FAQ

Q: Whats the best way to pay?

A: PayPal, I also accept G&S without any extra cost for the fees :)

Q: What material do you use for your Cloth-Stuff?

A: I use a polyester mix material, specially made for real sails. The Cloth can be starched with any starching spray so its more solid. If you want to starch your cloth, let me know before I ship so I can do that for you.

Q: How long do you need to ship your stuff?

A: About 2-3 days. I can send pictures of your ordered stuff before shipping. :)

Q: Where do you ship from?

A: Austria (not Australia ;))

Q: How can I design my own creation?

A: You just need to tell me what you want to design and I'll support you and make the design, send you screenshots and repeat that process until you say that you like the design. You can also send me a picture of what you want the cloth/sticker to look like.
