

Group Purchasing Opportunity

...for qualifying small to mid size businesses.

My firm has created a new private group purchasing organization (GPO) for qualifying small to mid size businesses. When your business purchases together with others through the GPO you can potentially save 10-30% annually over your current suppliers in many key areas including:

- **HR/Payroll & PEO Services**
- **Telecom Services**
- **Merchant Services**
- **Managed IT Service**
- **Fractional CFO Services**
- **Web Design & Digital Marketing**
- **Foodservice**
- **Facility Management**
- **900+ more suppliers and growing!**

To qualify for the GPO the business must meet one or more of the criteria below:

- veteran owned and operated
- business does \$1M - \$100M in annual sales
- business has 10-1,000+ employees
- a portfolio company of a PE firm we know
- customers of our vendor partners
- a member of an industry/trade association we support
- franchisees of select franchise organizations
- retail/office tenants of CRE firms we know
- restaurants, hotels, golf courses, and property management companies
- independent medical /dental and other healthcare related businesses
