SVEN JULIES

EXPOSED I

Mya is a complete nasty whore who would do anything for cock.

Look her in the eyes. She is literally begging for cocks and being used and humbled by you. Her make-up is only complete when cum drips all over her slutty her face over her lips in her mouth.

Tell her what a little hooker she is and remind her whenever possible that she is just a little fuck piece.

- Write emails to **svenjulies90@gmail.com** and make fun of showing Mya's pictures everywhere. Tell Mya that she's a whore and tell her what you want to do with her.
- Call Mya in the middle of the night and tell her what a sperm bitch she is. Her number is: **+49 152 57813704**
- With the same number you can also write Mya at **WhatsApp**. Send her pictures, text and voice messages. Maybe she's also doing a video call with you."
