★ **Neighborhood Parking** — The Charlestown Neighborhood Council will hear a motion from the Basic Services Committee at its November monthly meeting tonight, Thursday, Nov. 14, to allow a portion of Old Rutherford Avenue to be used for public parking. The portion of the avenue under discussion is the dead end section of the street located between Union and Austin streets which is owned by the Boston Redevelopment Authority (BRA).

Residents of the Union, Austin and Washington streets and the Rutherford Avenue area requested a meeting after the BRA installed "No Parking" signs, eliminating residential parking. The meeting was held on Nov. 7, co-chaired by CNC member Mel Stillman and Charlie Clabaugh, community liaison for City Councillor Robert Travaglini.

As a result of discussions with the area residents and members of the Charlestown

Youth Hockey Association, prime users of the adjacent MDC Ice Skating Rink, an agreement was reached to request the CNC to recommend the transfer of the property from the BRA to the city Public Works Department, making it a public way and allowing signs to be installed indicating two-hour parking between 8 a.m. and 6 p.m.

The CNC is expected to vote on the committee's motion to request the BRA to address the issue at its Nov. 26 Board of Directors meeting. An affirmative vote by the BRA Board will place the property in the jurisdiction of the city for maintenance and enforcement of the parking regulations.

★ **CANA Update** — A new traffic pattern in City Square should be in place by today, Nov. 14, according to CANA Coordinator Ed Barr who spoke to residents at Tuesday night's CNC Public Safety meeting. This

AN INSCRIBED SCHOOL BELL was presented to Massport Executive Director Alden S. Raine by Kennedy Center Executive Director Kate McDonough in appreciation for the funding of the renovations of the playground at the Hayes Square Head Start facility along with the time and personal at-

In a ceremony on Nov. 7, Kate McDonough, executive director of the John F. Kennedy Family Service Center, thanked Massport for funding the reconstruction of the playground at the center's Head Start facility in Hayes Square and rededi-

cated the playground in honor of the late Jacqueline Blaikie.

McDonough took the opportunity to compliment Massport for the work that has been done on the renovation of the playground. She said that as part of

Massport's deleading project with the close proximity of the school's yard to the Tobin Bridge, the authority spent \$100,000 along with lots of time and personal attention into the playground renovations. In apprecia-

Charlestown Heights/Doherty Park To Be Topic At CPS Meeting

There will be a general meeting of the Charlestown Preservation Society at 7:30 p.m. on Monday, Nov. 18, at the Bunker Hill Health

Center, 73 High St. All interested residents of Charlestown are welcome. A slide show will center around the history of Doherty Park, which was previously known as Charlestown Heights, and a general discussion of a proposed rejuvenation of the back slope will follow.

In 1891 the entire parcel of land, consisting of the playground and the slope below it, was selected and designed by the well-known landscape architect Frederick Law Olmsted.

Everyone is encouraged to participate with ideas and questions. It will be fun looking at the Park's Victorian history together.

Refreshments will be served.

PRAYER TO THE HOLY SPIRIT

Holy Spirit, You who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evil against me and in all instances of my life. You are with me. I want in this short prayer to thank you for all things as You confirm once again that I never want to be separated from You even in spite of all material illusions. I wish to be with You in eternal glory. Thank you for your mercy towards me and mine. (Say for three consecutive days - favor will be granted.) Prayer must be published.

*Just a prayer from those who love you,
Just a memory fond and true,
In our hearts you'll live forever,
Because we thought the world of you.
The blow was great, the shock severe,
We could not believe the end was here.
And only those who have lost can tell,
The pain of parting without farewell.
Nothing can ever take away,
The love our hearts hold dear,
Fond memories linger everyday,
Remembrances keep you near.*

Giordano Reaps Highest State Honor For Public Service

Carmen T. Giordano Jr. of Charlestown is one of 72 MBTA employees who received 15 "Pride in Performance" awards for 1991 by the Commonwealth of Massachusetts from Gov. William Weld. Each year the program recognizes public employees throughout the state who exemplify the highest standards of public service.

