Public Hearing On City Districting Monday, December 21st

Monday evening, December 21st is the date set by City Councillor Rosemarie Sansone to conduct a public hearing here in Charlestown in order to obtain input from the community on the

drawing up of districts for the Boston City Council and School Committee, as was mandated last month when Boston voters passed a referendum requiring that future city councils and school committees be made up of nine members elected from districts and four elected at large.

Voters favoring this plan, did so without voting for specific dis-

tricts and thus the present public hearings, which are being scheduled throughout the city, are termed by a spokesperson in Sansone's office as preliminary in nature and aimed at getting public input into the structuring of the districts.

The city council has ninety days from the day they receive official notice of the passage of the referendum to draw up the districts and if they cannot agree to the districts in that time frame, the process is turned over to the Mayor. The council has not, as of this date, been given the official notice by the election commission, as a recount of ballots is presently in progress.

The meeting on Monday, December 21 will be held at 7:00 p.m. at the Legion Hall, 27 Chest-

Governor King Responds To Call For Tough "Angel Dust" Law

Governor Edward J. King will announce details of a bill which provides a mandatory minimum one year prison sentence for persons convicted of selling or manufacturing phencyclidine, commonly called "angel dust."

The specifics of the new law will be announced during ceremonies at St. Catherine of Siena Church in Charlestown, Sunday, December 13, 1981 at 2:00 p.m. with a reception in the church hall immediately following. Charlestown has been chosen to make this formal announcement because it was here that a statewide movement to remove this dangerous drug from the streets began. The public is invited to attend.

The legislation was introduced to the General Court by Chairman of the House Judiciary Committee Michael F. Flaherty (D-South Boston) who will join Governor King in the formal announcement.

At a recent state house briefing on drug abuse, Governor King stated "No longer will those who profit on the sale of this dangerous drug go unpunished." The Governor also paid tribute to the coalition of civic, business and religious groups who had led a statewide effort to rid their communities of this dangerous drug.

"Throughout the Commonwealth, our citizens have spoken in one strong voice that they don't want these drugs in their cities, towns and neighborhoods," Governor King said.

"The community effort that began in Charlestown and spread throughout our state will surely bring a happy ending to what could have been a very sad story," the Governor concluded.

To expedite the implementation of this directive, Governor

Charlestown EDC Drops One Thompson Square

by Sal Giarratani

One Thompson Square went on the selling block last Thursday after a majority of the Charlestown Economic Development board voted to transfer the building's deed and all "property therein" back to the Charlestown Savings Bank. The bank will now seek interested buyers for the property.

The board meeting last Wednesday evening at the Mary Colbert Apartments was chaired by Attorney Allen J. Jarasitis who had drawn up the legal papers for the transfer and the

sole purpose of the meeting was to obtain approval for this transaction.

A definite split appeared between appointed and elected board members. Appointed members felt they had no choice, while elected members disapproved of the action.

Jarasitis spoke of the fact that the "EDC didn't have the money or expertise to keep it going...it didn't work."

Apparently, push came to shove about a month ago when

Debbie And Bernie Tuttle - Charlestown Institution

Tuttle's Cleaners was originally started by Bernie Tuttle's father and located on Chelsea Street in Charlestown. Thirty-five years ago Bernie and Debbie Tuttle began running their family's business and have been in Charlestown ever since. This week marks the end of the Tuttle's business career in Charlestown. The cleaning business will continue with a new owner, but the Tuttle's will be retiring from the everyday life of coming into Charlestown each day.

Although the Tuttles actually reside in Malden and have never really lived in Charlestown, they have made Charlestown their home. Their participation in any and all children's charities have come to be a part of every fundraiser or organization in

Charlestown. They are active members of The Charlestown Board of Trade and The First Charlestown Development Corporation. They are active in every part of these organizations, from attending all meetings held, working at The Las Vegas Nights, to supporting a local candidate running for public office.

Bernie and Debbie Tuttle are a unique couple - who have cared enough about Charlestown not to simply make their living here, but to make their life here as well. They have given a great deal to our community and are a part of nearly everyone's lives in the town. They are generous and loyal people who love Charlestown and have been loved in return. They will be sorely missed.

Completes Basic

Army and Air Force Hometown News—Airman Thomas W. Farley, son of Mr. and Mrs. John J. Farley of 5 Trenton Street, Charlestown, Mass., has completed Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks at Lackland, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits towards an associate degree in applied science through the Community College of the Air Force.

