Paris Landing Pack_Explore
October 2018

Paris&Co launches a new call for applications for the next session of Paris Landing Pack_Explore!

Foreign-based startups looking to expand into the French market are invited to apply to Paris Landing Pack_Explore, a **business acceleration program** organized by Paris&Co.

This **1 month program** will take place in **October 2018**. It will provide selected startups with a complete set of workshops on how to do business in France.

It will give entrepreneurs the opportunity to validate their solution on the French market and explore business opportunities in Paris:

How to make my startup visible?
How to develop my business in Paris?
How to make it in Paris, practically?

Based in a **co-working space in the heart of Paris, named COMET,** and **surrounded by startups from all over the world**, they will get the chance to dive into the thriving Parisian Tech Scene.

In a nutshell: fast-growing startups under 8 years old and looking to expand into France, preferably active in the following fields:
* IT * Medtech * Traveltech * Tourism *Sports * Foodtech * Mobility & Smart City
* Circular Economy *EdTech, HRTech * Digital & Cultural industries * FinTech

Application open until 2nd of September under:
