

Summary: Minimal change in the news about the RV, except that things DO seem to be advancing. We hear that the RV process is being pressed hard by POTUS and CHINA to get it done this fiscal year, which means this month. POTUS wants to have eight days left this fiscal year for the Tier 3 and 4 people to begin their exchanges.

There has been a lot of work by the White Hats to take down groups of corrupt bankers and others in the process. I have two sources saying that high level officers in the US Treasury have been removed and/or arrested for corruption initiated by a certain Hungarian businessman.

Operation Disclosure: GCR/RV Intel Alert for September 21, 2018

RV/INTELLIGENCE ALERT -

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not accurate. Other confirmed sources may also be included in this overview.)

Zimbabwe's President Mnangagwa is scheduled to speak at the UN General Debate on September 26, 2018

Trump will also be appearing at the UN Security Council on the same day prior to Mnangagwa.

According to sources, the new official RBZ rate may be announced by Mnangagwa during his visit at the UN.

If Mnangagwa announces the new RBZ rate at the UN, it will trigger the worldwide redemption event (RV) which will eliminate Zimbabwe's national debt. [NOT!—DLE]

The elimination of Zimbabwe's national debt will trigger cascade of systematic geopolitical events bringing all nations to GESARA compliance. [NOT!—DLE]

Once all nations are GESARA compliant after the cascade of geopolitical events, the enactment of GESARA law will be disclosed at the UN.

Another significant date is the end of the US Fiscal Year on September 30, 2018.

Multiple South East Asian countries hold vast amounts of gold leftover from the Japanese during War World 2. This includes Vietnam, Philippines, and other countries. This gold is being used to keep these countries from economic collapse until the QFS is operational.

The toll-free 800 numbers and instructions are expected to be released immediately after Mnangagwa's announcement of the new RBZ rate.

TNT TONY's call TODAY:

SUMMARY:

- The most important thing I heard today is this quote from Tony: "The rates are supposed to be locked in BY tomorrow. Yes that means maybe today, but BY tomorrow. Those rates are dinar \$3.71, **dong \$2.00** [WOW this seems to now be the most popular settled on rate rather than the \$.47!!!], ZIM \$.22 w 6 zeros removed." [go DONG!!!]. Tony later confirmed he had NEVER before told us this or anything like this. When pressed he did confirm "that yes something could happen today." [BY THE WAY: You can pop into a Chase Bank if you have an account and order as many millions of dongs as you wish any day of the week, at least so far this week. I paid \$44~ for the last ones I bought. Just sayin']
- He does know that the US Banks had high level meetings again yesterday and "they are chomping at the bit and they are all on the same page!" The "window dates" for this to happen were moved from Sept 15-22 to Sept 20-25.
- The rumor is **that tomorrow in the Gazette the final numbers, rates, etc will be published.** That tells me it must be going down tonight! Again, we only have to wait until tomorrow to know, or maybe Sunday as news out of Iraq is sluggish.
- Tony himself thinks it makes more sense and would be fiscally easier to pull off immediately after the change to the new fiscal year that begins at midnight on Oct 1 (with Sept 30). That prevents the headaches of making stuff retroactive back to Jan 1. [SKIRACER: Now this is contradictory. Either the fiscal year starts Oct 1 or it starts Jan 1. You do not mix those two together. Choose ONE and only one. So the rebuttal argument doesn't hang together. IF they have to go back Oct 1 it should be to Oct 1, 2017.]
- **The situation in Iraq is that the crooked criminals could not win the popular vote.** So they tried challenging the validity of the vote through the judiciary. That did not work either. Now they are outright trying to buy the positions. Some winners are being offered \$20-\$30 Million US to sell their seat and get out of politics, yielding the seat to "the bad guys."
- Iraq is pushing back on this mightily. They want a fair transparent government finally without graft and corruption.
- T was asked by a caller if the US Govt could step in and try to get this done? YES!

- Iraq set new dates for the rest of the election of the 2 assistant deputy speakers and PM to Oct 2 (From Sept 25). BUT Tony advised us to “watch what they do not what they say.” He went on, “This is a very good time to shock everybody!” *[SKIRACER: I am reminded of what was predicted maybe 7-9 yrs ago about THE DAY when RV WOULD HAPPEN. We were told there would be purposeful lies told to us, misleading us, diverting us.]*
- Iraq and USA know exactly WHO is to be in what positions. It is all settled. Yet we are being told about the candidates and positions and that they’re still up in the air, creating angst and uncertainty where they’re actually is none. "This is all just a show dragging it out until the date they want."
- There have been high level governmental meetings both in Iraq and USA with assorted important people making classified decisions. So the wheels are turning in the background while we are seeing the smoke screen.
- Everybody knows who they are voting for in Parliament for this GOI positions. It is a done deal, including the Kurds.
- **That infamous HCL is also signed, sealed, and delivered.** This is also the case per a few other gurus, as you’ve been reading in these missives.

EXCHANGE INFORMATION UPDATE:

- As I’ve told you all a million times, we are awaiting the release of the 800#s. When we get the 800#s we are to call and make our appointments, telling exactly how much of each currency you have in that currency denominations.
- **We may be given only 5-8 days to all get through.**
- There will be separate exchange centers as well as MAYBE using existing banking locations so as not to draw attention to the banks or disrupt daily business as usual.
- The banks expect us to call in within 2 hours of their publishing those numbers.
- There are rigid timelines associated with our exchanges, so your decision will be how certain you are you want to be Second or Third Mouse instead of First Mouse.
- My decision, if it matters to you, is that I am SOOOOO good with the rates quoted above I am going to be First Mouse and get in and get out! OF course I will ask if there are contract rates offered and if so what they are. Then I will make my decision about them and the associated NDA that must be signed. I can get weird about signing those kinds of things, so time will tell how it plays out. Each of us is able to negotiate terms and conditions, so be thinking about that and have your list prioritized.
- Our exchange event time has changed from a 30 minute window to a 45 minute window per person. During this time we will now receive a list of personal bankers, wealth managers, team members, etc to contact at later times. There was a bit of chatter about the larger 5 banks (Wells, Bank of America, Citibank, Chase) expecting many of their personal bankers and wealth managers to resign as soon as it happens *[Hmmmm]*. This forces them to refer us to other smaller banks in the local areas and regional banks.
- If you end up with less than \$1M US they might give you 30 days to move the \$\$ out of their bank. *[WOW. Kicking you out??]* The reason is the lack of personal bankers and wealth managers...supposedly.
- Have your bag ready to go: List of your currencies and amounts, bank account numbers, pen, small tablet, calculator, 2 forms of picture ID, receipts or gift letters in a

Schumer's Warning

Senate Democratic Leader Chuck Schumer quickly warned Trump against seizing on the report as a reason to dismiss Rosenstein.

"This story must not be used as a pretext for the corrupt purpose of firing Deputy Attorney General Rosenstein in order install an official who will allow the president to interfere with the Special Counsel's investigation," Schumer said in a statement. He added that many "White House and cabinet officials have been reported to say critical things of the president without being fired."