The airman will now begin on-the-job training in the structural/pavements field at Eglin Air Force Base, Fla.

the Charlestown Savings Bank heard from an interested party wanting to purchase the building.

After financial analysis, it was determined that it would be a long time before operating income would be sufficient to carry the debt. As of the end of October the Kennedy Center, as guarantor, owed the bank a total of over \$500,000. The bank felt it was in everyone's interest to get the building back.

Several board members felt the action taken to give up the building was not in the best interests of either current tenants or Charlestown in general.

The final vote on transferring the building back to the bank was six in favor, one opposed and four abstaining.

Rumors of deals and of con-

dominiums coming in were equally denied.

In an interview following the meeting, Bobby Wallace, a member of the Kennedy Board, felt condo conversion was very likely. "There's a parking lot in back and a shopping mall across the street," said Wallace. "If any Charlestown building was ideal for condos, this is!"

Wallace and many of the elected members of the EDC board are concerned for the future use of the building and for everything this service Mall stands.

"What happens to Tony the barber if he's forced out again into the streets like he was before by B.R.A. action?" stated Wallace. "What happens to local merchants trying to serve the community?"

To Talk Of Many Things . . .

by Sal Giaratani

Everyone knows how to carve up a turkey for Thanksgiving or Christmas. You start slicing and hope you do it right. Well, in many ways that's how Boston's new nine city council and school board districts are going to come into being, carving and hoping!

As the City Council begins the process of implementing the changes of Boston's governmental structure approved by voters in the recent city election, I am writing to ask that you or your group help in the process of drawing district lines.

It is very important to remember that the legislation is very specific as to the composition of each district. Each must be: 1) Compact and equally populous-based on the 1975 state census, each must have approximately 69-70,000 people; 2) Comprised of contiguous existing precincts and; 3) Drawn with a view to preserving the integrity of existing neighborhoods.

The last requirement is the hardest to define, but the most important to ensuring the success of the plan and it is vital that this requirement be met fully in order to see that all neighborhoods are given a fair

and equitable voice in their municipal government.

My major concern is how Charlestown will be carved up and/or who it will be placed with. The mostly likely district for us appears to be a district comprising most of the first three wards of Boston (Charlestown, North End and East Boston). In this district neither the North End nor Charlestown would have a fair and equitable chance of electing one of their own. In fact, it would become a guaranteed East Boston District according to most knowledgeable people.

Charlestown hasn't had a city Councillor in more than 30 years and if the above district comes into being, it will be another 30 years or more before we could elect anyone!

After much research I have come up with what some might call a viable option that leaves Charlestown with a "fair and equitable" shot at a council and school committee seat.

My proposal would include Charlestown (Ward 2), North End/West End/Waterfront (Ward 3) and eight out of ten precincts in Beacon Hill/Back Bay (Ward 5).

This lumping of contiguous

precincts would comprise approximately 71,155 people and would give no one ward an upper hand in political power. All three areas could attain a power base from which to organize and support worthy candidates.

The only other proposal to date is one comprising the first three wards of Boston, a district this writer does not favor because it would be a liability for Charlestown.

I am not out to knock any neighborhood but the smaller neighborhoods are going to be creamed by this so-called reform if larger neighborhoods get everything to their pleasing.

It appears incumbent upon the Boston City Council to make sure that all Boston's neighborhoods have a say in this reform but especially the smaller, less politically powerful ones.

Politicians had better put people above politics and create a new city government structure that meets the needs of the people.

If you would like more information about district representation, whether you were for or against, call Councillor Sansone's office at 725-3115.

I worked against this redistricting proposal but now it is urgent for everyone to make sure the district we get is the district that benefits our neighborhood the most!

I would be interested to hear

what the readership thinks of my Ward 2, 3, 5 District or whether they support the Ward 1,2,3 District.

I'll make sure the City Council

is informed of your ideas. Drop me a line at P.O. Box 338, Charlestown, Mass. 02129. It won't be a scientific poll but it will be good enough!

NOW YOUR RETIREMENT YEARS CAN AMOUNT TO EVEN MORE.

If you thought Individual Retirement Accounts were only for people not covered by pension or profit-sharing plans where they work, we have some good news.

Starting in January, thanks to the new Federal regulations, Charlestown Savings IRA's will be available to every one of you who works. Whether or not you have a company pension or profit-sharing plan.