"We are proud of the skills and talents of employees like Carmen Giordano who have helped make the T one of the finest transit systems in the country," said T General Manager John J. Haley Jr. "Their commitment to excellence and their hard work are the qualities that keep the T running each and every day."

Giordano, a 22-year veteran of the T, is a production coordinator in the T's Everett Automotive Shop which repairs and maintains buses and provides replacement parts to the T's bus garages. He heads the Au-

tomotive Component Exchange, which keeps garages supplied with everything from transmissions and starters to working display boards for the front of buses.

Thanks to Giordano, mechanical problems are kept to a minimum and buses that need repair can be quickly returned to service — meaning more reliable service for the T's custo-

mers.

"They each do very different jobs," said Haley, "but they share one thing in common: a dedication to superior service for our customers."

GIORDANO HONORED: Carmen Giordano was recently presented with a "Pride in Performance" Award by the MBTA. Shown (l. to r.) at the awards ceremony are: MBTA General Manager John J. Haley Jr.; Giordano; MBTA Board Member Domenic Bozzato; and Secretary of Transportation and Construction Richard Taylor.

Charlestown — Make A Wish . . .

Once again the Christmas season is upon us. This year, however, the economy restricts many of the people in Charlestown from providing Christmas gifts for their families. The thought of viewing a child's face on Christmas morning, peering into an empty room with no toys from Santa is both unbearable and painfully sad.

With your help, we would like to avoid this vision in 1991. Charlestown — Make A Wish . . . is a fund raiser to benefit needy children and adults in our beloved town during the holidays. All of the proceeds will be transformed into gift certificates for those families who need assistance during this holiday season.

If you know of a family or a person who is having financial difficulty this year, address a short letter explaining their situation, what they need and their home address to: Charlestown — Make A Wish . . ., P.O. Box 408, Charlestown, Mass. 02129. The letters will be treated in confidence and will be reviewed by one of our community religious leaders. The deadline for all letters is Dec. 12.

We need your support to make these wishes come true. Help a needy family by enjoying yourself on Friday evening, Dec. 6 from 8 p.m. to midnight at the Knights of Columbus Hall, 75 West School St.

If any one of our local disc jockeys would volunteer their talents for this evening, please contact Linda Howell at 242-0074. Your services would be sincerely appreciated.

Refreshments will be available, and there will be a cash bar. All are welcome and encouraged to attend.

For tickets, please contact Linda Howell, 242-

0074; Cindy Burke, 241-9433; Helen Lawler, 242-0227; Mary Doherty, 242-4486; or Joan Kane, 242-4013.

Any donations to this project will be greatly appreciated and guaranteed to put a smile on a child's face. Checks may be made out to Charlestown — Make A Wish . . . and mailed to: P.O. Box 408, Charlestown, Mass. 02129.

Thank you for your support in advance . . .

RENTING YOUR HOME

Often, our clients have second thoughts about selling their homes, especially if they don't need the equity to complete the purchase of a new one. "We'll just hang on to it and rent it out," they say. While rental real estate is almost always a good investment, be sure you understand all of the consequences before you become a landlord.

Remember that tenants may not share your pride of ownership, and they are sometimes rough on property. You should also acquaint yourself with state or local landlord/tenant laws, including those dealing with rent control and eviction procedures. Finally, if you are planning to rent a home that used to be your primary residence, you could lose the benefits of your capitol gains deferral if you sell it a few years from now. Before you make a decision about turning your home into rental property, it's a good idea to get professional advice, both from a tax expert and from your Realtor.

If you are considering a move, contact the professionals at **Monument Properties** call us at 241-5900, or stop by our offices at 85 Warren St., Charlestown.

Scouting Around . . .

by Kathy Duggan

On Nov. 9 the Cub Scouts and Boy Scouts of Charlestown, sponsored by the American Legion Post 26, participated in the Scouting for Food Drive. The boys collected food from 9 a.m. to 6 p.m. at Johnnie's Footmaster. It was a long day, but the boys were encouraged by the caring shown them by the people of Charlestown. Our final tally showed the drive to be a resounding success, by far surpassing last year's total.

