

Eimi Fukada is a Japanese vocalist and also actress best known for her hot body as well as hot look

Born in Tochigi Prefecture, Japan, she began modeling at an very early age and functioned as a journalist prior to turning to acting. After working as a publication writer as well as model for a number of years, she ultimately made a decision to pursue acting full time, and landed herself roles in numerous films and also anime collection. Eimi Fukada provided her the experience and confidence required to pursue her dream job as a version and also singer, and also led to her becoming one of the very successful women Japanese stars of all time. Currently, she's back with a new memoir/photo book called "A Girl's Guide to Love," which profiles the experiences she has actually had as a professional entertainer and additionally covers her personal life.

Eimi's story starts in the country countryside, where her mom's alcoholic spouse takes up with one more female. Although she does not such as to confess, Eimi privately longs to be residence with her household. When her representative tries to assist her protected some work in Tokyo, nevertheless, she continues to be in rural Japan, staying clear of benefit concern of what she will do next. Eventually, she run into a lady from the very same community, Mio Matsubara. Mio takes her to a local coffee shop, where they invest the rest of the day talking and also at some point fall in love.

The complying with morning, Eimi is hurrying to college when a bus traveler journeys by and also catches her checking out a picture of Mio. Impressed, she rapidly breaks a image of the two together, which she promptly posts on her MySpace page. Within a short time, the image cd has been shared online and also has gained considerable appeal. The charming picture of Mio as well as Eimi has come to be a preferred icon for both young as well as old alike, and the love in between them is noticeable to all who see it. In the end, it is clear that the genuine reason that Eimi made a decision to create a hot woman picture album was since she wanted to discover a means to share her love of Mio with the world.
