Smart Kids Essay Contest Winners

Last week Ms. Amanda held an essay contest for the Club members. They were asked to write about what the Boys & Girls Club means to each of them. We are so excited to announce our winners of this contest! We had many amazing submissions, but our winners are Ambre'ana in 1st place, Alacia and Day'ona tied for 2nd place, and Jamar for 3rd! Each member had a lot to say about what they love. Ambre'ana loves the Boy & Girls Club because of the homework help and the staff. Alacia likes that she can learn new things and improve her manners. Day'ona likes that she is treated well and gets to attend fun events. Jamar likes the provided meals and snacks, homework help, and the fun staff! We had a blast reading all these essays. Thank you to all our members who participated!