At this time we would like to thank John Andrew of Foodmaster Inc. in Somerville and Eddie DeSimone, manager of Johnnie's

Foodmaster Charlestown, for allowing us to use their store.

To those Scouts who participated — John Crosby, Sean Duggan, Danny Devlin, James Kissane, William Simensen, Jason Winnett, Stephen King, John Livingston, Richard Sullivan and Tim Sullivan — thanks guys! You showed Charlestown what scouting is all about.

On Saturday, Nov. 16 the Scouts of Charlestown will hold their first-ever Christmas Bazaar at the new American Legion Hall at 23 Adams St., on the corner of Chestnut Street. The fun will begin at 10 a.m. and

run until 4 p.m.

We will have a wide variety of crafts, baked goods, knitted items and assorted wooden items. Mark your calendars so you can come down and show the boys your support.

Donations are still being accepted. For information on the Boy Scouts, call Denise Colby at 242-2711, and for Cub Scout information, call Kathy Duggan at 241-9283. Also, contact Kathy for table information or reservations.

It's A Girl . . .

Denise Snow and David Brown of 6 Clinton Place, Charlestown, announce the birth of their daughter Kristina Marie Brown, on Oct. 29 at the Malden Hospital.

The maternal grandmother is Ellen Snow of 6 Clinton Place, Charlestown.

The paternal grandparents are Frederick and Susan Brown of Somerville.

Harvard-Kent School News . . .

by Vicki Oleskey

The Harvard-Kent School recently hosted the children, their teachers and parents traveling and performing with the Ringling Bros. Barnum & Bailey Circus at the Boston Garden.

Fifth-grade students and

the children from the circus spent the day together and the theme of the activities focused on international issues and the value of an education to all, regardless of color or language. The highlight of the day was the visit to the school by the Ring Master dressed in full

regalia.

The Monitor television production company taped many of the activities and a half-hour edited show will be televised on Channel 68 on Thanksgiving Day.

Two days later the Ring Master, clowns and the circus bus returned to the school to transport two-score students and several parents to an afternoon performance of the Ringling Bros. Barnum & Bailey fantasia. Prior to the performance, the circus children served as hosts in showing the behind-the-ring life and action of a three-ring circus.

new pattern will allow for the removal of the temporary bridge at Gray Street so that the north section of the tunnels can be completed.

A new temporary roadway has been built, extending from existing Warren Street across the tunnel construction in almost a direct line to the entrance to Constitution Plaza where Barrett's is located.

Pedestrians and motorists are advised to be alert to changes in the traffic, following the signs which will be posted in the area.

Barr also stated that there are six detail police officers in place in Charlestown and three at Keaney Square on the Boston end of the North Washington Street Bridge during morning and evening rush hours to move traffic and assist pedestrians.

★ Kennedy Center Election Results — The John F. Kennedy Family Service Center held an election on Nov. 12 to fill vacant seats on the center's Board of Directors. Elected to the board were: Precinct 3, Elaine McCarthy; Precinct 5, Shirley Foley; Precinct 7, Ruthellen Chardavoyne; and At Large, Dennis Collins. There were no candidates for openings in Precincts 1, 2 and 4.

Kennedy Center Executive Director Kate McDonough stated that individuals interested in filling the vacant seats on the board should contact her at 241-8866. Candidates for the open seats will be considered by the board for placement at the January 1992

meeting.

★ Welcome Home — News that the last of Charlestown's service men and women who served in Operation Desert Shield/Storm have finally left the Persian Gulf area has prompted the Charlestown Welcome Home Committee into action. Its last official duty will be performed this Saturday, Nov. 16 at 11 a.m. when volunteers will take down the yellow ribbons placed on the street poles along the Bunker Hill Day parade route.

All are invited to join the committee for this happy task by reporting to **The Charlestown Patriot** on the first floor of One Thompson Square at 11 a.m. Refreshments will be provided by Post 26, A.L.

For more information, call Kathy at 241-9511.

★ Election — The Charlestown Community Schools will hold its annual Council election today, Thursday, Nov. 14 between 3 and 7 p.m. at the Kent Community School, 50 Bunker Hill St.

For more information, call 635-5169.

