“I contacted Bessie with a very challenging and complicated project for Puma football, not only did NE14.TV do an outstanding job of finding some amazing characters for a very tricky brief but they were also very useful and proactive as a production services company. We found this to be invaluable. We were able to gain easy access to some amazing people and places in Newcastle that would have otherwise been unavailable or very difficult for a London Production company to find.”

- James Covill - Hungry Man Productions

Vera -ITV-

Beowulf -ITV-

Wolfblood -BBC-

Harriet's Army -BBC-

Brown Ale -New York-

Wire in the Blood -ITV-
