STAR AWARDS 2018

ENTRY PACK AND GUIDANCE

WELCOME TO YOUR 2018 STAR Awards

For the first time in many years, I'm thrilled to welcome you, and your region to enter our newly designed, prestigious **STAR Awards**.

These awards have been created to recognise the incredible efforts that members, and regions undertake to keep the Jaguar Enthusiasts' Club at the forefront of our community.

The awards are open to every single member and region, either based here, or abroad and there are six awards in total. Three are aimed at the efforts of individual members, whilst the remaining three are aimed at regional activity.

Within this pack is everything you need to enter, so please take a look at the categories on the following page. You can choose to pick one category or all of them, it's totally up to you, but please do enter. Whether your regional committee wants to nominate a single individual or you want to go for one of the group awards, you have as much chance as everyone else in picking up one this years awards.