★ CNC Meetings — The monthly meeting of the Charlestown Neighborhood Council will be held tonight, Thursday, Nov. 14 at 7 p.m. at the K. of C. Hall, 75 West School St.

The CNC's Basic Services Committee will

meet on Tuesday, Nov. 19 at 7 p.m. at the Kent Community School, 50 Bunker Hill St.

The meeting will focus on the trolleys that tour the town and their impact on the residents.

All are welcome.

★ Fund Raiser — Papa Gino's in the Bunker Hill Mall will sponsor a fund raiser to benefit the John F. Kennedy Family Service Center and its programs on Monday, Nov. 18 between 5 and 10 p.m.

Papa Gino's will donate 15 percent of all proceeds realized that evening to the Kennedy Center.

★ Building 104 — The Boston Redevelopment Authority (BRA) Board of Directors voted on Oct. 31 that pursuant to Section 18 of Chapter 91 of the Massachusetts General Laws, 310 Commonwealth of Massachusetts Regulations Section 9.13, and Section 42F-5 of the Boston Zoning Code, it has been determined that the redevelopment of Building 104 in the Charlestown Navy Yard serves a proper public purpose and will not be detrimental to the public's rights in Commonwealth Tidelands.

The Bricklayers and Laborers Charlestown Non-Profit Development Corporation was granted final designation by the BRA on July 12, 1990 to redevelop the 60,000-foot, three-story brick structure into 46 units of affordable, elderly housing for residents with

incomes less than 60 percent of median income limits. The project will also include 30 indoor parking spaces.

A certified copy of the Board's Oct. 31 vote will constitute conclusive evidence of the BRA's recommendation to the Massachusetts Department of Environmental Protection pursuant to 310 CMR Section 9.13 (5), according to the action taken.

★ Old Rutherford Avenue — The Boston Transportation Department (BTD) has announced that as a result of a request by the Boston Fire Department, the intersection of Old and New Rutherford avenues will be reopened. Barriers had been installed at that location while a portion of the roadway was under construction as part of the Central Artery/North Area (CANA) project.

In requesting the removal of these barriers, the Fire Department stated: "These barriers are blocking an important access route into a highly congested area."

As a result, the BTD has requested that the state remove the barriers on Monday, Nov. 18. BTD will monitor the area to ensure that public safety and access needs will be met, stated BTD Commissioner Richard Dimino.

Residents experiencing any difficulties due to the removal of the barriers should contact Jim Mansfield, BTD director of constituent services, at 725-4679.

CHAD Junior Bowling Update . . .

by Judie Dunphy
Well, the more things change, the more they remain the same and to prove the point, just take a look at the position standings in week three of CHAD Junior Bowling League action! They bear a remarkable resemblance to the previous week's standings.

Still holding down the first-place slot is Team 12 with 23 points, and Team 8 with 20 points is right behind. But, the similarity ends there, this week shows a tie for the second-place position with Team 3 also boasting 20 points. The young bowlers give it their all every week, so keep informed by picking up the Patriot so you don't miss a single week's update!

Team	Points
Team 12	23
Team 8	20

Team 3	20
Team 5	16
Team 11	14
Team 10	12
Team 2	12
Team 9	10
Team 7	8
Team 1	7
Team 4	2
Team 6	0

Janelle Ortiz, who bowls for Team 1, proved that she certainly is a precedent-setting little lady. Believe it or not, Janelle came up with an all-star 114 string last Saturday, making it necessary to form the new . . . 100 Club. Congratulations, Janelle, you certainly have set a goal for which the other young CHAD bowlers can set their sights.

The 90 Club is inducting another new member this week, Frankie McPherson of Team 12 had a terrific 98 string, moving him into the ranks of the elite 90s group.

Two young men and two young ladies made up this week's foursome who were installed as members of the 80s Club. The ladies led the way in week three. The high scorer in the group with an 89 string was Courtney Wrenn of Team 8, followed closely by Christina Lewey of Team 11, sporting an 87. The young men managed to

hold their own and they can also boast two inductees for the week. Ian Burke of Team 8 had an 86 string and Cole Justice of Team 3 bowled an 80 to guarantee their spots in the club.

You continue to make Charlestown proud of its up and coming generation of youngsters. Keep up the good work, kids!

It was a proud moment.

Charlestown Boys & Girls Club To Hold 'Bo Knows' Challenge

Young people, including members and non-members of the Charlestown Boys & Girls Club, are invited to come have fun, win cash and other prizes, and meet the Challenge. The club is hosting the "Bo Knows" Cross Training Challenge sponsored by Nike Inc. and the Boys & Girls Clubs of America.

The Bo Knows Challenge, a fun learning experience for kids, is the first of the year-long, five-part Nike Cross-Training Challenge, a series of athletic and academic competitions for young people in grades 4 through 12.

In the Bo Knows Challenge, Bo Jackson, the super athlete, leads kids through a series of activities designed to expand their know-

ledge and appreciation of the world around them. Weekly events include trivia contests, features on the United States and map-reading contests. The activities culminate in a special event — THE CHALLENGE. Four other Challenges will follow Bo Knows — the Jump Rope Challenge, the Michael Jordan Essay Challenge, the Basketball Spot Shot Challenge and the Workout Challenge.

Winners will receive special awards. There will be prizes of \$15, \$10 and \$5 for the first, second and third place in each of three grade categories — grades 4 to 6, 7 to 9 and 10 to 12. There will also be a grand prize in each grade category for those who have completed the challenges and score the

highest in each. These prizes will include a \$100 gift certificate to the store of your choice plus a pair of sneakers for the first place winner in each category. There will be a pair of sneakers for a second place winner and a Champion sweatshirt for a third place winner.

Youths in grades 4 through 12 should sign up for the Challenge between Nov. 14 and Nov. 21. Practice activities will begin on Nov. 21 at the club, 15 Green St. The first Challenge will be on Dec. 19.

The club hours are 2:30 to 8 p.m. For more information and to sign up, call Connie in the Education Department or Eileen at the front desk at 242-1775.

• DANCE AWAY AIDS

Our young 6- to 12-year-old club members had a special fund-raising experience last Friday and Saturday. On Friday night the kids raised over \$500 for the AIDS Action Committee through a Dance-A-Thon. Then on Saturday, a group traveled to the citywide Dance-A-Thon at the Hynes Veterans Auditorium to present their check. With the shock of the Magic Johnson news and actually meeting with people inflicted with the virus, the kids had an eye-opening experience. Special thanks go to Eileen O'Brien, Beth Krensky, the Library Council and all the club kids who really put forth a tremendous effort for a worthy cause. Also, to all the local businesses who donated food and refreshments, including McCarthy Bros. Liquors, Erin's, Collier's Market and Main Street Market . . . thank you.

• GAMES ROOM YARD SALE

This past Saturday the club's games room was turned into a flea market to raise money for new equipment for the gym. Kristi Kane and all her helpers did a terrific job and raised over \$250. A special thanks is given to all the people who donated, bought or just came up to rent a table and show interest.

The Steppingstone Foundation has asked Connie to recommend bright fifth-grade children for its program. Any parent who would like their child to participate should contact Connie at 242-1775. • KEYSTONE CONVENTION

The Keystone Club recently participated in the Keystone Convention at the Nashua, N.H. clubhouse. The young people from Charlestown participated in a dance contest on Friday night, and Kolleen Hayes came in third place. On Saturday morning they went to two sessions — one was on the Mid-East and the other on the Dating Game which taught the kids about what people look for in friends.

On Saturday afternoon, the kids traveled to Boston and visited the Aquarium and the Omni Theatre. That night, everyone went to the Southie Club for a volleyball tourney where Charlestown beat the Southie team. Casino games were also available for the kids.

The convention ended on Sunday with a breakfast and awards ceremony. Participating in the convention was Lori Burke, president; Corey Gallagher, Kolleen Hayes, Stephanie Ward and David Burns.

• TEEN CENTER NOTES

A 9-Ball Tournament will be held on Thursday night, Nov. 21 from 7 to 8:30 p.m.

On Friday, Nov. 29, the Teen Center will sponsor a teen sleepover. Space is limited, so sign up as soon as possible. For details see Francine in the Teen Center.

