Hello Sufiyan!

I selling Alidropship + Alidropship Woo plugin:

35\$ for license 1 site.
89\$ for license 5 sites.

(Original price from alidropship.com is 89\$ for license 1 site)I also have version of 8 (5 premium, 3 free) addons: <https://alidropship.com/addons/>
Countdown Timer, UpSell, Facebook Business, Google Merchant, Recent Sales Pop-Up, Abandoned Cart, Customers Gallery, GA Enhanced Ecommerce

35\$ for 8 ADD-ON for 1 sites.
89\$ for 8 ADD-ON for 5 sites.

(Original price from alidropship.com is 139\$ for license 1 site)

Support Update new version when possible.

What will you get?

AliDropship ver. 1.7.4 – 25.06.2019 (current version)

AliDropship WOO ver. 1.5.5 - 27.06.2019 (current version)

Source code of Plugin and Addons is ORIGINAL from Alidropship.**I DID NOT** change any line of code of plugin, just generate license and making activate with different approach.

You can download latest update by yourself via wordpress plugin or from their forum.

or if you have 1 license from alidropship.com you could download plugin by your self and use my way and my license to active your sites.

You could pay via PayPal.

My Paypal is: ndogsapi@gmail.com

After receive money I will give you plugin download link and license key for your sites.

Plugin:

Download Link Alidropship Plugin : <http://www.alidropship.xyz/ali.rar>

(If you already have 1 license from Alidropship.com you could download plugin directly from <https://alidropship.com/updates-plugin/> then use my way to active plugin for your new site)

Please make a sure you already have domain with SSL installed.

Prerequisite :

- 1. You must have manually wordpress installed on your hosting server** download latest wordpress here <https://wordpress.org/download/>
- 2. How to install wordpress refer to this** <https://www.wpbeginner.com/how-to-install-wordpress/>
- 3. After installed change http to https setting in wordpress tab, refer this for instruction** <https://make.wordpress.org/support/user-manual/web-publishing/https-for-wordpress/>
- 4. Move to permalink setting, set to post name, refer to this** <https://www.wpexplorer.com/change-permalinks-wordpress/>

Step 1:

Extract .rar file you will get 4 zip files. Choose 1 version match with your php version to install plugin.

Step 2:

After installed plugin please enter this license to a license box: **b163155cf33ab8c8709de62165c48df7** <--- This is Your License

It's will shown message **wrong data** but don't care about that message.

Step 3:

After that you **must active website** by access to this link: <http://www.activeme.xyz/active.php?license=yourlicense&site=https://yoursite.com/>

Change 'yourlicense' to: **b163155cf33ab8c8709de62165c48df7**

Change '<https://yoursite.com/>' to site you already install plugin and want to active. Please don't forget / slash at the end.

You will notified license activated and how many remain license to be activate.

Step 4 :

On your wordpress dashboard select your alidropship tabs you could start to import product.

FOR UPDATING PLUGIN :

You could refer from alidropship official forum

<https://forum.alidropship.com/forums/news-updates.4/>

Register yourself and start download base on your version.

Or I will update regularly from this <http://www.alidropship.xyz/ali.rar>
