### THREE IN A ROW FOR SEMIAHMOO

**2019** The Semiahmoo Totems captured the senior division for a third straight year with a 89-82 victory over the Lord Tweedsmuir Panthers played before a capacity crowd. Semiahmoo jumped ahead and led 48-34 at half and held a 72-57 lead heading into the final quarter. The Panthers mounted an exciting 4th quarter comeback

and closed the gap to an 84-81 score with less than a minute to play but that was as close as they could get. The Totems' Dominic Calderon was named tournament MVP. Tamanawis Wildcats captured 3rd place with a 61-48 victory over the Fleetwood Dragons and the Frank Hurt Hornets won the Pool B championship with a 56-36 triumph over Fraser Heights.

**2018** The Semiahmoo Totems captured their second consecutive championship with an exciting come from behind victory over the Tamanawis Wildcats, 73-64. Semiahmoo were led by tournament all stars Adam Paige, Dominic Calderon and Jordan Chen. Tamanawis' Miguel Tomley was named the tournament MVP averaging over 40 points per game. Lord Tweedsmuir took 3rd place with a convincing 108-81 victory over the Guildford Park Sabres.

**2017** First championship win in 22 years! The Semiahmoo Totems won the RCMP Basketball Championship for the first time since 1995, defeating the Panorama Ridge Thunder 66-63. The Thunder mounted an exciting 4th quarter rally but fell short for the second consecutive year. The Totem's Brian Wallack scored 26 points and was named the tournament's MVP. Tamanawis defeated Lord Tweedsmuir to capture 3rd place.

**2016** The Langley Event Centre was the host site for the 25th Annual RCMP Classic. The final was the "Miguel Tomley show" as he led the Tamanawis Wildcats to a convincing 97-69 victory over the Panorama Ridge Thunder. Tomley, named Tournament MVP, scored 47 points in the final. The Thunder finished in the top 5 for the first time in their school's history. The 25th Anniversary featured the first ever ALUMNI tournament. This 2-day 12-team event attracted many former Classic participants. The Fleetwood Park "boys of old" captured bragging rights with a final game victory over Kwantlen Park.

**2015** Final Two Minutes Decides the Championship. Southridge Storm fell 73-65 to the defending champion Tamanawis Wildcats before a packed house to capture the 24th annual "Classic Championship". The runner-up finish was the best ever by the Storm. The championship game was deadlocked at 35-35 at half time. With under 2 minutes to play, grade 9 all-star Miguel Tomley hit a go-ahead 3 point shot to give Tamanawis a 63-61 lead that was never relinquished. MVP honors went to Southridge's grade 11 6'7" forward Hunter Hughes finishing the final with 32 points and 23 rebounds.

**2014** The Tamanawis Wildcats completed a dominant run through the competition at the 23rd Annual Classic with an 86-46 victory in the final game against Fleetwood Park. Sukh Bains of Tamanawis was named tournament MVP.

**2013** BC's #2 ranked White Rock Christian Warriors avenged a loss in last year's final by taming BC's #5 ranked Tamanawis Wildcats, (89-70) in the championship game. It was the 11th championship for the Warriors. MVP Tyus Allen, led the Warriors with 32 points and 8 assists. Top rebounder Vartan Tanielian added 23 points. Tamanawis was led by all-stars Sukhjot Bains and Parmvir Bains. Enver Creek behind Gurkirat Kular's 21 points defeated Lord Tweedsmuir to capture 3rd place.

**2012** KING OF THE COURTS! Second time was lucky for the Tamanawis Wildcats. The Cats battled through 8 different lead changes before capturing their first ever RCMP Classic Championship with a thrilling 68-66 overtime victory over the White Rock Christian Warriors. Manny Dulay, named tournament MVP, led the offense with 25 points. The game was tied at 61-61 after regulation. In overtime, Shivi Viria hit a huge 3 with 90 seconds left to put the Wildcats up by one. The Warriors were unable to respond. White Rock, was led by first team all stars, Tyus Allen (23 points) and Jake Newman (20 pts). Enver Creek Cougars, led by all star, Rajan Rai, captured 3rd place with a convincing 71-57 victory over Southridge Storm (5th).

