cascades' Tamanawis connection. "I couldn't be more proud of where Tamanawis has come and what UFV is doing, and if you told me back in 2012, my first year at UFV, that after I graduated there'd be four Tamanawis players on the team at once, I would have probably called you crazy, but yeah, somehow, some way, that worked out."

four in 2014.

"It was awesome," Parm, 22, recalled of that high school tourney, "but it was a bitter ending because we were expecting to win it. We were ranked number one and we were winning pretty much every game up until provincials, so it was a bitter ending when we lost in the semi-finals, but overall it was a great experience there, you know, playing with your best friends."

Parm, a five-foot-10 guard, played for other local college teams before he took a one-year break. In late 2017, encouraged by Navjot, he returned to student-athlete status with the Cascades, and currently leads the team in points per game (15.2).

"This will be my second year, and it's going well, for sure," Parm said in a recent phone interview. "I think it's just been coach Adam (Friesen) has been real confident in me and allowing me to play my game, and you know, just putting in a lot of work, it's been translating."

Parm said he enjoys having Dulay on the bench.

"He's really good and understands the game really well," Parm explained. "It's a pleasure learning from him, because he was a

point guard, too, and a really smart one, and he always has really good advice, always positive."

In a peculiar player-coach relationship, fifth-year forward Navjot Bains is a year older than Dulay, who is 24.

"It's kind of interesting, yeah," Dulay said. "Having Nav there brings back the memories of playing sometimes, some of the games we played together. I still tell him that he has to call me Manny, he doesn't call me coach," he added with a laugh.

Today, Dulay coaches the junior boys at Tamanawis, and last summer married Harleen Sidhu, a Fleetwood Park grad who went on to play basketball at both the University of Nebraska and UBC. Together, the pair run XV Training Academy in Surrey.

"We coached at an academy before, and we met through that, just really close friends, and then that blossomed into a marriage," Dulay explained.

Years ago, Dulay recalls watching Parm, Sukhman and Sukhjot play the game, as juniors.

"I've known these kids for awhile," he explained. "I mean, I wished they came right out of high school so they could have played when I was playing (at UFV), but each of them had their own path there, and they all tried

different things. It's crazy how life works, but somehow, some way, it happened. The thing is, they're all best friends, and sometimes teammates just say that so it looks good in the media, but those three, especially, they're actually best friends. Like, when I'd go hang out at Nav's house, I'd always see Parm, Sukhman and Sukhjot together, and it's amazing to see three best friends not only playing on the same team, but also starting together, it's unbelievable."

At UFV, Dulay finished his career third all-time in Canada West for three-pointers made (242) and led the nation in threes as a senior (78), but says he can't take much credit for leading the other Tamanawis grads to the university.

"Obviously I know that I might have made an impact on them – you know, done something to influence them to come," Dulay said, "but they all earned it, and coach Adam has wanted them since they were in Grade 12, and I know that because we'd talk about it all the time when I was playing, trying to get all those guys to UFV."

On a seven-game win streak, the Cascades returned to action on the weekend of Jan. 4-5, in a pair of home games against Brandon. The team's schedule is at gocascades.ca.

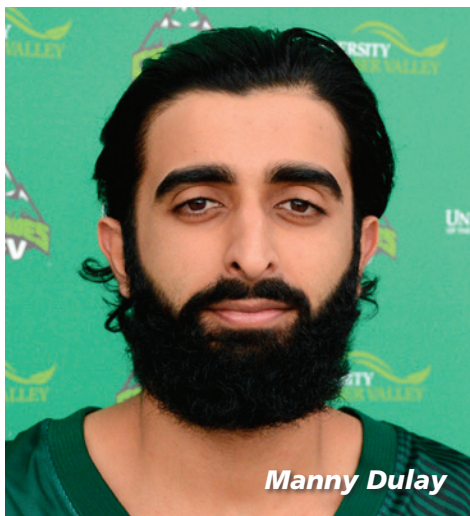

"We definitely have bigger goals than just making playoffs," Parm Bains insisted in a December interview. "We do want to contend for a championship and go to nationals, for sure."

Noted Dulay, in a separate conversation: "We're on a seven-game win streak, so we gotta hopefully ride that wave."

For Dulay, the connections to his former high school don't seem to end.

"I trained a lot of the senior players over the summer, and then Harleen's younger brother, Jeevan, is pretty much their best player," he said. "So he's my brother-in-law – just more connections with Tamanawis, right."

Just after Christmas, Tamanawis hosted its Holiday Invitational tournament from Dec. 27-29, in the gym at 12600 66th Ave. The McElhanney-sponsored event involved seven teams, including 13-time Washington State champ Garfield High School of Seattle, plus local teams Fleetwood, Charles Tupper, Pitt Meadows, Burnaby South, Centennial and the home-court Tamanawis squad. Results are posted at tamanawisbasketball.com.

