

# Free fursuit/cosplay photoshoot

For a limited time, I'll open 3 photoshoot slots, each with a duration of 1 hour for **free**. **The only criteria is that you live close to Oslo**. To get the chance to have one of these slots, all you need to do is:

1. Send a picture of your fursuit or cosplay via PM to @UsagiPhoto on Twitter or through <https://www.facebook.com/usagiphoto/>
2. If possible, include some thoughts about how you want the pictures of your fursuit or cosplay to be. This could be anything from a location that you know of, style of photography or props you wish to include.

I will pick 3 of you who will get a 1 hour photoshoot for free. We will arrange and plan the photoshoot together after the lucky 3 has been picked and announced. You will get to keep all the pictures for you own use, but I would like to watermark some of the pictures (This includes editing and color correction). I would also appreciate a mention when the pictures get published :)

That's all! Feel free to contact me if you have any questions.