What's more, the amount you can put away in your IRA has been increased. Now you can shelter up to \$2,000 of your annual income. And if your spouse doesn't work, that amount increases to \$2,250. If you're both employed, you can salt away \$4,000 every year.

Simplified Employee Pension Plans have also been improved. Again, thanks to the new tax law, you can deposit up to \$15,000 in your SEP Plan each year. And remember. Whatever you invest in your Charlestown Savings IRA or SEP Plan is tax deductible.* Your account earns interest at the highest rate possible and both your investment and the interest it earns remain tax free until you retire.**

Helping you gain financial security in your retirement years. Another reason why when we say Charlestown Savings, over 200,000 people all over Boston say, "That's my bank."

Pare, playing Gretl.

Also in the cast is the Charlestown Post Office's own Thespian, Jim Barker, who plays Herr Zeller.

City Districting

(continued from page 1)

nut Street. It will be chaired by Councillor Sansone. Other members of the Committee are City Councillors John Sears, Frederick Langone, and Albert "Dapper" O'Neil.

Local residents who attended the first such hearing on districting this past Tuesday evening at U-Mass, Boston's Downtown Campus, expressed concern that other neighborhoods came to that meeting well prepared and they were fearful that Charlestown would lack the organization that these other neighborhoods have, in going into a Public Hearing. In response to these concerns, members of the Town Council Steering Committee are holding an informal meeting to review preliminary plans concerning the placement of Charlestown in a district on Monday evening, December 14, 1981 at 7:30 p.m. at the Kennedy Center, 27 Winthrop Street. All interested persons are welcome to attend.

Columbus Hoopsters, Pucksters Ready For Openers

by Bob DeCristoforo

The basketballs and pucks are out as Christopher Columbus High School winter teams are anxiously preparing for their openers, which will be a basketball/hockey HOME doubleheader on Wednesday, December 16th.

Basketball Coach Dan McGoff and Hockey Coach Tom DeRosa, both Charlestown natives, are quite excited about the upcoming season, as each team should have an interesting mixture of experience and youth.

The Hockey Friars will be led by Captain Sean McGonagle. Sean has worked quite hard all summer and his scoring punch was shown in a summer tournament in Colorado where he led all

Mass scorers.

Veterans powers will be coming from upperclassmen Don Bolstad, Chris Page, Bob McCormick, Mike Yandle, Mike Doherty, Jimmy Nichols, Tony Luisi and Gerard McLaughlin.

Leading the underclassmen will be Chris Cuniff, Mike Fowkes, Jack Giambusso, Chris Folan, Paul Wrenn, and Nick Raymond.

The Friars 18 game Division II Catholic Central League opponents will include Dom Savio, Bishop Fenwick, Marian, Pope John, Xaverian, St. Mary's of Lynn, and the Friars will have seven games at Boston University and two home games at UMass/Boston.

The opening faceoff will be a home game at B.U. beginning at 8 p.m. on Wednesday, December 16 when the Friars host Bishop Fenwick.

The basketball Friars will be returning to newly re-acquired Christopher Columbus High School Gym when they open against Arlington Catholic in a 3:30 p.m. Wednesday, December 16th start, and Coach McGoff is pleased that the team will be playing their Home games in the gym where they practice. Another plus to the 81' Friars is the addition of Assistant Coach Bill Lochane to the staff. Bill was the Captain of Northeastern University and his knowledge and enthusiasm has already

changed the Columbus style.

Team-wise, much will be expected from veteran Pat Polichetti, Mike Johnson and junior Sean McCarthy. Seniors Nick Lepore, Mike Carey, John Pike, Paul Pellicchia, Paul

Williard, Steve Agrippino and David Kelley are all looking for starting spots and underclassmen John Baskiewicz, John Melluso, Paul Graham, Luigi Ricci, Chris Newell, Pat Joyce all adding pressure.

Two New Kennels At Wonderland

Wonderland Park is welcoming two new bookings, owned by Wayne Strong and Richard Nelson, for the extended 1981 season and the 310-night schedule in 1982.

Strong raced at Wonderland from 1975 through 1977 and had two of the greatest dogs to ever grace the Revere oval, Rooster Cogburn and Highway Robber.

Both were All-Americans and are now two of the premier studs in the country. North Shore's OK Troy, the Wonderland season win record-holder, is an offspring of The Rooster, who's match race against Downing is legendary.

Highway Robber, known in 1976 as "The Bionic Dog" at Wonderland, has produced pups

like Beau Boogie, the 1979 \$100,000 World Sprint champion at Wonderland; Odd Happy, Dark Robber and Columbia Robber.

