

TERMS AND CONDITIONS

By purchasing a subscription at Vivertine, the subscription holder declares that he has read and understood all the clauses and undertakes to comply with the Internal Rules of the club "Vivertine", displayed on the website www.vivertine.ro as well as any other specific regulations, displayed in different areas of the club: reception, locker rooms, sports areas, swimming pool, saunas, etc.).

The terms and conditions presented below are the object of the Vivertine Club subscription contract.

Section 1. Information about subscription

1.1. The member has access to the club according to the type of subscription purchased:

Economy: Monday - Friday: 06:00 - 16:00 and 20:00 - 23:00, Saturday - Sunday: 14:00 - 20:00

Unlimited: Monday - Friday: 06:00 - 23:00, Saturday - Sunday: 08:00 - 20:00

(limit hours of actual presence inside the club)

1.2. The schedule presented may change exceptionally, in case the Club's program is restricted by the authorities.

2. In case of well-founded medical reasons that do not allow the practice of the activities within the club, the freezing of the subscription and the extension of its validity can be done free of charge under the conditions of presenting the proving documents. Suspension of a subscription can be done on request based on a medical letter from the specialist. Medical documents for which the diagnosis was made retroactively will not be accepted. Their veracity will be checked by the Vivertine club doctor.

3. The price of the access subscription does not include the assistance of a personal instructor, nutritional counseling, massage, swimming lessons, etc. unless they are the subject of special promotions and offers.

Section 2. Price of the services

1. The price of the subscription is according to the price list published on the site.

2. The price of the subscription is non-refundable, regardless of the number of uses or the period in which the member benefited from the services of the club, except for the situations expressly mentioned in the content of these Regulations.

3. Failure to comply with the payment terms may lead to the member's access to the club being limited until the debts are settled.

Section 3. Access to the Club

1. The access to the club „Vivertine” is done only based on the card or on the unique member bracelet.

2. To facilitate quick access to the Club, we have implemented an automatic fingerprint identification system. The unique membership bracelet will store the customer's fingerprint in encrypted form. This information is stored only in the internal memory of the bracelet. The membership bracelet is released after the Customer has been photographed and his fingerprint is recorded on the bracelet. At each club access, the member will first scan the bracelet to confirm the subscription validity and then finger to match the real fingerprint with the one stored on the bracelet to confirm that the bracelet belongs to him. We inform you that we don't not store the fingerprint of the member, the special device mounted on turnstiles, making only a comparison between the fingerprint stored on the bracelet and that of the person wishing to enter the club. If the member does not want this automatic access procedure, he / she will need to be legitimate every time. In case of refusal, "Vivertine" club retains the right to prohibit / limit the access. **In case of loss, the release of a duplicate bracelet is possible by paying an additional fee of 30 Lei**

3. Members declare on their own responsibility that they are medically capable to perform physical activities when entering the club and in order to access various facilities (sauna, massage, swimming, climbing) and club "Vivertine" will not be responsible for any accidents, injuries or damage suffered by

- the club members by self-inflicted accident or by injury by another member or guest of a member when conducting those activities or who use the equipment improperly or contrary to the manufacturers' descriptions visible on the apparatus or without the supervision of the club instructors.
4. Members / guests declare that they were notified of the risk of injury and undertake to respect the rules of use of machines and accident prevention, the members assuming full responsibility for the damage to their health and of their guests.
 5. If the member feels sick when he/she is in the club, it is advisable to immediately stop all physical activity and announce the club's employees in order to benefit as soon as possible from the appropriate medical care.
 6. The staff of the club may refuse / limit access or evacuate members who are inebriated or have consumed alcohol or other prohibited substances or members who have indecent or contrary to morality behaviour.
 7. Members are obliged to respect the access program according to the purchased subscription, **not to enter the club less than 45 minutes before the departure time**, to go to the locker rooms at least 15 minutes before the deadline and to leave the club before the deadline. The violation of this clause entitles the club staff to apply **penalties of 30 lei for each delay or presence outside the program** and / or to limit the future access in case of non-payment of the penalties.

Section 4. Access to group classes and SPA (swimming pool, sauna, salt mine)

In order to ensure everyone's access to group classes and swimming pool and to respect each other, all members of the Vivertine Club who want to do group training or to swim must follow the following rules:

1. Make an appointment for the desired class up to 24 hours in advance, in the mobile application Vivertine2. It is possible to make reservations for 2 group trainings per day.