**2011** The final of the 20th edition of the Surrey RCMP Classic was the closest and most exciting in tournament history. Two of BC's best teams, the ENVER CREEK Cougars and the TAMANAWIS Wildcats battled it out before a capacity crowd. The Cougars captured their second championship with a 55-51 victory. Enver Creek was led by tournament MVP Parvez Jhaj (17 points, 12 rebounds) and first team all star Vikash Pillai (14 pts) and Marc Mincieli (11 pts). Tamanawis was led by all star Gagan Sahota (16 pts).

**2010** White Rock Christian Warriors captured their 10th title with a convincing 70-48 victory over Fleetwood Park. Fleetwood trailed by 8 at the half but lost the services of their all star Nick Del Bianco. Eli Mara and tournament MVP Riley Barker opened up the game in the second half to seal the victory.

**2009** Although the tournament had many exciting games no one was able to match the hard work and size of the Warriors. MVP Riley Barker proved to be too much for the Fleetwood Dragons in the championship game. The Dragons

battled through a series of tough opponents to get to the finals. Southridge, impressive throughout, claimed 3rd place.

**2008** The White Rock Christian Warriors recaptured the championship banner with a convincing 91-53 victory over the Princess Margaret Lions. The semi finals proved to be the most exciting games with WR Christian edging out a determined Kwantlen Park Timberwolves team 68-60 while Princess Margaret upset Tamanawis 71-68. MVP Spencer McLean led White Rock Christian in the final scoring 28 points.

**2007** The 2007 RCMP Classic witnessed an improbable comeback in the championship final. Trailing by 11 points and entering the 4th quarter, the Elgin Park Orcas seized control and went on to finish with a stunning come-from-behind 76-69 victory over the foul plagued White Rock Christian Warriors. This was Elgin Park's first RCMP title. Dakota Russell was named the tournament MVP. The Kwantlen Park Timber Wolves ended up in third place for their highest-ever finish.

**2006** The 15th edition of the RCMP Classic will go down as one of the most competitive ever. The semi finals were both nailbiters with White Rock edging out Enver Creek by a single point while Fleetwood needed overtime to get past Elgin Park. Unfortunately for Enver Creek they lost the services for the season of their top rebounder and defensive player in the White Rock game but went on to capture third place with a convincing 72-54 victory. Fleetwood battled, in spite of serious foul trouble, but in the end they were unable to topple the Warriors. White Rock's Matt Wirch demonstrated some late heroics to finish the Dragons, 66-60. Ravi Athwal was named tournament MVP.

**2005** The White Rock Christian Warriors regained the title of champions with a convincing 87-58 victory over Enver Creek Cougars. Tyrell Mara was named the Classic's MVP. White Rock Christian went on to be crowned the BC Provincial Champions in March.

**2004** Tournament MVP Dalbir Dosanjh erupted for 13 points in the fourth quarter to boost the Enver Creek Cougars to a 64-55 victory over Elgin Park Orcas in the championship game. Elgin Park

advanced to the finals with an impressive 54-51 victory over the White Rock Christian Warriors. The tournament's most exciting game featured an overtime victory by Enver Creek over Princess Margaret, 111-102, with Dalbir Dosanjh setting a tournament scoring record with 56 points.

**2003** The 2003 tournament featured some of the most exciting final rounds in the events history. Six of the final seven games were decided by 4 points or less with two going into overtime. The finale, watched by over 800 fans, evolved into a defensive showcase as the White Rock Christian Warriors defeated Enver Creek Cougars, 57-53. The victory gave the Warriors their fifth straight title. In the semi-finals, White Rock needed overtime in a controversial finish to slip past Fleetwood Park, 69-66 while Enver Creek qualified with a narrow 76-73 win over the Elgin Park Orcas.

