Good day to ^{the} France,

my name is Peter Gottwald, Legaly King of the Imperium of Diamond's Federal Government, ^{the} Government with Legal territories North-East Africa Riv Tawit, Diamond Oasis, the Rockall Diamond North Atlantic ocean, and another special territories in the Universe, planet's, Galaxies and ^{the} Supergroups of Galaxies, Legaly claimed in year 1998, today form of legal government with register of populational claim 2.100.000.000 minimal and confirmed by the UNGA International Convention's or the Charter of the United Nations organization, today ^{the} Government with economy register of legal value "10.000.000.000.000.000.000.000.000.000.000 € to calculation of 10.000.000 people by statistics, civilizational development and planing, too Jurisdictional Intelligence development and legal political activities or communication.

^{the} Imperium of Diamond's with Legal validation according ^{the} Power of Global Governmental Democracy UNGA and system of Conventions with ^{the} UN Charter.

Today is my interest peaceful use and contact ^{the} French media, with my plea for our cooperation for report to ^{the} French people and Global Medial World, our cooperation about present important informations for all of Business people in Europe and all in ^{the} world, presentation for France social company and companies in ^{the} world, presentation for France, European and World Policy and Organizations or Government's.

^{the} Affairs of Policy, Economy, Civilization's, Globalism, Safety, Cooperation, Society and Cultures, Development and Modernization.

In the first, I'm pleased for your support and media-share, our cooperating about presentation of ^{the} ID's government beginning, legal situation, interests and goals, ^{the} ID's Peacefull ideology and goal's for all people around our Human World.

One of most important information is ^{the} World Diamond International Alliance, form of ^{the} Special government of sovereignty in Universe, 4 Galaxies into start civilization development with all positions of options for travel to territories (mass-transport's) and with form of Government who is based on common sovereignty and jurisdictional democracy of all countries governments all around ^{the} world.

^{the} WD form of civilization, Legaly open for all people around ^{the} world and for every business corporation. future, ^{the} Global center of Business, Policy, Safety, Society and Culture.

Another and very important information is project ^{the} Corporatocracy Government, form of development new Government with Constitutional form as ^{the} King of ^{the} ID's and Corporate Senate as ^{the} Senates of every owner and President or Manager of Business company every one of all around ^{the} world.

^{the} Corporatocracy, our sovereign territories around one Supercluster of Galaxies as an one trillion planet's, 1.000.000.000.000.000 civilizational planet's in Universe.

the Corporatocracy is a step of cooperation in political, economical and civilizational form of dimension and therefore too to your Medical Company is claimed the Senatorship and all activity cooperation.

Very interesting is too the plan for development of the Federal Governmental subject of the Popular Government who is based on the Political and Civilizational form cooperation between all celebrities in the world, the Artists, the Music and Movies Players, the Modeling, the Moderators, the Groups or Single people, Legaly open for all celebrities around the world.

the Popular Government is based on the form of World Medical Center and Develop of the Medical Civilization, very specific step for people and world system of policy, just is too true that a great step of people and everything under Legal Rights. Subject who is not possible to blocking.

the Imperium of Diamonds have many important and interesting information for society and global people. the Development projects and Political Affairs, today support for ID's development, start 35.000 skyscrapers, special transports, new special business company or corporations, the science projects and goals, special technologies and dynamical civilizational capacities, very and very important steps for development.

the Same is projects for International cooperation, Agro-development and safe life of 15.000.000 death child's every year, support for ecologization, Military cooperation and planing, International business cooperation and grow up GDP of every country in minimal to 100% up, and many many many interesting options, the informations who is interesting for Miliards of people around the world.

Today, my plan is too for supporting all European migrants and refugees from Iraq, Syria, Libye or another states in catastrophis demilitarization. My support is for people who search new citizenship and good life for their families, I very like give the ID's citizenship North-East Africa Diamond Oasis and for all who is interested.

the ID's Diamond Oasis is today planing for population capacity start of 10.000.000 people in 365 days, next years to 70-150 milion of people.

Day's at now, I'am in the Europe, France, Strasbourg, I'am today illegally under izolation and monitoring because I'am a man who have important information about crimes, political frauds and corruption with terrorism in European policy, and therefore I'am on every day under Blockade.

If You are is interested for our cooperation, then You can visit my websites and I can share more informations, or we can agree on meeting.