Adams traveled with the team to Middleton. Adams, a former club coach and current A-ranked league doubles player, plans to get involved with coaching the team. "With a little strategy, these guys would be dangerous," Adams commented of the team's doubles play.

Head coach Tom Desmond said: "The guys played great. By this time next year, none of the clubs are going to be able to touch them."

Other CHAD players making the trip included Santos Figueroa, Paul Allen, Emmanuel Gabriel and Ming Ngan. Danny Dollosa accompanied the team but did not play due to a pulled hamstring.

tion, McDonough presented an inscribed school bell to Massport Executive Director Alden S. Raine. Accepting the gift on his behalf was Massport Community Liaison Dorothy Steele.

Cheryl M. Walsh, program director for Head Start/Day Care, spoke of the new playground and the importance of Jacqueline Blaikie to the program. Walsh said that Jackie first became involved with Head Start over 22 years ago as a parent of a child in the program and quickly became active as a volunteer. Walsh said that Jackie was

subsequently hired as a teacher trainee and later went on to work on her certification and toward an associate's degree.

Walsh told of Jackie as being a warm, caring individual who gave to everyone. She went on to say that her and now her daughters' involvement in the program has been very important. Walsh told the gathering that Jackie passed away suddenly in the summer of 1975. The playground was originally dedicated in her honor on July 23, 1976 and rededicated in her name on Nov. 7.

The program was followed by refreshments and an

Paul Ferguson Dies At 72

Paul Francis Ferguson, formerly of Charlestown, passed away on Oct. 27 at his home in Ahwahnee, Calif.

Ferguson was born on Aug. 19, 1918, brought up on Pleasant Street and graduated from Charlestown High School in the class of 1936.

He served as a bomber

pilot during World War II and remained in the U.S. Air Force for 21 years until his retirement.

Ferguson is survived by his wife Maryly, son Paul Ferguson Jr. and daughter Mary Catherine. He is also survived by one granddaughter, Kelly Claire Ferguson.

In Memory Of ARCHIE MCKINLEY "Archie"

Archie was not just the man next door,
He was a friend . . . and so much more.
I remember during the summer
He would come over and ask . . .
If he could borrow the mower to cut the grass.
His generosity was known to all of his friends.
It seemed that it had no end.
Although he was silent,
His generosity and kindness
Was loud and clear.
When you needed a hand
With the car or
Re-doing the house,
Somehow you always knew
He'd be there.
Flaherty's Gas Station was the place
He could be found.
He seemed to be there
From morning to night and all year round.
He was a man known and loved
Throughout this town.
I'm sorry that someone so good
Had to suffer so much pain.
Now that he is gone, that doesn't mean
We will ever forget his name.

HIS MEMORY WILL LIVE ON.

Charlestown Youth Hockey Report

by Peter Golden

The local lads from Charlestown turned in a solid performance in this past weekend's action. This week saw the Townies emerge with a 6-1-1 record. The early success of these clubs is the result of a lot of teamwork and effort by the players, coaches, parents and board members. Hopefully both the teamwork and the effort will continue throughout the season.

Mighty Mites

This teamwork and effort is truly evident on the Mite level.

Jack Murphy's Marauders continued on their rampage through the Yankee Conference with a 6-0 shutout of Reading. It was a solid team effort with Jonathan Castro registering his fourth shutout of the year. Marauder marksmen were John Murphy and Pat Doe with two goals each. Single goals were added by

Chad Titcomb and Mike Doe.

Coach Murphy praised the strong two-way effort of the entire team. Dan Considine and Cole Justice were singled out for their fine play along the boards and in the corners.

The Marauders, due to their excellent start, will be moving up to Greater Boston League competition this week. Everyone expects the team to continue its fine two-way play. Good luck, Marauders.

Dan McGoff, whose excellent two-way effort earned praise from Coach Lawrence. Keep hustling, Lancers.

The GBL's Mite I team earned a 5-5 tie with Dorchester in an exciting comeback from a 5-3 deficit in the third period. Townie tallies were netted by Mike Kelly, Ed Kelly, Ryan Mainey, Fred Arroyo and, most importantly, the tying goal by Joe Wilkins. Ryan Connolly was immense in goal throughout the entire game.