Nelson, however, is more noted as a breeder than kennel operator, although he has been running under the Debonair Kennel at Taunton.

Richard now owns Beau Boogie and Prairie Dog, two of the most promising studs in the business and one of his dogs is racing at Wonderland for the Paul Discolo Kennel. We Meet Again, is a 13-time winner and 1981 3-16ths Stakes champion.

Strong and Nelson, two names highly respected and well known in dog racing, are now part of Wonderland's growing family.

Pop Warner Corner

The Pop Warner Football Banquet will be held on Saturday night, January 16, 1982. We can use a lot of help with setting it up.

We got our bill from Everett and it is higher than we thought. We got a lot of new equipment this year and we still have to get over 200 trophies. So it is now your turn to help us by selling all the chances you can. We will give the chances to the "A" team girls and boys and also the "D" team cheerleaders.

We still have a lot of forms left for our John McCormack Scholarship Fund. John, for anybody who doesn't know, was president of the Pop Warner Football League and was quite a

man and I would like to see more kids take advantage of this \$500.00 high school scholarship. There are forms available at Collier's Market at 246 Bunker Hill Street and I will give some to the "A" team players when they get their chance books if they want one.

I would like to thank Gloria Conway for the coverage she gave to the Pop Warner column all year long in the Patriot.

There will be a meeting on the banquet after the holidays. Tickets for the banquet will be five dollars each and we hope to get a lot of great speakers to attend.

Thanks!
The Board

ROOKIE OF THE YEAR?

In 1981, a lot of local youngsters made it big. Some of them from the farm system all the way to Class A.

These are the potential greats who broke into the majors by winning their first race at Wonderland. Now they're battling it out, in a rugged four-round elimination contest, with the title—and the money—on the line.

And you can bet your life (or just \$2, if you'd rather) that 1981's Rookie of the Year will turn out to be a real superstar.

Fr. Dunne To Speak At St. Catherine's

The Irishman is returning! On
Sunday, December 13, Fr. John
Dunne will speak at St.
Catherine's Church, Hayes
Square at 6:15 p.m.

Many know Fr. John as the
blind priest who celebrates Mass
on TV every first Friday of the
month. His friends describe him

as a "saint" and a "rogue." His
holiness and his humor is what
people remember.

St. Catherine's Parish Mission
Committee invites everyone to
come and hear this wonderful
priest speak on "Responding to
Christ in our World."

proprietor of The Smoke Shop at

sponsored by the store.

There were 8073 gumballs in
the enormous jar and Ms.
Gorman came closest without go-
ing over with a guesstimate of
8069. The proceeds realized from
the raffle were donated by Mrs.

Thanks For The Excellent Story

December 4, 1981

Ms. Gloria J. Conway
Publisher and Managing Editor
The Charlestown Patriot
1 Thompson Square
Charlestown, MA 02129

Dear Gloria:

I want to thank you and Maria Girvin for the excellent and eye-catching two page story on the new developments at the Charlestown Navy Yard in the November 12th edition of The Charlestown Patriot.

The many photographs and the map with your very easy to understand key gave the story a high profile, and surely attracted the interest of many Charlestown residents and businesspeople who may have skipped over stories

about public hearings and grant awards during the past year.

Maria Girvin did a first-rate job; the story reports on all of the different types of work underway at the Navy Yard, and is accurate throughout. We were lucky to work with a reporter who was so enthusiastic about the project, and her enthusiasm clearly comes across in the article.

Once again, thank you for your continuing efforts to present the development of the Charlestown Navy Yard to the residents of Charlestown. It is always a pleasure to work with you and your very able staff.

Sincerely,

Paul Kelly
Project Director

Protest Successful

To the Editor:

The protest outside Boston Garden last Saturday, December 5th, was quite successful. Despite the snow, there were about three hundred people on the picket line.

I would like to apologize for any inconvenience my letter of

last week caused your readers. The Saturday protest was moved up to 6:30 p.m. I was not made aware of the change until Wednesday night (too late to notify your paper).

Thanks to all the "Townies" that boycotted this concert.