**2002** The White Rock Christian Warriors knocked off the upstart Fraser Valley Christian Falcons 76-55 to capture their fourth successive RCMP tournament crown. Donald Burton led the Warriors and was named the tourney MVP. Jordan Craig (47 points in the semi finals) and Sean Stewart were named to the All Star team. The Falcons had earlier stunned the Enver Creek Cougars with an upset overtime win, 92-81. David Bron and Kyle Kooger led the Falcons.

**2001** The streak continues! A well distributed scoring attack headed by BC's most talented player and the tournament's repeat MVP Kyle Wilson helped lead David Craig's White Rock Christian Warriors to their 3rd straight championship over Fleetwood Park.

**2000** The White Rock Christian Warriors won their second consecutive title with a convincing 103-51 victory over Semiahmoo. The tournament's MVP, Kyle Wilson led the attack and was aided by first team All Star Zack Hogan and second team All Star Sean Stewart.

**1999** The White Rock Christian Warriors emerged as champions with a convincing 84-73 win over the North Surrey Spartans. White Rock went on to become the BC Champions. The Warriors were led by the exciting play of MVP Chad Clifford and all stars Kyle Wilson and Rod Pennington.

BASKETBALL CLASSIC 2020

# Classic memories: All-stars recall high school hoops

Tom Zillich

As Surrey high school teams battle for the 2020 Surrey RCMP Classic championship, here's a look back at three players and some of their memorable moments playing in the annual tournament.

## KYLE GREWAL

Kyle Grewal was a two-time Classic tourney all-star during his days with the Enver Creek Secondary team in the mid-2000s.

A dozen-plus years later, at age 31, Grewal has completed his law degree and now lives in Sydney, Australia.

The Surrey RCMP Classic still holds fond memories for Grewal.

"I remember Grade 9 and I got an all-star award at the RCMP, and that was pretty special because I hadn't been so great at basketball prior, so it was huge for me, and I was on cloud nine," he recalled. "It finally paid off, all the work I'd put in. I was 14 that year."

A few seasons later, Grewal earned a Classic scholarship that paved the way for his post-secondary education.

"It was one of the first scholarships I got, the Roger Pierlet scholarship, so it was special," Grewal recalled. "That's when I kind of realized that hey, I can have university paid for, at least part of it. My mom still has the scholarship award framed and it's on the wall at home, and it's nice to see when I come back home."

## RILEY BARKER

Riley Barker is a firefighter in Vancouver now, but he really brought the heat as a two-time MVP at the Surrey RCMP Classic from 2007 to 2010, when his White Rock Christian Academy team won the tournament three times.

As a six-foot-10 standout, he had a large presence during his high school playing days.

"Those were some fun games," Barker remembered. "For the team it was one we always looked forward to because going in, being a strong team in the Lower Mainland, we knew we'd have a good chance of winning it but we also knew there'd be those one or two Surrey teams that flew under the radar and would bring their best against you. There were always good, tough matchups."

After high school, Barker went on to play NCAA ball at the Uni-

versity of Portland, and also ventured overseas.

Basketball has already given him a lifetime of memories.

"For the current players my advice is, it doesn't matter who you're up against, just go have as much as fun as you can," Barker said. "The biggest thing to recognize is that you're in high school and this will be some of the best times you'll have playing basketball – just playing against other guys your age and potentially meeting people at the tournament that you might reconnect with later in life, someone that could

help with a future job or in other ways.

"Connections are made there, and that includes the police officers. Go say hi to them, because it's their tournament and they're there to interact with the players," Barker added.

## ADAM PAIGE

Adam Paige, currently a six-foot-eight forward with the Golden Bears at the University of Alberta, won a pair of Classic titles with Semiahmoo Totems in 2017 and 2018, but had graduated by the time the school team won its

third consecutive championship last year.

"Semiahmoo wasn't always a big basketball school in the past, but now having the three (Classic) championships has been huge for the school," Paige said.

He has fond memories of playing in the annual tournament.

"One of my early memories was in Grade 10 when we actually got bounced out in the quarter-finals, I think it was, and just the energy, it was amazing," Paige said of playing in the Classic. "And then getting to the finals the next couple of years, it was where I wanted to get to. And just reading the program they have and seeing all the players from the past, all those names, something like that also motivated me. It's just a great event."