Squirt Shots

Dan Considine's Squirt I club doubled their pleasure this weekend with two victories. In Saturday's action the Squirts defeated Somerville 5-3 at the Neponset rink. Jim Kane's two goals led the scoring. Shane Coleman, Chase Runyon and Jamesy Greatorex also found the scoring touch.

Sunday's matchup found the Townies opposing Brookline on home ice. Once again, the Squirts answered the challenge with an exciting 3-2 victory. Ed Prince, Chet Ferreira and Jim Kane were the snipers who lit up the red light.

The Squirt II team,

coached by Jim Kane and John Hayes, emerged victorious by a 4-1 count over Brookline at South Boston. Bobby Krol found the scoring touch with two goals. Dan Noonan and Mike Sweeney added single scores. Pat Kane came up with a number of big saves.

The coaches were pleased with the great two-way effort of their club and expect it to continue. This type of effort produced their first win and will produce more in the future.

Pee Wee Patter

The Pee Wee I sextet continued their winning ways with a 8-2 defeat of Waltham. The Pee Wee I club featured a balanced attack. Pat Walsh with two scores was the top goal getter. Dan Awbrey, Mike MacPherson, Terry Smith, Chris Lent, Joe Brennan and Joe Lawler also found the back of the net.

Jeremy Manning played another solid game in the nets. One secret of this club's success is its unselfish play. All skaters contributed at both ends to produce the victory.

The Pee Wee II sextet fell to Somerville 4-1 on Saturday night. Don't let the final score mislead you! This was a close hard-fought battle that wasn't decided until the third period. Despite falling behind early, this club continued to battle back in this hard-hitting contest.

Joe Tallent was this club's only marksman to find the net. The Pee Wee IIs displayed a solid effort in the game and need only to eliminate a few mistakes to produce a victory.

Bantam Beat

The Bantams broke their losing streak in a big way Sunday. The Bantams belt-

ed Dedham 11-0 in a bruising contest. Jason Scales' hat trick topped the score sheet. Twin goals were recorded by Jason Smith, Keith Wallace and Mark Saitta. George Rodriguez and Gordon D'Ambrosio added single tallies each. It's good to see this club back in the win column. Hopefully they can keep the magic trick alive in the coming weeks.

In-House Report

Saturday's In-House games saw the Hawks defeat the Flyers 7-4 in a solid game. The second game was a wild and woolly affair as the Bruins beat the Sabres 16-12 in a wild shootout at both ends of the ice. The night cap was a tamer affair as the Whalers defeated the Wings 5-2 in a battle for first place.

Betty Doherty

Thank you

On behalf of the Daughters of Isabella No. 1, I would like to thank Terry Ring and Peter Looney for giving up their Saturday afternoon to help us run a very successful meat raffle.

Our thanks to the Knights of Columbus for their never-ending support and help whenever we need them.

We certainly do not want to forget those who helped sell the chances: Carole Savinsky, Mary Longo, Mary Callahan, Keliann Burton, Mary Featherston and Paul Allen. We would like to thank all who donated door prizes. A very special thanks to Camp Bunker Hill for donating two 12-pound turkeys and thanks to Collier's Market where the lucky winners will pick up their meat.

Many thanks to all who came and took chances and supported us. Thank you for being there.

Most sincerely,
Judy Burton, president

My Thanks To A True Townie

To the Editor,

In this day and age, all we seem to hear or read about are the bad things that happen in the world. Well, I would like to tell you about a nice young man who can truly wear the title "Proud Townie."

I was travelling home on the bus this afternoon, Wednesday, Nov. 13 when I lost a small case with some of my personal papers in it. I didn't notice the case was missing until I arrived at my home. Needless to say, I was very upset. My doorbell rang and a young man named James Greatorex, a sixth-grade student at St. Clement's School, was standing there. He had found my case on the bus at Sullivan Square and went out of his way to return it.

I would like to thank James very much for taking the time to return my case.

Sincerely,
Francis Connolly
