# Cheers to 2020!

Everyone in the Taking Shape team, know that Christmas is my all time favourite time of the year! We want you to shimmer and shine this Christmas. With new and exciting summer collections for our favourite customers.

Summer is upon us, people. That means it's time for lightweight linens, bright pops of party colours and our favourite pieces to make us shimmer and shine on the party scene this Christmas.

We are trying something new. We know you love our key fashion looks, and all the new shiny collections get you excited! We also

know you are more than JUST what you wear, so we've brought you a range of fabulous content pieces sure to get you excited for the summer party season.

Why not take some tips from us on how to hold a fabulous poolside soirée; we'll show you what music to play, what cocktails to charm your guests with, but MOST of all the looks you can wear to be the hostess with the mostest.

Pop the bubbles, turn up the tunes and a big shiny cheers to the new decade. Here's to 2020!
