Research is great but like I have talked about before I am more about emperical determination. I like to see myself as a test subject and SEE for myself if things actually work. And I have to say, if I really stick with variety I feel an improvement in my gut microbiome and my overall digestion and a stronger immune system. Just have to stick with the rainbow. ☐

□ Making one meal such as roast chicken & veggies and then RE-incorporating it into many other dishes is one of the easiest foodie tricks around.

Warm or Cold Water?

Cold

Room Temperature

Warm

Cold water makes mucous thicker, and your blood vessels shrink, which makes digestion and nutrient absorption more difficult

Good for:

- Digestion
- Detox
- Pain Relief

Good for:

- Fat Loss
- Flush Out Mucous
- Blood Flow
- Constipation
