MOM**

# Super Mom's Solutions

We are here to redefine the dependencies and make something truly decentralized. **Super Mom is the Antidote to Rugging and Manipulators!**

## CONVENIENCE

Our community-driven token is something in which everyone can partake and truly discover the full potential.

## SMART MANAGEMENT

Everything is governed by our automatized smart contract, therefore we completely exclude the possibility of rugging or exploits.

## COMPLIANCE

Our tokenomics allow a system of continuous Buybacks, Burns and Distributions. Therefore, long term holders are highly rewarded and the early-sellers are only losing a huge potential.

## TRANSPARENCY

Locked Liquidity, Renounced Ownership and No Team Tokens are only a few of our Transparency Principles. We are here to introduce something absolutely unseen and rug proof.

We invented a system which can maintain itself and reward consequently its investors in multiple ways.