Paige's advice for current players is to enjoy the experience of playing in the Classic.

"It's just something you want to soak in as much as possible, even if you're not playing a meaningful game," Paige said. "It's just cool to be playing the other schools from Surrey, ones you might not play during the year because it's triple-A or quad-A – just being able to show your basketball skills and being around like-minded students. And if you can go to the championship game, try to get there because it's super fun."

On the court these days, Paige is a key part of a Golden Bears team ranked fifth in Canada, with a 9-1 record heading into the holiday break. In March of 2019, he was named Canada West men's basketball's rookie of the year, and has continued to impress this season.

"This year, I'd say I'm the sixth man right now and actually I'm leading the team in scoring," Paige said. "I'm getting 22 or 24 minutes a game, coming off the bench, and I hope to give the team some energy that way."

## SENIOR TOURNAMENT HISTORY *continued from page 3*

**1998** Queen Elizabeth Royals, led by MVP Surinder Grewal repeated as tournament champions. The team displayed great balance and the outside shooting of 2nd team all star Navi Bala (33 points) in the final game led them to an 85-72 victory in the final over the White Rock Christian Warriors. Pacific Academy broke into the top 5 for the first time.

**1997** The Queen Elizabeth Royals, with their exciting fast break and pressing unit advanced to the finals. QE, behind the strong 2nd half of David Vanstone's 23 points (27 for the game) and Surinder Grewal, the tournament MVP defeated Earl Marriott for the championship. All-stars Shane Clifford and Blair Hogg led the Mariners.

**1996** The surprising Frank Hurt Hornets were crowned champions with a 76-70 victory over Holy Cross Crusaders. They were led by brothers Matt and Joel Nelson and the rebounding of Alex Castro. Holy Cross' team leader Matt LeChasseur was named the tournament MVP.

**1995** Semiahmoo Totems became the first team to capture a second championship with a hard fought victory over Holy Cross in the final 63-58. The Totem trio of Andy Lynn (MVP), Jeff Kendal and Greg Zemrav, powered the team to the championship.

**1994** The tournament was truly a "classic". The semi-final and final games were all nailbiters to the final buzzer before Queen Elizabeth emerged victorious over North Surrey in overtime, 82-71. T.J. Khanghura led the QE attack but was up against the MVP performance of North Surrey's Jeremy Newness.

**1993** Frank Hurt was again the surprise with their aggressive pressing style and captured the title with a 87-78 victory over Guildford Park. The Hornets were lead by tournament MVP Byron Sowinski.

**1992** The inaugural "Classic" of 1992 was held at Queen Elizabeth Secondary. The Semiahmoo Totems, led by MVP Jake McCallum defeated Frank Hurt in the final 63-36. The individual tournament standout was Mike Wagner of Pacific Academy with a 28 point average.

This is the 29th year of the Surrey RCMP Classic, an annual tournament for high school boys teams in Surrey.

For 2020, the 24 senior teams and 24 junior squads – a jump in number from 20 last year – will play from Sunday, Jan. 12 until Saturday, Jan. 18, with a championship final to take place again at Enver Creek Secondary's gym (14505 84th Ave.).

Among Canada's largest high school basketball tournaments, the Classic involves close to 700 teen athletes playing a total of 87 games during a busy week of action.

Only Surrey schools are allowed to participate, and the tourney has grown from eight teams to 48 over the years.

The inaugural Classic was held in 1992 at Queen

Elizabeth Secondary, where a Jake McCallum-led Semi-amoo Totems team beat Frank Hurt Hornets in the final, 63-36.

The inaugural tourney was co-ordinated by Rick Inrig and RCMP officer Norm Massie. Inrig is still involved as a tournament co-director, along with Kevin De Boice, while Massie has since retired and now lives in Ontario.

From the start, the tournament was designed as a way for police and school students to enjoy positive interaction.

"The goal has been to encourage a healthy attitude towards high school sport and foster positive relations with the RCMP," Inrig says.

"Many of the tournament's talented athletes have graduated and gone on to play university and

college basketball in Canada and the United States."

