WITHIN APPROXIMATELY ONE WEEKS IN

It is not ETHICAL, it is more typical of people who are not honest and without values, NON-MORAL, that some relatives manipulate (and "lather") an old 90-year-old grandfather to leave the legitimate inheritance of an uncle, his son of that old man, to his granddaughter.

This is called

ABUSE,

HARASSMENT

REAL ESTATE

MOBBING

or

HERITAGE

HARASSMENT

**THE C. OF THE SANTA CLARA HOSTAL
MAKES "PATRIMONIAL HARASSMENT"**

**"BUTTER UP" THE 90 YEARS OLD GRANDFATHER
AVARICE**

*I would
be ashamed*

*Not in all the places
where you FIT,
that's where you BELONG.*

**Don't get into life from
others if you don't want that
they get into your life**

Charles Bukowski

**"If you managed to cheat a
person, it doesn't mean that
they are stupid, it means
that they trusted you
more than you deserved".**

They are like "Mora's dog,
that's falls in love
with everything"
(Catalan proverb).

* Since I was a child my father PROMISED
me that for me it would be the property of shops.

And not only once,
but ***MANY TIMES.***

It was very clear !!

* A *first testament* was made where
there was such a promise.

* Later I had a *DONATION OF*
22.5% of "such" property or promise.

* In case it was not enough, in a *second testament*
or will, the same promise was embodied.

"Man is an animal that swindle, and
there is no other animal that swindle
outside of man"

(Edgar Allan Poe)

But in the meantime with the arrival
of the new neighbor who drinks,
my brother's partner,
abuse, discussions
and conflicts arrive.

And who has to pay for the "fuss"?

Well, who doesn't make it.

And the one of "good faith" left them
and offered to take the place (bar cantonada),
that should be a music store.

A dramatic landscape photograph of a stormy sea at sunset. The sky is filled with dark, heavy clouds illuminated from below by the setting sun, creating a mix of orange, yellow, and deep blue tones. The water is dark and turbulent, with white foam from the waves visible in the foreground.

"Granting "too much goodness",
altruism, generosity and to do favors
to false, ungrateful and treacherous subjects
(whether family, friends or acquaintances)...
can harm and damage you a lot".

*"The ingratitude is the
amnesia of the heart".*

Gaspart Betancourt Cisneros

And between discussion and discussion by
drunkenness and for a lot of more messes,

"Mora's dog" appears.

The opportunity of
TO TAKE ADVANTAGE OF
the disagreement

...created by the "bottle-empty",

and that the "Mora dog" takes advantage
and fall in love with what I was promised
(embodied in two testaments or wills and
starting with a first donation).

"OPPORTUNIST
AND
INTERESTED",

She's well
portrayed.

**Not in all the places
where you FIT IN
that's where
you BELONG**

"If you want to understand
a person, don't listen to their words,
observe their behavior".

Albert Einstein

HONESTY

is a very expensive gift.

Don't expect it from
cheap people.

Warren Buffett

That is to say, that it ends up being granted

(in the second testament -

in which 50%, half of it is taken from me)

a great real estate near the bridge of Torroella.

in Catalan paremiology it is said:

"It is better to fall in grace
that to be funny "

By the way, half part was from the father
and half part from the mother.

Then this second testament or will was used
to "coax" the mother to sign
and leave her will in the name
to the granddaughter,
although, if you talk to my mother now
she would tell you that

"I DON'T WANT IT SO
AND I WANT TO GIVE MY
PART TO MY SON "(normal),

because the granddaughter

HAS NOT HAPPENED

NOT ONLY ONE NIGHT AT HOME

WITH MY FATHER AND MOTHER

-SHE'S FROM ANOTHER HOUSE,

FROM SANTA CLARA

(HOSTAL SANTA CLARA ESTARTIT).

***Not every place

**You weren't born to live
the lives of others better**

the lives of others, better
DEDICATE YOURSELF TO YOUR LIFE

*I've always been registered in the adresse where
my father and mother have been and
I've always lived with them, living day to day and
under the same roof,
can't be said it by any other person,
neither brother nor any descendant of him.*

*It is impossible to explain here what I have come
to do for my parents. Those who really know me
can tell you.*

**"Gratitude is when memories
are saved in the heart
and not in the mind".**

Lionel Hampton

Also the father, or grandfather, leaves to that
granddaughter two floors where his father
lived in with the woman who drinks
(and I think they cannot get rid of her) ..

We keep counting ..., this last year has been closed
a great hotel in Estartit and it ends up selling.

A server who writes this and that

all his live has been living with his parents

(both at the hotel and at home later),

I don't see any money.

I don't want them either.

They didn't promise me

(it should fall from my brother's side),

and I respect him and

I have not asked for anything

I won't even ask them.

People have to be honest and respectful

(I don't dedicate myself like others

to creating discomfort wanting

something doesn't promised or

what has been promised

to someone else)

**The envious doesn't want
what you have, wants
you not to have it.**

But now that the hotel has been sold,
now it turns out that they
look at **DEAL OUT**
(DISTRIBUTE) the PROMISE

that father made me.

That was done to me
(Mora's dog appears).

"To be integrity is to think and act
on the basis of a scale of values,
not on the basis of your personal gain."

*"In the lowly or meek you will find
neither the honest nor honored,
but will find the interested".*

Ismael Diaz Lázaro

*In red colour the hotel sold and
in blue the "promise" to the son.*

Yes! distribute or deal up the farm so big
on the Torroella bridge, flats and the hotel money,
this does not enter in the deal up.

Do you really think they talk
about *sharing or deal up* ??

What is a *distribution or deal up*???

(Very clever idea)

They also want a third part
that my father promised me of a camping,
although he already left them a third.

The other third is from a cousin.

*The world is full of people
who want to pick the fruits
from trees they never planted*

They also have a field where there is part
of an airfield, ultralight airplanes.

The father will leave them.

"Selfishness
is not living as
one wishes to live,
it is asking others
to live as one
wishes to live."

OSCAR WILDE

In the same way that they are distributed,

**THEN, WE CAN
DEAL UP "EVERYTHING" !!!
(NOT JUST THE MINE)**

**Are they include what
will leave by mother
and grandmother? ...**

will not include
not even Santa Clara Hostel,

not even the building
of the church street,

neither the building or
real estate of Dr. Fleming's square

And garages, etc.

Isn't Mora's dog very smart?

Or female dogs?

And too malicious?

And while a server has to live
with a small unworthy pension,
needs social services help,

Oh, and at the funeral, at Mass,

I was going to play on the organ

"El cant dels ocells"

("The song of the Birds", song

popularized by cellist Pau Casals)

in order to offer a dignified funeral

to family neighbor,

but from the Santa Clara they didn't want to,

although the father (grandfather) was agreed.

how they are
and what they do.

They will not silence us.

wrote in an emblematic poetry:
