Great leg workout for peaking, building strength and muscle. Lots of reps in the low, mid and high range. Last super heavy squat workout for a while. Started with 5-6 sets with 1-2 reps each set slowly climbing in the weight until I reached my max. Switched to the buffalo bar for my 2nd exercise of squats, I didn't really need it but this was to alleviate stress on my shoulders after going really heavy.

Mit ultra Muskelkater über den Tag verteilt, sogar während der Arbeit im Klassenzimmer als die Schüler in der Pause waren. Wenn die wüssten 😊.
