## AL-QAIDAH IN THE INDIAN SUB-CONTINENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

### **A Jihad Not Conducted In Accordance To The Shariah, Will Only Reap Strife & Turmoil**

Based on what we have learned from the media reports about the recent Chittagong killing, we want to inform the scholars of Islam, the students of knowledge, the general Muslim population, and also the taghoot of this land as well as the soldiers of taghoot:

Even though agencies like RAB, DB, DGFI & BGB have always fought against Islam & the mujahidin of this land on behalf of international, regional & internal forces of disbelief, even though for years they have subjected the mujahidin to barbaric torture & handed them over to the kuffar to please their kafir & taghoot masters & to secure petty promotions, even though at times members of these agencies have even carried out unspeakable assault, oppression and torture on the families of the mujahidin, and even though the members of these oppressive agencies are the very ones responsible for indiscriminately shooting & killing scholars of Islam and students of knowledge at Shapla Chattar just to please the islamophobic nexus, the taghoot government and its brahminical overlords – still we do not believe the heinous crimes of the members of these agencies can ever make attacking their family members justifiable or permissible from the point of view of the Shariah. For Allah the Lord of the worlds have declared in the glorious Quran:

وَلَا تَزِرُ وَازِرَةٌ وِزْرَ أُخْرَىٰ

“And no bearer of burdens shall bear the burden of another...” [Surah Fatir, 18]

Our beloved Prophet Muhammad ﷺ has stated:

أَلَا لَا يَجْنِي جَانٌ إِلَّا عَلَىٰ نَفْسِهِ. لَا يَجْنِي وَالِدٌ عَلَىٰ وَلَدِهِ، وَلَا مَوْلُودٌ عَلَىٰ وَالِدِهِ

"No criminal commits a crime but he brings (the punishment for that) upon himself. No father can bring punishment upon his son by his crime, and no son can bring punishment upon his father." [Sunan Ibn Majah]

For this reason we do not support nor condone this attack, regardless of whoever is responsible for it. Rather we believe punishment is not applied on a person for the sin of another. This is what the Shariah teaches us. Therefore, no matter how long the list of crimes of a certain member of RAB, Police or Army is, no matter how heinous his crimes against Islam, Muslims, tawhid and mujahidin are, Ansar al Islam (AQIS) does not think it is permissible by the Shariah of Allah to intentionally target & kill his wife or children for his crimes. Thus we do not support this act or any such acts. We believe such attacks are against the principles of Jihad taught by our beloved Prophet Muhammad ﷺ.

Although we do not even support this murder, the media and many in the taghoot government are scheming to pin the blame of this murder on jihad and the mujahidin. We believe this is a ploy by the media to tarnish the image of Ansar al Islam. By the grace of Allah the Almighty, Ansar al Islam have steadily won over the hearts & minds of the general Muslim population, students of knowledge and scholars of Islam of this land due to its consecutive blessed and successful attacks on the Islamophobic nexus & the

purveyors of sexual depravity & deviance on behalf of the forces of disbelief. Because of this, the media which is in actuality slave to the forces of disbelief and taghoot, is now trying to pin the blame of this murder on the “killers of bloggers”. By the will of Allah the Almighty, just like their previous plots this plot of theirs will come to naught.

The Messenger of Allah ﷺ has generally forbidden the intentional killing and singling out for attacks those women and children of the enemy who do not participate in battle. Muslims in general and the mujahidin in particular are bound to always follow the Shariah. We do not have the right to select targets or to spill blood based on our whims and desires. Rather in terms of selecting targets and executing attacks we are obliged to abide by the Book of Allah and the sunnah of His messenger ﷺ at all times.

Till date, all the blessed attacks carried out by Ansar al Islam (AQIS) have been on targets sanctioned by and in accordance with the incontrovertible and infallible Shariah of Allah. Thus to all contemplating & thoughtful observer this truth becomes clear that the methodology of attacking general muslim population, or the methodology of targetting the women and children of the families of the soldiers of taghoot, and the methodology or manhaj of Ansar al Islam are not the same. Rather these are two different and distinct paths, never intertwined. Ansar al Islam (AQIS) selects every target after careful consideration and deep shar’ee analysis, and only then operations are executed. We have already declared who will be our next target, and who are the ones in our sights. Our declaration is public, clear and in it there is no room for obfuscation. Those who want to pin the blame of this attack on us, those who want to tarnish the image of the mujahidin, those who want to raise doubts and questions about Jihad fee sabilillah, even after this public and unmistakable declaration, they need to be very careful about themselves and their transgressions. Every opportunistic liar and gossipmonger needs to be wary.

Allah the Mighty and the Majestic has ordained Jihad as an act of worship, an obligation. A worship is accepted only when it is performed in accordance with the Sunnah of the Prophet ﷺ, remaining within the boundaries set by the principles of Shariah. The obligation and rights of this great and blessed act of worship can not be fulfilled by whimsically spilling blood. Therefore, our manhaj (methodology) is not the manhaj of getting retribution at any cost and spilling blood whimsically. Verily our manhaj is not that of vengefulness and violence for the sake of violence. Rather our manhaj is one of Dawah & Jihad according to the shariah revealed to our beloved prophet Muhammad ﷺ, the understanding of the pious predecessors, and the explanations of the vanguard scholars of the Muslim nation. Our manhaj is one which is a mercy to the Muslim nation and mankind. And in this methodology there is no room for laxity or extremism. The mujahidin of Tandhim Qa’idat al-Jihad all over the world, under the leadership of Shaykh Ayman adh-Dhawahiri (may Allah preserve him) are following this very manhaj of the reviving martyr Shaykh Usama bin Ladin (may Allah have mercy on him). We have not deviated from this blessed manhaj and all praise belongs to Allah.

Therefore, the sword which we have unsheathed against America; the center of Crusader-Zionist axis, against the taghoot regimes subservient to it, against the islamophobic nexus which is backed by it & against the regional brahminical forces, the sword which we have unsheathed against the heads of kufr, will not strike women and children. For this is never our goal.

At the same time the soldiers of taghoot in this land, and the slaves of international disbelief as well as regional brahminical forces are hereby warned, this sword will not be unsheathed and they will not escape this sword until they change their current positions and policies against Islam and Muslims. Verily we are humble towards the believers and mighty and stern towards the kuffar. We are the followers of the Prophet of Mercy and the Prophet of intense warfare, Muhammad ﷺ. Verily we are obedient followers of his ﷺ path and not innovators. And all praise belongs to Allah the Lord of the worlds.