Paul Morceau

Wins All American Contest

WINS ALL AMERICAN CONTEST. McDonald's, located at the Bunker Hill Mall in Charlestown, has won, for the second year in a row, the McDonald's All American Contest. The finals were held at the Woburn McDonald's on October 30th and 31st with 54 participants from all of the McDonald's regional stores. A banquet was held on November 9th at Kowloon's in Saugus, at which time trophies were awarded for compiling the highest point total during the competition. Charlestown's McDonald's now has the right to keep its trophy proudly displayed in the store. Charlestown had two individual winners as well. They were Nancy Jones for buns and Kerri Farley for lunch. Congratulations to Charlestown's McDonald's for a job well done. Shown front row (l. to r.) Kathleen Curtin, Chris Frolo, Maureen Atkinson, Kerri Farley and Ann Marie Drummond; Center row (l. to r.) Cathy Boucher and Cathi MacAlpine; Back row (l. to r.) Bridget Curtin, Tony Bright, Steve Kerrigan, Nancy Jones, Neil Rosenburg, and Barbara Young.

Parents' Discussion Group

The Parent's Discussion Group of the Charlestown Branch Library, 179 Main Street, will be held on Friday, December 11, 1981 at 10:00 a.m.

This week's discussion will be "Cable TV - What's On?" with guest speaker Dona Garofano of Cablevision.

The Children's Pre-School Story Hour will be held at the same time for all children who are at least three years of age.

Child care will be provided at the Community Center, across the

street, for children too young to participate in the story hour.

Charlestown Patriot
Gloria Conway, Editor:

Dear Gloria:

At this time we would (through your paper) like to thank you on the fine coverage you have given us throughout the past three years. We, being from Charlestown, should feel very fortunate in having a paper such

as the Charlestown Patriot to rely on for local news and also in being non-biased as our larger city newspapers have been in the past.

We would also like to thank (whole heartedly) the many people of Charlestown who supported our store in the past three years. Our aim was to give Charlestown a store with service,

dependability, quality and economical value.

We saw in the past that our friends, neighbors and fellow "Townies" had to travel outside the town to receive such items as uniforms, jackets and sportswear of general description. We, being from the town, thought it would be more beneficial to have our own store, where these items and "Townie" goods could be purchased, rather than travel to such areas as South Boston, Medford, Everett or Revere, as in the past. But without the support of local teams, groups, organizations, whom we supported in the past, we feel the need for a store such as ours, cannot function within the town. Our past three years for the most part, have been an experience, which will always be remembered and it has been a pleasure to service the people who have supported us. Once again, we thank you all!

the town and a treasurer's report was read at each meeting. When I heard the report I was shocked.

My husband forbade me to run for re-election. I was too upset after each meeting, the way the carpetbaggers did their act. Someday the truth is going to come out in regards to the grants. I hope I am around to see it.

I want to thank all of the people who voted for me. I did try to do you justice.

Board Meetings, A Waste Of Time

24 Brighton Street
Charlestown, MA

To The Townies:

A number of people have asked me why I didn't run for re-election on the Kennedy Board. I am sorry to say it was a waste of time going to the meetings.

There were a few of us who saw eye to eye on the issues that came up on the agenda. In my book, most of the board are carpetbaggers. Whatever the director wants, he gets from the carpetbaggers. I was there in the interest of the people of the town.

Here is an example of what goes on. A person working there for two years gets a 40% raise. Another person working ten years gets a 10% raise.

There were a few of us against this. We would like to see them all treated alike. This is what the carpetbaggers do.

It's a shame more people don't get down to these meetings. They are supposed to be on the last Monday of the month every other month. Most of the time he changes the date of the meetings. If they went by the by-laws, there would be more people. It is your Federal and State money that is being spent.

For two years I was on the board and the first treasurer's report I heard was last November. The Treasurer had to fight to get it read.

I have been on other boards in

Named Finalist By Artists Foundation

Rachael Strickland of Charlestown was named a finalist by The Artists Foundation in its 1982 Massachusetts Artists Program in film and video.

The Artists Fellowship Program awards 48, \$5,000.00 grants annually to Massachusetts artists in 12 categories: fiction, poetry, playwriting, film, video, music composition, choreography, painting, printmaking/drawing, crafts, sculpture and photography. These unrestricted fellowships are meant to affirm the work of significant Massachusetts artists and to assist them in continuing their work in the state.

The panels are made up of at least three professional artists

from out-of-state. Their decisions are based solely on the quality of the work submitted with no background information on the applicants.

The Artists Fellowship Program, the second largest

program of its kind in the country, is funded by the Massachusetts Council on the Arts and Humanities, a state agency. It is one of several programs administered by the Artists Foundation, a public non-profit organization.

Named To Honor Society