Manny Dulay

Dulay figures it's a Surrey first to have four players from the same high school on the same team at the U Sports level.

Navjot Bains is the eldest of this Surrey-raised foursome, and close pals Sukhjot, Parm and Sukhman all played on the Tamanawis team that made it to the quad-A provincial final

1998 Queen Elizabeth Royals, led by MVP Surinder Grewal repeated as tournament champions. The team displayed great balance and the outside shooting of 2nd team all star Navi Bala (33 points) in the final game led them to an 85-72 victory in the final over the White Rock Christian Warriors. Pacific Academy broke into the top 5 for the first time.

1997 The Queen Elizabeth Royals, with their exciting fast break and pressing unit advanced to the finals. QE, behind the strong 2nd half of David Vanstone's 23 points (27 for the game) and Surinder Grewal, the tournament MVP defeated Earl Marriott for the championship. All-stars Shane Clifford and Blair Hogg led the Mariners.

1996 The surprising Frank Hurt Hornets were crowned champions with a 76-70 victory over Holy Cross Crusaders. They were led by brothers Matt and Joel Nelson and the rebounding of Alex Castro. Holy Cross' team leader Matt LeChasseur was named the tournament MVP.

1995 Semiahmoo Totems became the first team to capture a second championship with a hard fought victory over Holy Cross in the final 63-58. The Totem trio of Andy Lynn (MVP), Jeff Kendal and Greg Zemrav, powered the team to the championship.

1994 The tournament was truly a "classic". The semi-final and final games were all nailbiters to the final buzzer before Queen Elizabeth emerged victorious over North Surrey in overtime, 82-71. T.J. Khanghura led the QE attack but was up against the MVP performance of North Surrey's Jeremy Newness.

1993 Frank Hurt was again the surprise with their aggressive pressing style and captured the title with a 87-78 victory over Guildford Park. The Hornets were lead by tournament MVP Byron Sowinski.

1992 The inaugural "Classic" of 1992 was held at Queen Elizabeth Secondary. The Semiahmoo Totems, led by MVP Jake McCallum defeated Frank Hurt in the final 63-36. The individual tournament standout was Mike Wagner of Pacific Academy with a 28 point average.

Surrey RCMP Classic brings together public, private schools

By Lauren Collins

While Steve Anderson might not attend basketball tournaments multiple times, he says he "will always attend" the Surrey RCMP Basketball Classic tournament.

For about 15 years, Anderson and his students have been taking part in the Surrey RCMP Basketball Classic tournament.

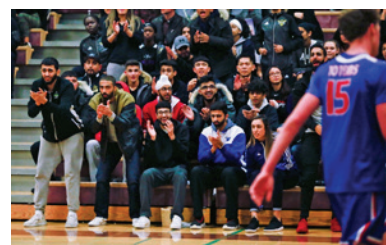

"When I started at Southridge (School), to be honest, I just wanted to be part of the tournament, but we never really had an opportunity to get in," said Anderson, adding that the tournament has limited space and a team needed to drop out in order for Southridge to play.

Then one year a spot opened up, and Anderson said it "was great."

"The event itself, I really like the fact that it's just for Surrey where pretty much everything else we do is kind of at a provincial level where there are teams from all over the province," he said.

Anderson said Southridge is one of only a handful of private schools that participate in the annual tournament.

"There might be one or two other small ones, but not too many. It's definitely a majority public school event. I think when the tournament itself started, the whole purpose of the tournament was... to connect the RCMP with the public schools."

Attendees cheer on Enver Creek and Semiahmoo players in the 2018 Surrey RCMP Basketball Classic. This year, the tournament will run Jan. 13 to 19.

Now in its 28th year, the Surrey RCMP classic is something Anderson said he looks forward to every year.

"I build it (my schedule) around the RCMP tournament. I will not attend other tournaments, but I will always attend the RCMP tournament because I think it has that much value to stay connected in the Surrey basketball community and also with the public schools and to show that we're in a partnership here."

The one-week Surrey RCMP Basketball Classic began in 1992, and organizers call it the largest RCMP sponsored tournament in the country. "The tournament was created by the Surrey School District and Surrey RCMP to help foster positive inter-school competition and create a healthy relationship between the RCMP and students."

During the tournament, more than

70 games are played, involving more than 650 students from high schools in the district. The tournament ends with the senior championship game, and the presentation of a number of awards.

In the spring, there is the All Star Classic which showcases the top 20 graduating boys and girls in Surrey. Scholarships are also presented during that tournament.

The tournament, Anderson said, is a way for Southridge, and other private schools, to connect with the public schools.

"I actually find that over the years, although we're a private school, I feel that we're pretty much connected and looked at, I would say, the same as the public schools," he said.

Anderson said there "has always been a little bit of animosity toward some of the private schools," partly because some people feel that private schools "play on a different playing field for the most part."

"I find we've always been a school that played by the rules and we've not done any of the recruiting type accusations that have come about with other schools."
