

# Gifts That Earn An A+ In Any Teachers Gradebook

Not sure what type of gift your [kisscartoon alternatives](#) child's teacher really wants? Wanting to avoid giving them something which they thank your child profusely for only to discard in the trashcan the minute they get home from school? Want to avoid the embarrassment of seeing a gift your child gave re-gifted to another teacher. The following items were listed by real teachers as some of the things they REALLY look forward to receiving.

School is stressful enough for all parties involved in the gift-giving chain without parents or students having to rack their brain trying to think of the perfect gift to present to said teacher only to present the said gift to the teacher which he or she doesn't want must feign delight in. Boy, that sentence was a mouthful!

A common solution most parents take to finding the perfect item for their child's teacher is to head over to Pinterest for possible suggestions for gifts that will have the receiver of said gift gushing the rest of the school year about the coolest thing they have ever received in the classroom. Others head over to the world's number #1 retailer Amazon searching for "teacher gifts".

# School is stressful enough for all parties

Most often these methods kisscartoon alternatives lead down a rabbit hole of disappointment and wasted time. So what's the answer? Sites such as Instagram can offer some valuable information on what really lights up a teacher's eyes when it comes to gifts received. Some of these might surprise you but they are all from the horse's mouth so to speak. So without further ado is the good the bad and the ugly.

## The Bad & The Ugly When It Comes To Teacher Gifts

It may come as a surprise but one of the most popular gifts given to teachers every year is one of the least favorite gifts received by teachers every year. We're talking about the proverbial coffee mug. Most teachers with at least a few years under their belts will be awash in coffee mugs.

The sight of another fresh-faced student placing a kisscartoon alternatives poorly wrapped coffee mug on the desk is enough to make any teacher head to the teacher's lounge for the strongest drink they can find. Surprisingly more than one teacher mentioned they wouldn't mind receiving a Starbucks tumbler mug as a gift.