A big goal in the early stages of the tournament was to start a scholarship component for graduating players.

"Without the help of many contributing sponsors over the years, this would not have been possible," Inrig says.

"Special thanks goes to Eileen Mohan donating in memory of her son Chris, McDonald's Restaurants, Chad Clifford, Westcoast Cartage and Rob Rai of Safe Schools. To date we have awarded almost 150 scholarships to deserving student-athletes."

Also, Inrig said a key part of the scholarship component is the creation of a graduating seniors Allstar Classic sponsored by the Classic and Winner's Circle Trophies.

# 29TH ANNUAL SURREY RCMP BASKETBALL CLASSIC 2020

## In 2019, Semiamoo celebrated a third straight senior title

**Tom Zillich**  
tom.zillich@surreynowleader.com

At the Surrey RCMP Classic tournament last January, Semiamoo Totems won the senior division title for a third straight year, after an 89-82 triumph over Lord Tweedsmuir Panthers.

Semiamoo jumped to a 25-20 lead after the first quarter and looked strong throughout the game, played for a capacity crowd at Enver Creek Secondary's gym.

At the half it was 48-34 for the Totems, who held a 72-57 lead heading to the final quarter.

Chants of "Tweedsmuir comeback!" in the third quarter foreshadowed a rally by the Cloverdale-based team in the final frame, when the scoreboard showed 84-81 for Semi with just 54 seconds to play.

With Tweedsmuir pushing

late in the game, Semiamoo's Tajin Rai, a Grade 10 player, nailed a key three-point shot from the corner of the court that first hit the rim, bounced five feet toward the ceiling, fell, and put a dagger in the Panthers' hearts.

Damian Calderon led the way for the Totems with 23 points, while brother Dominic Calderon chipped in with 17 and Avnoor Bhullar scored 19.

"I feel amazing, and this is such an accomplishment – one of the best accomplishments for us," Dominic, named tourney MVP, said after celebrating the win. "In Grade 10 (as juniors two years ago), we had a battle with these boys and it came out as a win for them (at the RCMP Classic), so it was a pretty important game for myself and my brother, and we ended up

getting the W. I'm super happy right now."

Damien called the win "a total team effort. We came into this tournament as the most underrated team, and everybody expected us to lose, each and every game,

but we gave our hearts in this, as a team. I can't be more proud of myself, my brother, our whole team."

Semiamoo head coach Ed Lefurgy, a four-time winner of the RCMP Classic – three with the Semi seniors

and one with juniors – said the tournament means a lot to him and his players.

"It really shows who the cream of the crop is in Surrey, and it's really, really meaningful for the boys," he said post-game.

Five of the Semi players were repeat winners, including the Calderon brothers, David Cao, Dennis Alizadeh and Jake Dhillon.

For the injury-bugged Tweedsmuir, Elijah Devison led all Panthers with 19 points in the final game, followed by Jackson Corneil's 16, Alex Le's 15 and Arjun Samra's 13.

The 2019 tournament's semifinal games saw Cloverdale's Tweedsmuir beat Fleetwood Park 79-74, and Semiamoo top Tamanawis, 75-71 in overtime.

In the end, Tamanawis placed third in the tournament, Guildford Park fourth

and Fleetwood Park fifth.

First-team all-stars were Ravi Randhawa (Fleetwood Park), Jeevan Sidhu (Tamanawis), Elijah Devison (Tweedsmuir), Hamza Saqib (Semiamoo) and Arjun Samra (Tweedsmuir).

Second-team all-stars were Damian Calderon (Semi), Edrielle Asirit (Guildford Park), Dre Clayton (LA Matheson), Michael Chifan (Pacific Academy) and Jackson Corneil (Tweedsmuir).

Other tourney award-winners were Arbin Dhillon of Guildford Park for Most Inspirational Player, Guildford Park for Most Sportsman-like Team and Tweedsmuir's Samra for 3-Point Champion.

In junior division action, the 2019 tournament's championship game saw Queen Elizabeth take the crown with a 72-58 win over Panorama Ridge.
