Introduction To The Online Slots

The rules and directions for the online slot game machines are the same as in a land base casino. First it is decided to how much money to play with. After that, the decision about how many coins to place bet with spin comes. With the online slot machines, one can choose between 1, 3 and then up to 9 paylines. It is simple that the more paylines one bets on, the more money he spends, but at the same time the chances of getting more money are higher too. Last thing that comes is clicking the spin button. The sound of the spin can be heard the same way like in a land based casino; a great fun and excitement from the comfort of home.

The amount you need to pay depends on the type of payout the machine gives. There are nickel machines and five dollar machines. The choice of which type to play depends on you. Of course, the bigger payout, the bigger fee. For free slot machine games play online, you will not be charge a fee. These free slot machine games are designed to familiarize the beginner or those who have not yet played a certain machine. This will enable them to learn about the combinations and the payouts. After a certain free trial period, the player may already wager for real money. For those who just want to enjoy the excitement brought about by slot machines. They can just play for free anytime they want. With the huge number of free game play online, they will never run out of choices.

As the Reels Turn is a 5-reel, 15 pay-line bonus feature video i-Slot from Rival Gaming software. It comes with scatters, a Tommy Wong bonus round, 10 free spins, 32 winning combinations, and a top jackpot of 1,000 coins.
