The Bands

Elvis Elite - Steve Elliott is a World Class tribute Singer and Entertainer from Vancouver BC who has supported our charities for many years. He is a full time Entertainer / Vocalist paying Tribute to the Centuries most Celebrated Entertainer... "Elvis Presley"! Steve has the Young Elvis down to a Tee, along with the Hip swivels and classic Duck walk that made Elvis so recognizable in the 50's! Crooning through the Ballads and Rockabilly Hits, Steve is ready to Shake things up! It doesnt' stop here. Steve also performs as the 60's Elvis, and the Las Vegas Years with plenty of Costumes to Flair!

Six Gun Romeo - They are an eclectic melting pot of genres, styles and feel. Melodies, riffs, hooks & originality. This group of guys have been huge supporters of our show over the years. Influences everything HIGH ENERGY! Roots rock, rhythm & blues, classic rock, honky-tonk & country. The band's sole aim is to give you the show you deserve to get you off your butts, get you on the dance floor. SGR is from Western Canada and has played over 300 shows, events, festivals & released 5 albums. Toured Western and Eastern U.S. 3 times and 2 European Tours in a 8-year span.

The Real Canadian Rock Band - Hailing from the province of British Columbia, Canada, these three rockers have embraced and are dedicated to channelling the sounds that are uniquely Canadian, while also venturing into the Classic Rock Time Machine. Back for more in 2021, these guys keep on donating and rocking for the crowds. From far and wide, The Real Canadian Rock Band delivers! April Wine, The Tragically Hip, Steve Miller, George Thorogood, Trooper, The Cult, Loverboy... the list is virtually endless. Party with us, and you party CANADIAN STYLE!

The Rhythm Method - This 7 piece RnB, Funk, Pop and Rock band is not new to the entertainment scene and is back for their fourth year supporting our event and donating to our community. Winners of the Hard Rock 2016 Rock the Mic contest, TRM play favourites from the 60's, 70's, best of the 80's and 90's and todays dance hits. The Rhythm Method is fronted by two very talented and dynamic lead vocalists. The oh so sexy Nikita Graham and Kurt Turner (also sexy) who not only sings but plays trumpet and trombone. Brothers Gary and Dean Way keep the rhythm tight on bass and drums respectively. The equally talented Stuart Hrysiio shreds the guitar while Ron Froehlich rocks the sax. This group of musicians make The Rhythm Method one of the most exciting cover bands to come around in a while. Whether you've come to dance, watch or just listen, TRM has got you covered.

Diego Fontana - This young man is very talented and back for his second appearance with our event by request. Don't let this solo act fool you. His classic style will capture your ears as he plays some of the best known cover tunes that we all love so much.

The Bombers - This years new comers are a talented local group that are no strangers to the stage. The Bombers are a blue collar band that play straight up Rock & Roll that'll keep your party rockin' all night. The fun starts with the frontman John Dykstra Junior, an energetic and charismatic man that displays passion for his love of music and performing. The heartbeat of the band is the rhythm section, Reno Riggio on the drums lays down a steady beat as John Dykstra Senior keeps it tight with his bass. Pete Konrad is a rocker on the guitar with meat and potatoes sound and melodic phrasing. The final ingredient is that backing vocals provided by Kim Konrad and Barb Ramsay.
